LR49-CR13-116 Special Judge Assignments

In the event a change of judge is granted, or an order of disqualification or recusal is entered, in any felony or misdemeanor case pending in a Marion County Superior Court, Criminal Division, the Marion County Clerk shall assign the case to another Marion County judge in the same manner as the initial judge. If this process does not result in the selection of a successor judge, then the Clerk shall appoint a special judge from a list of full-time judicial officers from contiguous counties on a rotating basis.

The Clerk shall maintain the list of these contiguous county judges, and shall select from the list on a rotating basis when appointment under this local rule is required. If a judge is selected, the judge shall not be used again until all other contiguous county judges have served under this rule. If a judge is skipped in the rotation because of ineligibility or disqualification, the judge shall be selected first for the next eligible case.
