The IOJA shall promptly present the claim to the Auditor of State for payment. Claims for compensation shall be filed no later than thirty (30) days from the date of service.
 - (8) *Qualification for Benefits.* As provided by statute, a senior judge who is appointed by the Supreme Court to serve for a period equal to or greater than thirty (30) working days is a state employee for purposes for state insurance benefits. A senior judge becomes eligible for state insurance upon appointment. In the event a senior judge fails to serve at least thirty (30) days during any year of appointment, that senior judge's eligibility to state insurance benefits based on senior judge service shall cease and terminate at the end of that year. A senior judge whose eligibility to state insurance benefits has terminated under this subsection may become eligible again if the judge is certified by the Judicial Nominating Commission pursuant to Section (B)(3) of this Rule and is appointed to serve in a court, but only after serving as a senior judge a minimum of

thirty (30) days during the year of appointment. A senior judge who waives per diem pay is entitled to receive senior judge service credit and to state insurance benefits for service that substantially complies with the appointment of the Supreme Court. As used in this rule, term “state insurance benefits” includes group health, life, dental, and vision insurance benefits and other benefits offered by the State of Indiana to its elected officials from time to time.

- (9) *Senior Judge Serving as Mediator.* A senior judge who is also a registered mediator and serves as a mediator in court-ordered mediation pursuant to IC 33-23-3-3, or on a pro bono basis, may receive senior judge service credit for said mediation service provided that the senior judge is not compensated at a rate greater than the per diem rate for senior judges.
- (10) *Senior Judge Serving as an Attorney Surrogate.* A senior judge who is appointed and serves as an Attorney Surrogate under Admission and Discipline Rule 23 § 27 may receive senior judge credit and compensation at the per diem rate for senior judges so long as the senior judge is not being compensated for the services under Admission and Discipline Rule 23 § 27(g). The senior judge shall make the election to receive senior judge credit and compensation within sixty days of the appointment as Attorney Surrogate by filing a notice with the appointing court.

(C) Notice of Commencement or Termination of Term in Office and Employment.

- (1) *Notice by Judges.* Each elected or appointed circuit, superior, county, probate, city, town or small claims court judge shall give notice to the Indiana Supreme Court Division of State Court Administration of:
 - (a) the commencement and termination of the judge's term of office;
 - (b) the employment or termination of any magistrate, referee, commissioner, hearing officer, or other appointed judicial officer, whether such judicial officer is paid by the State of Indiana or by another entity. - (2) A document generated from a digital image produced in accordance with the provisions of this rule is the official record of the Court or Court Agency, regardless of whether or not an original paper document exists.

(D) Microfilm Specifications. Specifications for microfilm equipment, film, and photographic chemicals must meet appropriate standards referenced in section (G) of this rule. However, before a court, clerk, or court agency shall install such a system to create an official record, systems specifications must be forwarded to the Division, in writing, to determine compliance with Trial Rule 77(J).

(E) Digital Imaging Specifications. Specifications for digital imaging systems must meet appropriate standards referenced in section (H) of this rule. However, before a court, clerk, or court agency shall install such a system to create an official record, systems specifications must be forwarded to the Division, in writing, to determine compliance with Trial Rule 77(J).

(F) General Standards.

- (1) Courts, Clerks and Court Agencies shall ensure that records generated by, or received by, the courts are preserved in accordance with the applicable record retention schedules in Administrative Rule 7.
- (2) Records required to be placed in the Record of Judgments and Orders (RJO) as paper or in electronic format, and records with a retention schedule of fifteen (15) years or more, are classified as permanent. Such records must be scanned using a dpi as specified in Administrative Rule 6(H)(2)(a)(ii).
- (3) Microform and Digital Media used for the storage of court records shall be inspected at least annually to verify that no deterioration has occurred, incorporating the appropriate ANSI/AIIM standard for microfilm or for digital data deterioration in accordance with Administrative Rule 6(H)(3)(i). Such inspection results shall be forwarded to the Division, on a form available from the Division.

(G) Microfilm Standards.

