DISMISSAL ORDER OF THE COMMISSION

**Presiding Officers:**

**Angela Rapp Weber, Commissioner**

**Aaron A. Schmoll, Senior Administrative Law Judge**

On August 14, 2014, Dearborn County Regional Sewer District (“Petitioner”) initiated this Cause, requesting the Commission to modify the certificated area of Valley Rural Utility Company (“Valley Rural”) so that 13 residential customers could receive sewer service from Petitioner if those customers were not able to receive utility service from Valley Rural. On September 19, 2014, Valley Rural filed its Status Report, which stated that it was moving forward with a sewer line extension to connect the 13 customers. On January 22, 2015, counsel for Valley Rural indicated via email that the extension of sewer service to additional residences within its certificated service area had been completed, but no additional status reports have been made since October 20, 2014.

On February 17, 2015, the Commission issued a Docket Entry ordering Petitioner and Valley Rural to indicate whether this Cause should be dismissed. More than 10 days have passed since that date, and no responses have been received. Pursuant to 170 IAC 1-1.1-24, the Commission dismisses this Cause.

**IT IS THEREFORE ORDERED BY THE INDIANA UTILITY REGULATORY COMMISSION THAT:**

1. Cause No. 44524, initiated on August 14, 2014, is dismissed.
2. This Order shall be effective on and after the date of its approval.
