
IURC Stakeholder Meeting Regarding Clean Portfolio Standard Rules

July 19, 2011

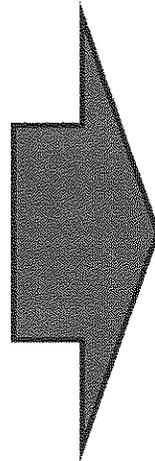

Portfolio Policies

STATUTORY PURPOSE:

To develop energy diversity beyond current energy mix, within the cost expectations of Indiana citizens

POLICY OBJECTIVE:

- New resources to promote energy diversity
- at low cost
- and least risk

VEHICLE:

- Long Term Bundled Power Purchase Agreements

Topics for Today's Discussion

- New Clean Energy Resources
- Clean Energy and CECs
- Just and Reasonable Rates determined by IURC in Application Process
- If an Electricity Supplier fails to comply with Commission Approved Plan they need to file a Revised Plan
- Incentives Awarded After Demonstration of Meeting the Goal
