Re: German Township Water District, Inc.  
30 Day Filing – Non-recurring Charges

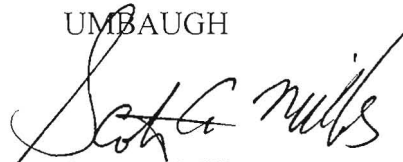

Following is a copy of a Verified Statement In Support of Change in Schedule of Non-Recurring Charges, together with supporting exhibits for filing on behalf of German Township Water District, Inc. In addition, a copy of a proposed rate tariff and a copy of the legal notice which is to be published in the Evansville Courier & Press and the Posey County News as well as posted on the Company website ([germantownshipwaterdistrict.org](http://germantownshipwaterdistrict.org)) and at the Company's office have also been included. The proofs of publication from the newspapers will be filed with the IURC when they are received.

German Township Water District, Inc. is requesting approval via the thirty day filing procedures to amend its schedule of non-recurring charges for all customers through the thirty-day filing procedure. These changes are requested as a result of increases in the labor and material costs associated with providing these services to the customers of the German Township Water District Inc. This request is allowable under the Rule pursuant to 170 IAC 1-6-4 (4).

Please forward a stamped approved tariff to our office at your earliest convenience. If you or members of your staff have any questions or comments, please do not hesitate to contact me at the number listed above or via email at [miller@umbaugh.com](mailto:miller@umbaugh.com).

Very truly yours

EXHIBIT II

LEGAL NOTICE OF FILING FOR A CHANGE IN NON-RECURRING CHARGES

German Township Water District, Inc.  
Evansville, Indiana

Notice is hereby given that the German Township Water District, Inc., Evansville, Indiana, under and pursuant to the Public Service Commission Act, as amended, intends to file with the Indiana Utility Regulatory Commission on or about April 8, 2015 a request to increase its schedule of non-recurring charges.

The changes in schedules of rates submitted to the Commission are based solely upon an increase in the labor and material costs of providing services to the customers of the German Township Water District Inc. These increases shall apply for the next practical consumption period following final approval by the Commission or May 13, 2015, whichever is later. The proposed increases are for non-recurring charges only, for all water utility customers, and do not affect retail water rates.

Objections to this filing can be forwarded to Secretary, Utility Regulatory Commission, 101 West Washington Street, Suite 1500 East Indianapolis, Indiana 46204 and Office of Utility Consumer Counselor, 115 West Washington Street, Suite 1500 South, Indianapolis, IN 46204.

\$82.00	

Returned Check for Non-Sufficient Funds \$30.00

Renter's Fee \$29.00

When rental property is involved, there will be a \$29.00 fee to do final reading, beginning reading, and for paperwork involved to change mailing from property owner to renter. If membership is kept in property owner's name, the property owner will be responsible for any delinquent bills. If the property owner does not want to be held responsible for any delinquent bill, the renter must obtain membership.

If the renter obtains membership, the renter must prove credit worthy. If credit worthiness cannot be established, the renter must pay a deposit of \$40.00 which is the average usage for two months. It will be refundable upon satisfactory payment by the customer for a period of either nine successive months or ten out of any twelve months, provided that the customer did not make late payment for any two consecutive months.

Fire Protection Fee (Annual) \$285.70  
This price is based on a 6" meter monthly minimum billing. The Water District must maintain the line and constant meter service to these customers. The customer would pay for one month, based on 6" meter minimum billing per year.

Fire Protection Fee (Annual) \$155.70  
This price is based on a 4" meter monthly minimum billing. The Water District must maintain the line and constant meter service to these customers. The customer would pay for one month, based on 6" meter minimum billing per year.

Fire Protection for Non Members  
The Fire Chief would estimate the water usage on a fire of a non member. That person would be billed for that usage.

**Note:** Current legislation states of January 4th, 2014 it will be illegal to sell or install any items that are leaded brass in sizes 2" and below for use with potable water. Manufacturers have been making this conversion since this legislation was passed. UPSCO will be implementing the following changes effective as of January 2, 2013. Any leaded brass order will be special ordered for our customers, but will be non-cancellable and non-returnable. UPSCO cannot accept leaded brass returns for credit or exchange. This matches the policies of our brass suppliers. As of June 1, 2013 brass product manufacturers will stop manufacturing leaded brass products & no leaded brass items will be purchased by UPSCO. Attached is the documentation for calculations per 1 ave. reconnect to consider increasing this fee:

Admin. Processing – .50 hrs

Field Labor – 1 hr

Truck – 1 hr, not sure exactly what you need for this so I've attached our Fuel Report to start with

Mileage – approx. 20 miles

Postage & Shut Off Notice – 11 cents + 34 cents=45 cents