- (1) *Documentation.* A formal written documentation file shall be created by the Clerk or the appropriate public agency and retained for the microfilm process, incorporating the following:
 - (a) That every stage of the microfilm process is covered by a written procedure and kept in the documentation file including:
 - (i) Authority to microfilm specific records;
 - (ii) A preparation guide concerning the arrangement of the originals on microfilm;

- (iii) Any policy to select which filed documents will be placed on microfilm;
 - (iv) Any contracts with in-house record custodians or agents of vendors who will perform the actual microfilming (either in-house or through a vendor);
 - (v) Maintenance of the "Certificate of Destruction" form and approval correspondence from the Division.
- (b) The reproduction processes employed to assure accuracy.
 - (c) Verification of each microfilm image against the original for completeness and legibility. The verification process shall be part of the certification procedure submitted to the Division.

 - (e) The identity of supervisors of the microfilming procedures who are capable of giving evidence of these procedures.
 - (f) The retention schedule from Administrative Rule 7 for the documentation matching the expected longevity of the microform.
 - (g) Certification of compliance with this documentation procedure to the Division.
- (2) *Legibility.*
- (a) If a standard is updated or superseded, the most current one applies to those records preserved after its effective date.
 - (b) Resolution. A microform system for source documents shall be tested for resolution capability under procedures set forth in the appropriate section of ANSI/AIIM MS23-2004, both upon installation of the system and at the beginning and end of each roll of microfilm, by use of a camera test chart, such as the "Rotary Camera Test Chart," ANSI/AIIM MS 17-2001; "The Planetary Camera Test Chart," ANSI/ISO Test Chart No. 2, arranged one in each of the four corners of the image area and one in the center; or any equivalent chart incorporating the appropriate camera test charts. Where camera-generated roll microfilm is not used, a microform of the appropriate camera test chart must be generated weekly. Micrographic systems used for court records must meet the following standards for resolution:
 - (i) A micrographic system for source documents must produce a quality index level of not less than 5.0 for third-generation microfilm as measured according to *American National Standard Practice for Operational Procedures/Inspection and Quality Control of First-Generation, Silver-Gelatin Microfilm of Documents*. ANSI/AIIM MS23-2004, In applying this standard, a lower-case letter "e" height of 1.4 millimeters or less must be used;
 - (ii) All pattern groups on the camera test chart must be read. The smallest line pattern (highest numerical designation) in which both horizontal and vertical line direction is clearly discernible is the resolving power of that pattern group. The lowest numerical resolving power of all the pattern groups on the camera test chart is the resolving power of the micrographic system;
 - (iii) The film used in reading the camera test chart must be processed to the density standard of Administrative Rule 6(G)(2)(c)(i);
 - (iv) A computer-output microfilm system must produce quality index of not less than 5.0 for third-generation microfilm as measured according to *American National Standard Practice for Operational Practices/Inspection and Quality Control for Alphanumeric Computer-Output Microforms*. ANSI/AIIM MS1-1996.
 - (v) Conversion of archival data stored on a Digital Master [(H) (1) (g)], may occur at a quality index level of 4.0, upon written pre-approval from the Division.
 - (c) Density. Microfilm systems used for court records must meet the following density standards:
 - (i) The background ISO standard visual diffuse transmission density on microforms shall be appropriate to the type of documents being filmed. The procedure for density measurement is described in ANSI/AIIM MS23-2004 and the densitometer shall be in accordance with ANSI/NAPM 18-1996, for spectral conditions and ANSI/NAPM IT2.19-1994, for geometric conditions for transmission density. Recommended visual diffuse transmission background densities for images of documents are as follows:

Class	Description of documents	Background Density
Group 1....	High-quality, high-contrast printed books, periodicals, and black typing	1.3-1.5
Group 2....	Fine-line originals, black opaque pencil writing, and documents with small high-contrast printing.	1.15-1.4
Group 3....	Pencil and ink drawings, faded printing, and very small printing such as footnotes at the bottom of a printed page.	1.0-1.2
Group 4....	Low-contrast manuscripts and drawing, graph paper with pale, fine-colored lines; letters typed with worn ribbon; and poorly printed, faint documents.	0.8-1.0

- (ii) Background density in first-generation computer-output microfilm must meet ANSI/AIIM MS1-1996.
- (iii) Base Plus Fog Density of Films. The base plus fog density of unexposed, processed films should not exceed 0.10. When a tinted base film is used, the density will be increased. The difference must be added to the values given in the tables in Administrative Rule 6(G) (2)(c)(i).
- (iv) Line or Stroke Width. Due to optical limitations in most photographic systems, film images of thin lines appearing in the original document will tend to fill in as a function of their width and density. Therefore, as the reduction ratio of a given system is increased, the background density shall be reduced as needed to ensure that the copies produced will contain legible characters.

