Case No. 94S00-1412-MS-762

SUPPLEMENTAL ORDER NO. 6 APPOINTING SENIOR JUDGES

On December 22, 2014, this Court issued an Order authorizing requesting courts to utilize senior judge services, appointing all certified senior judges to all requesting courts, and establishing senior judge service day limits for 2015 for all courts. Subsequently, the presiding judges of the courts listed below requested this Court to appoint senior judges to serve in their respective courts, pursuant to Ind. Code 33-23-3-1.

Lake Superior Court, County Division 2
Madison Circuit Court 1
Orange Circuit Court
Rush Circuit Court
Sullivan Superior Court

We find that these judges have demonstrated a need for senior judge service and that senior judges should be appointed to serve in these courts.

IT IS, THEREFORE, ORDERED that each senior judge certified for service in 2015 is appointed to the courts listed above and each court is authorized to utilize any certified senior judge if that court has executed, in accordance with Admin.R. 5(B)(4), an order naming such senior judge to serve in that court. Such order naming a senior judge must specify the days the senior judge is to serve the court and whether the service is limited to the regular business hours of the court or is for the full twenty-four (24) hours. The senior judge must provide to the presiding

judge, and the presiding judge must attach to the order, a verified written statement from the senior judge that the senior judge does not practice law in the court. The order naming the senior judge must be filed in the Record of Judgments and Orders (RJO) of the court and a copy sent to the Division of State Court Administration. A senior judge may not serve in a requesting court until that requesting court has signed and caused to be entered in the RJO of the court an order naming the senior judge.

The above appointments and authorizations shall remain in effect until December 31, 2015. Pursuant to Admin. R. 5(B)(4) a senior judge is vested with the same jurisdiction as the presiding judge of the court where the senior judge is named, but only during the days that the senior judge is serving in such court. Provided however, Admin. R. 5(B)(4) permits a certified senior judge to officiate at marriages at any time in the same manner as a judge of a trial court. A senior judge may retain jurisdiction in an individual case beyond the day of service if the order of the presiding judge of the court in which the case is pending so orders. The requesting court(s) may by local rule further define the case types, dates and times of service, specific duties, or other assignments of the senior judge(s) named to the court.
