## 2011 PLAN SUMMARY

**1. Please write a brief summary of the 2011 grant request. Please include information regarding your district's planned activities including committee meetings, training, attorney recognition, newspaper or magazine articles, marketing and promotion. The grant request should cover needs to be addressed, methods, target audience, anticipated outcomes, and how past difficulties will be addressed.**

**Building on Past Success.** In 2009 and 2010 the program made tremendous improvements on the delivery of pro bono services throughout District 2 in the following ways:

- Placed 178 cases in 2009, which is a 249% increase from the 51 cases placed in 2008
- As of June 2010, we have already placed 95 pro bono cases since January 2010
- Developed important relationships with Indiana Legal Services, Inc. and Elkhart Legal Aid Services, Inc.
- Became active members of the St. Joseph County Guardianship Consortium
- Relocated our offices to a more centralized location in downtown South Bend
- Hosted the first ever Ask-A-Lawyer event in Elkhart County and three (3) additional Ask-A-Lawyer events in St. Joseph County during 2009
- Provided multiple CLE opportunities throughout the District by holding three (3) CLE replays of "Attorneys with a Heart" in two (2) different counties, and three (3) mortgage foreclosure trainings in two (2) different counties during 2009
- Hosted a very successful attorney recognition event at Fiddler's Hearth in downtown South Bend, where we awarded a local attorney with the "The Professor Thomas L. Shaffer Award of Exceptional Service Pro Bono Public". This event was partially funded by a generous donation from a local law firm.
- Created website in 2010 allowing attorneys to download volunteer and pro bono hour report forms, as well as, a downloadable application to interested applicants for legal service ([www.volunteerlawyernetnetwork.org](http://www.volunteerlawyernetnetwork.org))

The focus of the program in 2011 will be to improve upon our existing programs and the delivery of quality pro bono assistance to all of District 2 in the following ways:

- Strive to place at least 200 cases in 2011
- Continue to enhance the already established relationships with the other legal service organizations throughout the district, as well as provide all necessary assistance to the St. Joseph County Guardianship Consortium
- Host Ask-A-Lawyer events in St. Joseph and Elkhart Counties, as well as, a combined event for Marshall and Kosciusko Counties
- Provide necessary training to both experienced and new attorneys through free continuing legal education courses, with a focus on providing new attorneys with specialized training on representing their first family law case
- Host a recognition event to acknowledge the incredible efforts of our pro bono attorneys in assisting the poor throughout our district and solicit donations for this event

**New Initiatives for 2011.** Currently, the program is not satisfied with the reporting of pro bono hours throughout the district. It is our belief that pro bono participation is actually 30% higher than what is currently reported through our program. Therefore, we plan to develop a direct form of reporting on our website that allows attorneys to simply enter the information on our webpage, without the need to download and return a form to us.

The program also plans to implement a new strategy for case referral in 2011. The use of email newsletters has been successful in increasing pro bono attorney participation nationwide (a program in Akron, Ohio saw a 500% increase in case placement in the first year of use). The program plans to create a weekly newsletter that will be distributed throughout the district providing small snippets of case information, educational opportunities, and valuable legal information to the local bar. Attorneys would then be able to choose cases, as opposed to us sending them the information about one specific case. Once the system is established, it will streamline the referral process and make it easier for a volunteer attorney to find a case that fits their area of expertise. It is our hope to start this referral system in Elkhart County first and then use it district wide if successful. The program intends to work closely with the Notre Dame Law School to create an externship, which may be eligible for grant funding, to initiate and maintain this program.

**Create Sustainable Funding Sources for 2011 and Beyond.** The program is diligently working on a plan for sustainable long term funding to supplement IOLTA through the following resources:

- Create relationships with the local bar that not only encourages pro bono participation, but also financial contributions
- The program's board of directors plan to work with the local bar, judges, and banks to increase awareness of the need for annual financial giving to our program.
- Research possible grant options with the assistance two grant writers, one of which has agreed to provide this service on a pro bono basis

**2009 REPORT OF VOLUNTEER ATTORNEY CASES IN DISTRICT 2**

Please attach additional pages for each pro bono provider that receives IOLTA funding, whether directly or indirectly, in your district. See the sample additional pro bono provider page 3A. Please list one case per each line in the chart below. The information provided in this chart, and the charts immediately following, should be for the calendar year 2009 and not the fiscal year.