(d) Reduction Ratio. Microfilm systems used for court records shall meet the following reduction ratio standards:

- (i) A reduction ratio for microfilm of documents of 25 to 1 or 24 to 1 or less is required;
- (ii) A reduction ratio for microfilm of documents of greater than 25 to 1 may be used only if the micrographics system can maintain the required quality index at the higher reduction;
- (iii) Computer-output microfilm must be at a reduction ratio ranging from 48 to 1 to 24 to 1.

(3) *Permanency.* For records requiring retention of over fifteen years based on an approved retention schedule under Administrative Rule 7, the following standards shall apply:

- (a) Raw stock microfilm shall be of safety-based permanent record film meeting specification of ANSI/NAPM IT9.6-1991 (R 1966).
- (b) The camera generated master negative microfilm shall be silver-halide silver gelatin, meeting the permanency requirements of ANSI/NAPM IT9.1-1996. Microforms shall be processed in accordance with ANSI/NAPM IT 9.1-1996 and in accordance with processing procedures in ANSI/ AIIM MS196 and ANSI/AIIM MS23-2004.
- (c) The master microfilm record meeting the above standards shall be stored at a site other than the producing Clerk, Court, or Court Agency's structure, in a fireproof vault, meeting ISO 18911:2010.
- (d) In addition to the master microfilm record, which is a security copy, the Clerk, Court, or Court Agency may provide working copies of the microfilm. These may be on silver, diazo, vesicular, dry silver, or transparent electro-photograph film on a safety base of cellulose ester or polyester material.

(H) Digital Imaging Standards.

(1) *Documentation.* A formal written documentation file shall be created by the Clerk or the appropriate public agency and retained for the life of the information stored on the digital medium based upon an approved record retention schedule documenting the following:

- (a) that every stage of the digital imaging process is covered by a written procedure and kept in the documentation file, including:
 - (i) authority to implement digital imaging technology.

- (ii) any selection policy to determine what documents from any file will be imaged. The indexing process shall also identify documents which are subject to approved criteria for purging prior to conversion to a permanent storage medium, and
 - (iii) any contracts with agents of record custodians who will perform the actual digital imaging process;
 - (iv) the metadata for each digital record.
 - (b) the imaging process employed to assure accuracy;
 - (c) verification of the image on a computer screen against the original for completeness and legibility;
 - (d) definition of the indexing system employed with storage in multiple places on the optical disk for security and integrity;
 - (e) the identity of supervisors of the digital imaging procedures who are capable of giving evidence of these procedures; and
 - (f) written certification of compliance with this documentation procedure to the Division.
 - (g) Archival data stored on a digital master shall be converted to microfilm. Retention schedules will be applied to all documents prior to conversion to microfilm. This excludes the scanning system implemented by the Division of State Court Administration as follows:
 - (i) Archived data is maintained on systems that allow upgrade without degradation or loss of data.
 - (ii) Archived data is geo-redundantly stored for disaster recovery purposes.
 - (iii) Archived data is in a file format that can be read by generally available computer systems without proprietary software.
- (2) *Legibility.* The following standards on legibility apply for digital imaging. If a standard is updated or superseded, the most current one applies to those records preserved after its effective date.
- (a) Scanner input shall:
 - (i) Scan office documents at a density of at least 200 dpi.
 - (ii) Scan records deemed permanent according to the retention schedule and as required for placement in the Record of Judgments and Orders, at a minimum of 300 dpi; and
 - (iii) Use a higher scanning resolution, as needed, for poor contrast documents, those containing faded text and those containing fine handwriting or lines, based upon a verification test that includes hard copy reproduction from such scanned documents at various densities, and
 - (iv) Scanning quality must adhere to the standards presented in *Recommended Practices for Quality Control of Image Scanners* ANSI/AIIM MS44-1988 (R1993), incorporating scanner resolution target X441 or X443, depending upon the application.
 - (b) Image enhancement is permissible for lightening or darkening a digital image, improving sharpness or contrast, but applying threshold software to eliminate noise requires prior approval of the Division.
- (3) *Permanency.* The following standards on permanency shall apply for digital imaging: Storage and quality control standards apply only to Digital Masters and not to digital duplicates.
- (a) Digital imaging systems will be built from hardware and software components that are nonproprietary and are based upon open systems architecture.
 - (b) Digital imaging systems will use the Digital Imaging File Format known as TIFF Group 4 digital imaging file format meeting ISO Standard 12639:2004, (or as updated or superseded.) Portable Document Format (PDF), or Portable Document Format for Archive (PDF/A)
 - (c) (Deleted eff. July 1, 2015)
 - (d) System upgrades will provide backward compatibility to existing system or digital data will be converted to the upgrade at the time of such upgrade.
 - (e) The digital master will employ WORM technology as the digital medium.
 - (f) If a CD-ROM is used as a storage medium, it must comply with ISO 9660-1988, *Volume and File Structure of CD-ROM for Information Interchange*. CD-ROM, EO, and DVD media shall not be used for storage of the digital master but may be used for digital duplicates.

