2011 PLAN SUMMARY

Please write a brief summary of the 2011 grant request. Please include information regarding your district's planned activities including committee meetings, training, attorney recognition, newspaper or magazine articles, marketing and promotion. The grant request should cover needs to be addressed, methods, target audience, anticipated outcomes, and how past difficulties will be addressed.

Committee meetings: Our board will meet four times a year, on a quarterly basis. This will help us oversee the number of programs which D10 runs, which at present include a bankruptcy clinic in conjunction with the Maurer School of Law (IUBC); Lawyers in the Library, (LITL) a walk-in, self-referred clinic staffed by volunteer attorneys and law students; Counsel in the Court, (CITC) a similar program located in the Monroe County Justice Building; as well as our regular referral program. The board also supports and helps oversee the Shalom Community Center's HELP clinic, a walk-in clinic run by a local drop-in poverty center, with volunteer attorneys. D10 is also crafting a program with Monroe County judges to recruit, train and support GAL volunteers who will do targeted investigations.

Trainings: We will do at least two CLE trainings a year, in order to support our programs and address perceived need in the legal community.

Attorney recognition: We hold a yearly function in late November or December at a local restaurant, attended by Judge May. Plaques are given to the attorneys in each county who have accumulated the most pro bono hours. Shalom Community Center HELP legal volunteers are also honored at this event. The Fred H. Gregory Memorial Award is given to an attorney who has made a singular commitment to pro bono service. Attorneys are thanked throughout the year with small gifts of flowers and homemade cookies, and will be thanked via our Facebook page, outlined below.

Newspaper or magazine articles: At the suggestion of workshops offered at the Equal Justice Conference, we plan to start a Facebook page, which allows the posting of pro bono opportunities and a weekly pro bono success story. Facebook also allows volunteers and donors to interact with D10 and its volunteer community by commenting or sharing stories.

Marketing and promotion: Help desks also serve as marketing and promotion, both to attorneys and clients. The Monroe County Public Library provided publicity for Lawyers in the Library (LITL) by promoting it in the program guides, website, and community access TV. Counsel in the Court (CITC) has the Monroe County Clerk and judges engaged in making referrals for self-represented litigants, and the signs are posted weekly every Thursday for every client and potential volunteer at the courts to see. Finally, the Monroe County Bar Association is drafting a pro bono resolution which it intends to adopt. The other three counties do not have active bar associations, but meet informally. The PBA and coordinator plan to meet with individual lawyers personally as much as possible.

Needs to be addressed, methods, target audience, anticipated outcomes, and how past difficulties will be addressed. The three help desks D10 runs are an effort to use volunteer attorneys to help local judges in managing increased pro se traffic. Due to funding cuts, LITL will be closing, but we are exploring forming a closer relationship with SCC HELP. We have had increased applications for bankruptcy services and the law school Bankruptcy Clinic (IUBC) has addressed some of these. The difficulty we have had in the IUBC is ensuring that clients follow through with the many steps and paperwork required for bankruptcy. This problem will be addressed by taking only applications where clients have already shown their commitment by completing the pre-bankruptcy counseling required to start the process, and more careful client screening.

2009 REPORT OF VOLUNTEER ATTORNEY CASES IN DISTRICT 10

Please attach additional pages for each pro bono provider that receives IOLTA funding, whether directly or indirectly, in your district. See the sample additional pro bono provider page 3A. Please list one case per each line in the chart below. The information provided in this chart, and the charts immediately following, should be for the calendar year 2009 and not the fiscal year.

Definitions

Case: A legal matter referred to and accepted by a pro bono attorney volunteer. This includes mediation and GAL services.

Volunteer Attorney: An attorney who has rendered pro bono service to at least one low-income client during the year or accepted a pro bono referral from the identified program. This does not include attorneys who are in the list of pro bono volunteers but who have never taken a case. The case numbers do not include cases screened, only cases actually referred to a pro bono attorney. This also includes an attorney who has worked solely on a pending pro bono case that was neither opened nor closed during the reporting year. Volunteer attorneys for modest means programs may be counted, as long as they are separately identified as such.

Case Type: Please use the abbreviations listed in the Indiana Supreme Court Administrative Rule 8(B)(3) or any other defined abbreviation. Please be sure to include the mortgage foreclosure code of MF, if applicable.

Program Name (includes legal service provider, court, plan administrator, bar association, and other organizations or individuals): District 10 Pro Bono Project, Inc. **IOLTA funding accounts for 98% of total pro bono provider budget. Please state the percentage of volunteers and cases which are attributable to IOLTA funding 98%. If this percentage is substantially more than the percentage of IOLTA funding, please explain. (See supplemental sheet for more explanation about the pro bono survey.)**

2009 REPORT OF VOLUNTEER ATTORNEY LIMITED INFORMATION ACTIVITY IN DISTRICT 10

This limited legal information chart can include activities such as pro se clinics and call-in or walk-in informational services.

