

1. The hard copy RFP stipulates that one electronic copy of the response in MS Word format, an original and three paper copies of the response should be submitted; however, the instructions at the IURC website at http://www.in.gov/iurc/telecom/RFP_index.html states that five copies are required. Does this mean five paper copies?
2. The submission deadline in the hard copy version of the RFP is 12:00 Noon on 10/8/07 while the website instructions say 4:45 PM. Is the later time the current deadline?
3. The RFP states that questions submitted by bidders and the Commission's responses will be posted to <http://www.in.gov/iurc/>. I see the bidder questions at http://www.in.gov/iurc/telecom/RFP_index.html, but I do not see the IURC's responses. Have they been posted yet?
4. If a bidder's teleconference is being scheduled for this week, please add us to your list.
