Re: LSA Document #07-235; IURC RM #07-02

Dear Mr. Asberry:

Pursuant to IC 4-22-2-28, the Indiana Utility Regulatory Commission (“IURC”) received the comments of the Indiana Economic Development Corporation (“IEDC”) regarding the rule changes proposed by the IURC in LSA Document #07-235, amending 170 IAC 8.5-1-1 regarding definitions used in this article and amending 170 IAC 8.5-3-1 through 170 IAC 8.5-3-3 regarding application for a Certificate of Territorial Authority for sewage disposal services. The IEDC’s Comments were received on July 17, 2007, which is more than seven (7) days prior to the Public Hearing scheduled in this matter for Thursday, July 26, 2007, at 1:30 p.m.

The IURC understands that the IEDC has no objection to the economic impact associated with this proposed rule and has no suggested alternatives or changes to this proposed rule. In addition, the IEDC recognized that the net economic impact of this proposed rule on small businesses could be positive.

Thank you for your review and consideration of this matter.

Sincerely,

Beth Krogel Roads
Commission Counsel