Please attach additional pages for each pro bono provider that receives IOLTA funding, whether directly or indirectly, in your district. See the sample additional pro bono provider page 4A. Please list each attorney only once in the volunteer attorney column but complete one line for each type of legal information activity for that attorney.

Program Name (includes legal service provider, court, plan administrator, bar association, and other organizations or individuals): **Programs that are run under D10, and thus 98% IOLTA funded, are TTALT (Talk to a Lawyer Today); LITL (Lawyers in the Library); and IU Bankruptcy Clinic. Shalom Community Center HELP (SCC HELP) was started in 2008 by a grant to Shalom Community Center, but now the student coordinator volunteers his time. About 39% of SCC HELP's support comes from D10. (See supplemental page for explanation.)** Starred activities, such as Community Legal Aid Program, (CLAP), of El Centro Comunal, receive no funding from D10 or IOLTA.

2009 REPORT

Please provide a short summary of how the provision of pro bono service is coordinated in your district, including the intake process, the relationships of pro bono providers in the districts, how referrals are made, and how reporting is done. Please provide a short summary of how the provision of pro bono service is coordinated in your district, including the intake process, the relationships of pro bono providers in the districts, how referrals are made, and how reporting is done.

The intake process and how referrals are made: D10 does financial and legal applications over the phone. The client is notified by letter within two weeks of completing his application what help, if any, D10 can offer. Help may include the following:

- A) Referrals to LITL or SCC HELP for assistance with paperwork or short unbundled legal services; (these are counted only if client gets help from those clinics, and in fact every effort is made to send these clients straight to one of these services on the initial call, rather than having them go through D10's application process.)
- B) Assignment to the IU Bankruptcy Clinic;
- C) Placement with a volunteer attorney for full representation or unbundled legal services;
- D) Referral to another clinic or program, including the Pro Bono Appellate Program; and
- E) Referral to online self service forms, usually in conjunction with brief written advice from the PBA or coordinator.

If the decision is made to place a case, the client is notified that finding an attorney may take 30 to 90 days, and that it is not possible to place every case. The PBA and coordinator contact attorneys until the case is placed or it is apparent that the case cannot be placed.

D10 also takes referrals for full representation from LITL, SCC HELP and now Counsel in the Court, or CITC, which began June 3, 2010. CITC has been spearheaded by volunteer attorney Adrian Polit, working closely with D10. CITC will use volunteer attorneys to provide on-site help to pro se family law litigants who are referred by the Monroe County Clerk's Office and Judges.

The relationships of pro bono providers in the district: D10 works with all local pro bono sources by taking or making referrals. We have also cultivated relationships with pro bono services or community partners by creating innovative programs. Maurer School of Law Professor Dennis Long approached D10 with a plan to do pro bono bankruptcies using his students and volunteer attorneys. Shalom Community Center is a drop-in poverty center which started HELP (Homeless Experiencing Legal Protection). D10 works with SCC HELP and local law firms to provide a weekly 3-hour walk-in clinic, overseen by the coordinator and using D10's malpractice insurance. The Monroe County Public Library houses and provides publicity for D10's Lawyers in the Library program; LITL uses volunteer attorneys to provide unbundled legal services to clients two hours a week. Counsel in the Court (CITC) is an offshoot of this program, because Monroe County judges wanted a similar program based within the courthouse itself.

Reporting: Volunteer attorneys fill out a case completion report. Statistics on the number of clients and volunteer attorneys and law students are kept for each of the help desks, LITL, CITC, SCC HELP, every time these clinics meet. D10 tracks all bankruptcies done through the Bankruptcy Clinic. D10 also does its annual Pro Bono Survey, in which every lawyer in the district is asked to report the number of cases and pro bono hours completed.

Please describe any special circumstances affecting your District's 2009 implementation of its plan. Care must be used not to tap out volunteers by besieging them with too many programs or requests for help. A problem particular to the Bankruptcy Clinic was its high client drop-out rate. It made sense to refer clients to the pilot program who had been waiting the longest for a bankruptcy, but these were not necessarily the most motivated clients. Clients are now screened for urgency of situation and willingness to complete bankruptcy counseling quickly.

2011 Budget Narrative

Please provide descriptions of the following line items in the foregoing budget chart, by item number, in the space provided. Please explain any other budget entries that are not self-explanatory, including other sources of income and any significant deviation in requests from previous years.

Line A(2)¹ Budget surplus from 2009 was 40,936.11. This surplus will be reduced during 2010 to \$36,000 because: (a) a previously awarded grant to SCC HELP of \$1,500 was paid in 2010; (b) office equipment, rental, office supplies and mileage are expected to be more than budgeted for 2010, about \$3,436.00 more than budgeted. D10 replaced two failed computers in 2010, and incurred more in rent, supplies and mileage than anticipated because of extra personnel.