Definitions

Case: A legal matter referred to and accepted by a pro bono attorney volunteer. This includes mediation and GAL services.

Volunteer Attorney: An attorney who has rendered pro bono service to at least one low-income client during the year or accepted a pro bono referral from the identified program. This does not include attorneys who are in the list of pro bono volunteers but who have never taken a case. The case numbers do not include cases screened, only cases actually referred to a pro bono attorney. This also includes an attorney who has worked solely on a pending pro bono case that was neither opened nor closed during the reporting year. Volunteer attorneys for modest means programs may be counted, as long as they are separately identified as such.

Case Type: Please use the abbreviations listed in the Indiana Supreme Court Administrative Rule 8(B)(3) or any other defined abbreviation. Please be sure to include the mortgage foreclosure code of MF, if applicable.

**Program Name** (includes legal service provider, court, plan administrator, bar association, and other organizations or individuals): The Volunteer Lawyer Network, Inc.

**IOLTA funding accounts for 100% of total pro bono provider budget. Please state the percentage of volunteers and cases which are attributable to IOLTA funding 100%. If this percentage is substantially more than the percentage of IOLTA funding, please explain.**

## 2009 REPORT

**Please provide a short summary of how the provision of pro bono service is coordinated in your district, including the intake process, the relationships of pro bono providers in the districts, how referrals are made, and how reporting is done.**

District 2 currently has five (5) providers of free or reduced fee legal services. These providers are: The Volunteer Lawyer Network, Inc., the Notre Dame Legal Aid Clinic, Indiana Legal Services, Inc., Elkhart Legal Aid Services, Inc., and most recently Just Help: Elkhart County Legal Advocacy Center. Until September 2009, there were two organizations that coordinated the use of volunteer community attorneys: The Volunteer Lawyer Network, Inc. and Indiana Legal Services. Since September of 2009, Indiana Legal Services has referred all cases they have deemed appropriate for pro bono placement to The Volunteer Lawyer Network, Inc. At this time, The Volunteer Lawyer Network, Inc. is the only organization in District 2 that maintains a panel of pro bono attorneys and administers a pro bono program.

In terms of intake, our program receives paper applications downloaded from our website and has scheduled telephone intake appointment on Tuesdays and Thursdays. We utilize the PIKA software program for intake and to manage all client cases. Generally, our program receives direct referrals from Indiana Legal Services, Inc., Elkhart Legal Aid Services, Inc., Notre Dame Legal Aid Clinic, judges throughout the district, the St. Joseph and Elkhart County bar associations, local attorneys, the YWCA, Catholic Relief Services, Madison Center, our district's prosecutors' offices, and the Family Justice Center. We maintain a close relationship with each of these programs which results in constant and steady referrals from them.

We refer pro bono cases to attorneys through telephone, email, but most frequently by facsimile. After a referral is made, we make a call-back to the prospective attorney to determine if he/she is interested in representing the client on a pro bono basis. Reporting the hours of volunteer attorney pro bono service is done by our program independent of any other program. We generate pro bono status reports that are sent to all volunteer attorneys for individual attorney pro bono hours and we send a pro bono hour spreadsheet to the larger law firms in the district.

**Please describe any special circumstances affecting your District's 2009 implementation of its plan.**

The year 2009 was a busy and productive year for The Volunteer Lawyer Network, Inc. In April of 2009, a new plan administrator was hired. We implemented new technology to streamline the program's bookkeeping process and subscribed to the PIKA Software System for intake and case management. Additionally, the program moved their offices to downtown South Bend. Although these changes took additional time and energy away from the staff's daily responsibilities, the positive results were apparent immediately after implementation.

The program was successful in increasing volunteer attorney participation in Elkhart County, which had been a struggle in the past. The program was able to more than double the number of pro bono attorneys in Elkhart County from previous years. This was due in part to the first annual Ask-A-Lawyer event that was held in Elkhart County. However, the program was not able to hold an Ask-A-Lawyer event in our two southern counties as we had originally hoped. The program will continue to strive for participation in these two counties in 2011.

