RE: 30-Day Utility Articles for Conference on Wednesday, August 11, 2010 @ 2:00 P.M.

The following thirty-day filings have been submitted to the Commission. Each item was reviewed by the appropriate Commission Technical Divisions and all regulations were met in accordance with 170 IAC 1-6 Thirty-Day Administrative Filing Procedures and Guidelines. Therefore, the following filings listed below and attached hereto are recommended to be considered by the Commission at the next conference:

<u>Attachment Number</u>	<u>30-Day Filing No.</u>	<u>Name of Utility Company</u>	<u>Type of Request</u>	<u>Date Received</u>
1	2689	Communications Corp. of Indiana (CCI)	Intrastate Access Service Request	05/13/2010

Director, Communications Division

**IURC Filing Party:** Communications Corp. of Indiana (CCI)  
**30-Day Filing ID No.:** 2689  
**Date Received:** Initial Filing: 05/13/10; Supplemental Cover Letter: 06/15/2010  
**Filed Pursuant To:** Cause No. 39369 (April 30 and June 2, 1993)<sup>1</sup>; 170 IAC 1-6  
**FCC Transmittal No.:** Tr. 1267 (Nat'l Exchange Carriers Assoc./"NECA")<sup>2</sup>  
**FCC Filing Dates:** 02/22/2010  
**FCC Approval Dates:** 03/06/2010  
**Requests:** In this intrastate (IURC) access tariff filing, CCI proposes to concur in certain changes to the NECA Tariff No. 5 (an interstate tariff) that were filed with the FCC in Transmittal (Tr.) 1267. The changes would allow a customer of a qualifying NECA Special Access Optional Rate Plan to substitute a qualifying replacement plan of the same term length for the current plan, without any liability, if the customer orders the disconnection of the existing services and facilities and the installation of the new services and facilities simultaneously.  
  
The filing also reflects a reduction from fifty percent (50%) to thirty-five percent (35%) in the termination liability penalty for customers that leave one of the existing plans without opting into one of the replacement plans. Finally, the filing revises the list of conditions when Access Order Charges will not apply and reflects the ordering requirements for the special access replacement plans.  
  
CCI is proposing no intrastate (IURC) exceptions to the NECA (FCC) filing in Tr. 1267. This intrastate (IURC) filing affects all TDS Telecom Indiana companies and any non-TDS Telecom companies that concur with CCI's intrastate access tariff and this service.

**Retail Customer Impact:** N/A  
**Tariff Pages Affected:** Various Pages  
**Staff Recommendations:** Requirements met. Recommend approval.

<sup>1</sup> In order to maintain parity and be in compliance with the Commission's Orders in Cause No. 39369, local exchange carriers file changes to their intrastate access parity tariffs in order to mirror the applicable interstate access tariff, or take exceptions to interstate tariffs when their intrastate tariffs are not affected.

<sup>2</sup> CCI does not have its own interstate (FCC) access tariff; it relies upon the NECA Tariff 5.
