Mr. Hegdal,

While the public hearing is May 24, written comments are not due for another two weeks after than (June 7 at noon). That should give you plenty of time to review the comments. If possible, it is good to send in comments early during the comment period so that we have time to follow up with you if needed. You can send your comments via a scanned PDF if you want to put them on letterhead. I would also appreciate a Word version so that I may copy and paste if needed. Thanks!