- (g) Digital media will have a pre-write shelf life of at least five years and post-write life of twenty years based upon accelerated aging test results that reports on specific disk areas.
- (h) The digital master shall be stored in a dust-free, temperature and humidity-controlled environment, meeting ANSI/AIIM TR25-1995, *Use of Optical Disks for Public Records*.
- (i) The digital media shall be monitored for deterioration using ANSI/AIIM MS59-1996 *Media Error Monitoring and Reporting Techniques for Verification of Stored Data on Optical Digital Data Disks*, and duplicating data to a new or replacement medium when data deterioration reaches the point of loss as described in this standard.
- (j) The scanning system implemented by the Division of State Court Administration is excluded from standard digital media and digital master standards so long as:
 - (i) Archived data is maintained on systems that allow upgrade without degradation or loss of data.
 - (ii) Archived data is geo-redundantly stored for disaster recovery purposes.
 - (iii) Archived data is in a file format that can be read by generally available computer systems without proprietary software.

(I) Hybrid Systems. That portion of a hybrid system producing microforms will be governed by Section (G) of this rule; that portion of a hybrid system producing digital images will be governed by Section (H) of this rule.

(J) Access. Access to a court record created or stored in either or both a microfilm or digital format will be governed according to Administrative Rule 9.

(K) Disposal of Records. Court records which have been preserved in accordance with the standards set out in this rule may be destroyed or otherwise disposed but only after the court or its clerk files a "Destruction Certificate" with the Division certifying that the records have been microfilmed or digitized in accordance with the standards set out in this rule, and the Division issues a written authorization for the destruction of such records. The Division shall make available a form "Destruction Certificate" for this purpose. It is not necessary for a clerk or court to file a "Destruction Certificate" when a clerk or court converts a conventionally filed document into an electronic record as required by Trial Rule 86(F).

Rule 7. Judicial Retention Schedules

I. GENERAL

A. Authority to Dispose of Records.

Clerks of Circuit Court, Judges and other court officers shall dispose of records in the manner set out in this Rule and in accordance with the retention schedules specified herein. The retention schedules set out in this Rule should be presented to the appropriate county records commission, one time only for informational purposes, before disposal of the records. Prior to disposal of judicial records not listed on this schedule, or if special circumstances necessitate the retention or disposal of judicial records in a manner not set forth in this Rule, a circuit court clerk, judge or other officer of the court must seek written authorization from the Division of State Court Administration to maintain or destroy such records.

B. Authorized Formats of Permanent Records.

Records required to be maintained permanently under this Rule may be maintained in their original format, on microfilm, or in electronic format. The record keeping formats plus the quality and permanency requirements employed for permanent records shall be approved by the Division of State Court Administration to ensure compliance with this Rule, Administrative Rule 6, and Trial Rule 77.

- (1) **Microfilmed Records.** Records which may be microfilmed under this Rule must be microfilmed in accordance with the provisions of Administrative Rule 6. The retention schedules will identify which records are authorized to be microfilmed and may provide other specifications such as a time period to maintain a record in its original format before microfilming is permitted.

