

# **Indiana Pipeline Awareness Association**

May 14–16, 2013  
French Lick, IN

# Who is INPAA?

- ▶ INPAA is a collaboration between:
  - Local Gas Distribution System Operators (LDC)
    - 31
  - Hazardous Liquid Pipeline Operators
    - 34
  - Gathering line operators

# INPAA Purpose

- ▶ Primary purpose is to provide baseline messages for compliance of RP 1162
  - Emergency Responders
    - Annual meetings
  - Public Officials
    - Official mailer
  - Affected Public
    - Public service announcements (LDC's)
  - Excavators/Contractors
    - Through the one call center

# INPAA Limitations

- ▶ INPAA does not provide RP 1162 compliance for:
  - Right of Way and HCA mailings
    - Transmission & Gathering Line direct mailer
  - Natural Gas Customers
    - LDC bi-annual bill stuffers

# INPAA Extra's

- ▶ In addition to baseline messaging, INPAA also provides the following:
  - All documentation on INPAA website
  - Tools to help with Audits and Audit Assistance
  - Tools to help with data collection and tracking
  - Participation in conferences
    - Indiana Volunteer Fire Association
    - Indiana Emergency Response Conference
  - Representation at Indiana 811 exhibits
    - Flower and patio show
    - Indiana State Fair

# INPAA Extra's

- Emergency Responder meeting facilitation and presentations
- Other community outreach programs
  - Radio Disney campaign
  - Fight for Air Climb
  - Farm Progress Show
  - Rensselaer Open House
