

Andy Horrocks
Chief Operating Officer
US Market, Strategic Business Unit

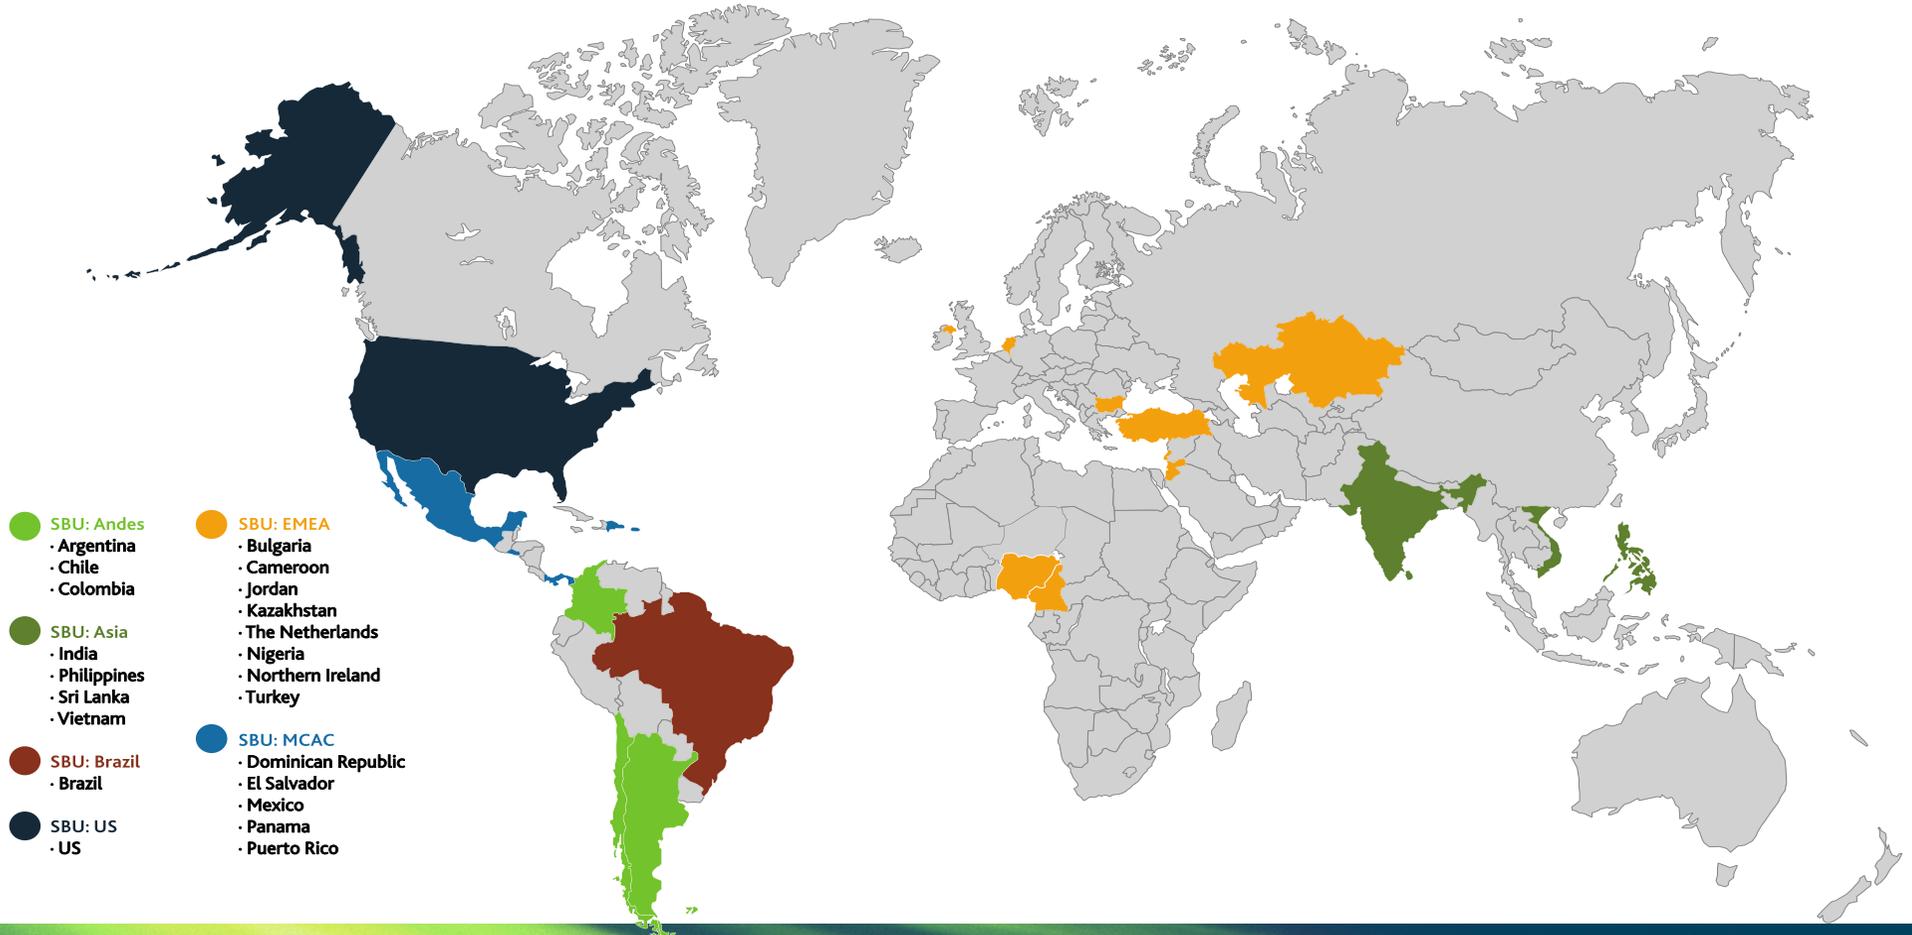

June 2014

What we do matters

Our Global Position

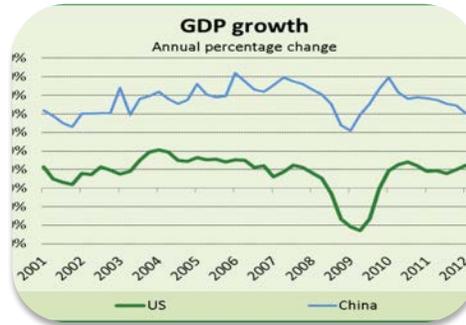

Operating as 6 Strategic Business Units

Considerations We're Taking into Account as We Look Ahead

Geopolitics

Global Economy

US Tax Policy

Disruptive Technologies

Environmental Policy

Global Gas Markets

Issues We Face Moving Forward

- Environmental rules and regulations
- Uncertainty in providing for long term investments
- Advancement of energy storage
- Preparing for disruptive technologies