Microfilming other records is not authorized because the cost of microfilming exceeds the costs of storage for the duration of the retention period. If special circumstances arise, a circuit court clerk, judge, or other officer of the court may seek written authorization from the Division of State Court Administration to microfilm records other than those herein authorized.

- (2) **Records in Electronic Form.** Records which may be maintained electronically under this Rule must be stored and preserved in accordance with the provisions of Administrative Rule 6. Records maintained electronically must be kept so that a hard copy can be generated at any time.

C. Records Authorized for Transfer. Records deemed permanent or authorized for transfer to the Indiana State Archives. Indiana Archives and Records Administration, must follow the Archive's written procedures and use its approved forms before transfer can occur. With the written approval of the Indiana Supreme Court, records authorized for transfer to the Archives Division of the Indiana Archives and Records Administration may be deposited by said Archive with a local repository, such as a historical society, library, archives, or university, as designated by the Archive and meeting the archival standards of the Archive.

D. Retention Schedules.

These retention schedules are based upon assumptions that because certain records exist, others may be destroyed. Due to fire disasters, or other causes, this may not be true for all Indiana counties. Therefore, the first step is to conduct an inventory to determine if records requiring permanent retention or transfer do indeed exist before destroying records by series whose authority for destruction is based on the fact that other records exist.

The list of retention schedules is arbitrarily arranged by type of jurisdiction and not by court, since jurisdictions overlap from court to court with original, concurrent and exclusive jurisdictions. Different courts in different counties can exercise the same jurisdiction. The date of 1790 means that the record potentially could date from the formation of the county.

The format includes a number, as 85-4.3-04, which gives the year of the schedules (1985), the jurisdiction (4.3, or family law/adoptions) and the record series item (04). As new record series are added, additional numbers will be assigned. If a series is amended, it will be followed by an "R" for "revised." The jurisdictions, which can be the same for a number of courts, are classified as:

- 85-1 CIVIL
 - 85-1.1 Civil
 - 85-1.2 Chancery
 - 85-1.3 Lis Pendens Series
 - 85-1.4 Partitions
 - 85-1.5 Dissolution of Marriage
- 85-2 CRIMINAL
- 85-3 ESTATES
 - 85-3.1 Wills
 - 85-3.2 Estates
 - 85-3.3 Guardianships
 - 85-3.4 Trusts
- 85-4 FAMILY LAW
 - 85-4.1 Juvenile
 - 85-4.2 Paternity
 - 85-4.3 Adoption
 - 85-4.4 Birth Certificate Record
- 85-5 COUNTY COURT/MUNICIPAL COURT/SMALL CLAIMS
 - Small Claims
 - Misdemeanors
 - Traffic Infractions
 - Plenary Civil
 - City Civil Jurisdiction
- 85-6 NATURALIZATION
- 85-7 CONCILIATION
- 85-8 SPECIAL JUDICIAL FUNCTIONS
 - 85-8.1 Insanity/Mental Health
 - 85-8.2 Epileptic Hearings
 - 85-8.3 Feeble-Minded Hearings
 - 85-8.4 Riley Hospital Hearings

85-8.5 Children Ordered to Public Hospitals

85-8.6 IU Medical Center Hearings

85-8.7 Receiverships

85-8.8 Drainage

87-9 GENERAL SCHEDULES

II. PROCEDURE

It is critically important that these schedules be carried out exactly as approved since this is your legal authority to do so, and only for the records so listed. Once a record is destroyed, its information is lost. Do not assume that the record under consideration is the record actually authorized for destruction. You must compare both the title and content before a record series can be destroyed. Work in a spirit of caution. If in doubt, save until you can get advice from the Division of State Court Administration or the Indiana Archives and Records Administration.

(4) Filing Sequence. The fourth group shall consist of six (6) characters assigned sequentially to a case when it is filed. It shall begin with a “000001” at the beginning of each year for each case classification (or for each docket book or case pool if more than one case classification is grouped within a single docket or case pool) and continue sequentially until the end of the year. No court is required to change to using six (6) characters in the fourth group to the extent that it requires re-programming that court's existing electronic case management system. The same sequence for each case classification (or for each docket book or case pool if more than one case classification is grouped within a single docket or case pool) shall be used in common for all circuit, probate and superior courts within a county using the same case management system. No court is required to use the same sequence in common to the extent that it requires re-programming that court's existing electronic case management system.