The program was able to provide free CLE programming in St. Joseph and Elkhart Counties in 2010. We did two (2) replays of Amazingly Interesting CLE for Attorneys with a Heart in St. Joseph County and one (1) replay in Elkhart County. We also held two (2) of the statewide foreclosure prevention trainings in St. Joseph County and one (1) in southern Elkhart County, which drew attendance from the two southern counties in our district. However, we were not able to provide as much CLE programming as originally anticipated to our more rural attorneys. The program will continue to research better ways to provide incentives for pro bono participation in our outlying counties.

The annual recognition dinner was a great success in 2009 and had the highest attendance to date. We recognized pro bono participation in all four (4) counties in our district and named an outstanding pro bono attorney in each county. The event was well attended by the St. Joseph County Bar and this year's "Professor Thomas L. Shaffer Award of Exceptional Service Pro Bono Publico" went to St. Joseph County attorney Aladean DeRose. We had some attendance from Elkhart County attorneys, but unfortunately we were unable to draw attorneys from our two southern counties. Therefore in the future, it is still the program's hope to provide recognition opportunities in both Marshall and Kosciusko Counties.

## 2011 Budget Narrative

Please provide descriptions of the following line items in the foregoing budget chart, by item number, in the space provided. Please explain any other budget entries that are not self-explanatory, including other sources of income and any significant deviation in requests from previous years.

Lines (B) (1), (2), (3), (4) Please indicate the number of hours per week for each personnel position, rate of pay, and all employee benefits.

---

**Line (B) (1):** The Plan Administrator will work 35-40 hours per week. The Plan Administrator's salary will be \$42,000 plus FICA (\$4,000).

---

---

**Line (B) (2):** The assistant plan administrator will work 25-30 hours per week. The Assistant Plan Administrator's salary will be \$33,000 plus FICA (\$2,500).

---

---

**Line (B) (3):** The administrative assistant will work 35-40 hours per week. The Administrative Assistant will be compensated at a rate of \$12.00 per hour plus FICA (\$1,500).

---

---

**Line (B) (4):** All employees working a minimum of 30 hours per week will be offered some health insurance benefits.

---

Line (C) (1) Please describe the occupancy cost in terms of square footage, utilities or other amenities and indicate whether the occupancy cost is above or below the market rate for that space.

Currently the program is leasing its own office space in downtown South Bend. This space is a private office located on the second floor of a small historic building. The office contains three separate work areas, breakroom/restroom, storage space totaling approximately 1000 square feet. The program currently pays for its own telephone costs, internet services, and ¼ of the total cost of snow removal for the entire building. The program also pays for one monthly parking pass at rate of \$40/month. The currently monthly rate is \$775.00. The current location is believed to be below the fair market value for office space in downtown South Bend.

---

**One supplemental, explanatory page may be added to the end of this report and plan.**

<b>ANNUAL TIMETABLE FOR IOLTA GRANT FORM SUBMISSION:</b>
--

January, April, July and October:	Quarterly IOLTA payments distributed
July 1:	Annual report, plan and grant application due to IPBC
November:	Notification of awards
December 1:	<b>IBF grant agreement due and revised budget due</b>

**Supplemental Page to 2011 Budget Narrative:**

**Line (B) (1):** The Plan Administrator will take a \$3,000 pay decrease from 2010.

---

---

**Line (B) (2):** This position, which was previously titled “Staff Attorney” will be converted into Assistant Plan Administrator. Mary Jo Anderson will continue in this position with an additional weekly time commitment and a pay increase of \$8,000 from 2010.

---

---

**Line (B) (3):** The Administrative Assistant position will now be an hourly position and the rate of pay will decrease by \$5,500.

---

---

**Line (C) (3) – (7):** For 2011, the program has made significant budget cuts to their operating costs to accommodate for the IOLTA funding reductions. These cuts will hopefully be made up through local fundraising efforts.

---

---

**Line (C) (10) – (11):** For 2011, the program has made cuts to the marketing/promotion and Attorney recognition portions of the budget. Because these line items are incredibly important to attorney recruitment and retention, the program is hopeful that local fundraising efforts will supplement any grant allocation cut.
