Hello!

I join my neighbors in asking that you recommend the following to Gov. Pence:

1. A statewide savings goal similar to those established in the Dec. 2009 order in Cause No. 42693.
2. A public purpose fund which ALL ratepayers contribute to.
3. An independent, non-profit Statewide Third party administrator to oversee those funds.

We practice what we preach regarding energy savings. We have 24 solar panels on our roof and own a Chevrolet Volt as well as a Prius hybrid.

Sincerely,

Charles Davis and Debora Shaw