Line A(3)²: This includes the Fred H. Gregory Memorial Fund, which was \$5,650 in 2009, and is \$4,656.50 in 2010. This fund was acquired as donations in lieu of funeral flowers for Fred H. Gregory, a prolific pro bono attorney, who died in 2009. As a condition of the donations, this fund is kept separate from D10 operating costs, and provides an annual award to the pro bono attorney who best embodies Fred's ideals. The FHG Memorial Fund is also referenced in non-personnel expenses, Line 11(b)& (c), to reflect that a \$500 cash award will be given to the attorney who wins the award in 2010, and the remaining \$4,156.50 is set aside as an endowment, kept separate from operating expenses, to fund future awards.

Lines (B) (1), (2), (3), (4) Please indicate the number of hours per week for each personnel position, rate of pay, and all employee benefits.

Pro bono administrator: 50,000 per year + health insurance, 40+ hours per week

Pro bono coordinator: 15,000 per year, 15 hours per week, no benefits

Office manager 23,400 per year, 30 hours per week, no benefits

Line (C) (1) Please describe the occupancy cost in terms of square footage, utilities or other amenities and indicate whether the occupancy cost is above or below the market rate for that space: The space is 733 square feet, and at \$700 per month, is \$50/mo below market rate

C (3)³Office Supplies: In 2009's accounting of actual expense, "supplies" includes postage and out-of-county mileage. Mileage in 2009 is local, reimbursed to office manager, because she lives across town from the post office. Mileage for 2010 thus far includes out-of-county mileage, largely reimbursed to law students for the Bankruptcy Clinic.

Supplemental page

Breakdown of cases, page 1:

There were 79 cases carried forward from 2008 into 2009

Of these, 26 received brief services, 3 were placed, 3 are still open (usually reopened), and 36 clients withdrew or were rejected. Thus 29 cases opened in 2008 received help in the year 2009.

As noted, there were 453 people who requested help in 2009 itself.

Of these, 256 received help with brief services, 51 cases were placed, 19 were carried into 2010, and 127 clients withdrew or were rejected.

All told, 336 clients (256+51+29 opened in 2008) received services in 2009.

178 of these clients came through Lawyers in the Library. Out of the LITL cases, 163 clients had problems in Monroe County, 6 had problems in Lawrence, 3 in Greene and 1 in Owen. Five of the LITL clients were Monroe County residents with problems in counties outside of D10's area; however because they want on-the-spot advice, not representation in a remote county, it's efficient to help them. Except for the LITL clients, no statistics by county are available.

D10's annual pro bono survey (see pages 3&4)

Every year, D10 surveys every attorney in the district to see how many attorneys did pro bono work, the hours they put in, and the type of work they do. This supports D10's mission because:

- a) It is a contact to every potential volunteer in D10's district, raises our profile and allows us to get feedback from attorneys;
- b) Attorneys expect to be surveyed, and thus better keep track of their pro bono hours, such that pro bono is thought of as an important part of the legal culture in D10's counties;
- c) The survey allows us to know where attorneys have expertise, and where they like to volunteer, and thus aids in our placing D10 cases and staffing D10 programs; and
- d) The survey uncovers pro bono work that is being done "under the radar," and allows D10 to recognize and appreciate otherwise unsung volunteers.

Cases gathered in the survey are not all D10 cases. The cases which were placed with attorneys through D10 are marked. However, all pro bono work benefits our mission, so all civil work to low income people or groups is listed.

Explanation of SCC HELP and D10 relationship (see pages 5&6)

Shalom Community Center's HELP desk is funded as follows:

The student coordinator's salary of \$15,000 is paid by Shalom Community Center. SCC HELP also provides office supplies for him and volunteers, but figures are not available on those.

D10's part-time attorney, Kristine Kohlmeier, spends about 150 hours per year, or 10% of her time, at SCC HELP to ensure our procedures, since it's our malpractice insurance.

Thus \$3,000 of her salary is attributable to SCC HELP. ($\$30,000 \times .1 = \$3,000$). D10 also gave SCC HELP a grant of \$1,500 for phone and internet. Finally, about half of our malpractice insurance costs of \$2,700, or \$1,350, are attributable to SCC HELP

Using available figures:

$$\$3,000 + \$1,500 + 1,350 = \$5,850.$$

$$\$5,850 / 15,000 = 39\%$$

Attorney Volunteer Information

In effort to help Hoosier families avoid foreclosure, the Indiana Foreclosure Prevention Network (IFPN) is hosting a series of free borrower outreach events to be held at National Guard Armories across the state on September 1st. Cities where events will be held include Indianapolis, Hammond, South Bend, Fort Wayne, Columbus, Evansville, Terre Haute, and Richmond. Borrowers can stop by anytime between 3:00 pm and 8:00 pm (local time) to attend a free workshop, speak with a counselor and begin preparing to work with their lender. The event is free, open to the public, and no registration is required. Please visit www.877gethope.org for more information.

If you would like to volunteer at one of the eight locations, please contact the team leader identified for each location below.
