

**Public Notice of Required Communications Services Tariff Filings**

pursuant to I.C. 8-1-2.6-1.5(d)

Notice requirements have recently changed for communications services tariff filings in Indiana, following the passage of Senate Enrolled Act 492, which was signed into law by Governor Pence on May 11, 2013. The applicable portion of the statute reads, as follows: **"If the commission requires a provider to file a tariff for intrastate switched access service, special access service, or any other service, the filing of the tariff with the commission serves as the public notice of the filing of the tariff. The commission shall provide the public with notice of tariff filings through the commission's Internet web site or other electronic means."** [S.E.A. 492 (2013), SECTION 5, *codified* at Ind. Code 8-1-2.6-1.5-6(d)]. This requirement became effective on July 1, 2013. Posting of this "tariff notice tracker" spreadsheet shall fulfill the Commission's legal obligations under Ind. Code 8-1-2.6-1.5-6(d). No other notice is required by the Commission.
