

What contingency plan is contemplated in the event that collections are inadequate to make the December 15, 2007 and subsequent distribution as scheduled?

The RFP indicates that the administrator is required to file a report with the Commission by May 30<sup>th</sup> of each year detailing providers' Indiana retail telecommunications service revenues for the preceding calendar year. The Administrator will not have data for the entire calendar year 2007. Please clarify the Commission's expectations with respect to this report requirement.

Is an Annual Report for 2007 due by February 15, 2008?

Who will be responsible for submitting the March 1, unaudited Annual Financial Statement and the May 30 Indiana retail service revenue report for the prior calendar year, after the contract term expires?

How many retail telecommunications service providers are there in Indiana?

Will the interim administrator have sent each of the Indiana retail telecommunications service providers an introductory package such that the permanent administrator need only send advice of changes?

Will we lose evaluation points if we provide only a holistic approach to the cost and price analysis to support the reasonableness of the price quote versus an itemized approach as described in III.7 and III.8?

Will the administrator have the authority to schedule some carriers reporting and assessment remittance on a quarterly or annual cycle in recognition of factors deemed relevant by the administrator?
