Re: LSA Document #08-670; IURC RM #07-06

Dear Mr. Asberry:

Pursuant to IC 4-22-2-28, the Indiana Utility Regulatory Commission (“IURC”) received the comments of the Indiana Economic Development Corporation (“IEDC”) regarding the rule changes proposed by the IURC in LSA Document #08-670, amending 170 IAC 1-5, the minimum standard filing requirements (“MSFR”) for a rate case to be decided on an expedited basis. The IEDC’s Comments were received on December 10, 2008, which is more than seven (7) days prior to the Public Hearing scheduled in this matter for Thursday, December 18, 2008, at 9:30 a.m.

The IURC understands that the IEDC has no objection to the economic impact associated with this proposed rule and has no suggested alternatives or changes to this proposed rule. In addition, the IEDC recognized that providing a process to set rates on an expedited and specific schedule is a significant benefit to affected utilities.

Thank you for your review and consideration of this matter.

Sincerely,

Abby R. Gray  
Senior Commission Counsel