(C) Transferring Cases Between Courts Within County. Whenever a case is transferred between circuit, probate or superior courts within the same county, only the court identifier in the first group of characters in the case number shall be changed. No change shall be made to the fourth group of characters in the case number. The following is an example of how a case number should appear before and after the case has been transferred from one court to another:

55C01-1101-CF-000123 (Case number as it appears in originating court).

55D02-1101-CF-000123 (Case number as it appears in court to which case transferred).

The restriction prohibiting a change to the fourth group of characters does not apply to the extent that implementation of this restriction would require re-programming of the court's existing electronic case management system.

Commentary

The following changes to the uniform case numbering system shall take effect January 1, 2011:

- 1. Administrative Rule 8(2) is amended to require that any case number must contain the month in which a case is filed. (Previously, including the month of filing was optional.) The reason for this change is to facilitate the collection of case filing statistics for periods of time of less than one year.*
- 2. Administrative Rule 8(4) is amended to require that the fourth group of characters (the "filing sequence") in a case number consist of six (6) characters. (Previously, the filing sequence could contain any number of characters up to six (6)). The reasons for this change are to, first, facilitate on-line searches for cases and, second, achieve greater statewide uniformity in the case numbering system. No court is required to comply with this change to the extent that it would require re-programming of that court's existing electronic case management system. In the process of converting a court's legacy data to a new case management system, the filing sequence may be expanded to consist of six (6) characters.*
- 3. Administrative Rule 8(4) is further amended to require that the same sequence for each case classification (or for each docket book or case pool if more than one case classification is grouped within a single docket or case pool) shall be used in common for all circuit and superior courts within a county using the same case management system. (Previously, each court could use its own filing sequence). In addition, Administrative Rule 8 is further amended by adding a new paragraph "C" providing that when a case is transferred between any circuit, probate, and superior court in the same county, only the court identifier is to be changed; the filing sequence is to remain the same. The reason for these changes is to facilitate the transfer of cases between courts in the same county. Without this change, two cases may, after a transfer, have the same case number, requiring a new filing sequence to be assigned. For example, under current practice, C Felony cases could be filed in Circuit and Superior Courts in Morgan County under case numbers 55C01-1101-CF-000123 and 55D01-1101-CF-000123. Absent this amendment, if the case in Circuit Court is transferred to Superior Court, there would be two cases in Superior Court with the case number 55C01-1101-CF-000123. This change will also achieve greater statewide uniformity in the case numbering system. No court is required to comply with this change to the extent that it would require re-programming of that court's existing electronic case management system.*

Rule 9. Access to Court Records

Forms

[Prospective Attorney's Assurance of Confidentiality for Juvenile Paternity Cases](#)

[Form 9-G1 Administrative Rule 9\(G\)\(5\) Notice of Exclusion of Confidential Information from Public Access \(FILED WITH TRIAL COURT CLERK\)](#)

[Form 9-G2 Administrative Rule 9\(G\)\(5\) Notice of Exclusion of Confidential Information from Public Access \(TENDERED IN OPEN COURT\)](#)

(A) Scope and Purposes.

- (1) Pursuant to the inherent authority of the Indiana Supreme Court and pursuant to Indiana Code § 5-14-3-4(a)(8), this rule governs public access to, and confidentiality of, Court Records. Except as otherwise provided by this rule, access to Court Records shall be governed by the Indiana Access to Public Records Act (Indiana Code § 5-14-3-1, et. seq.).
- (2) The purposes of this rule are to:
 - (a) Contribute to public safety;
 - (b) Protect individual Due Process rights and privacy interests;
 - (c) Minimize the risk of injury to individuals;
 - (d) Promote accessibility to Court Records;
 - (e) Promote governmental accountability and transparency;
 - (f) Protect proprietary business information; and
 - (g) Make the most effective use of Court and Clerk of Court staff.

- (3) This rule applies only to Court Records as defined in this rule and does not authorize or prohibit access to information gathered, maintained, or stored by a non-judicial governmental agency or other entity.
- (4) Disputes arising under this rule shall be determined in accordance with this and, to the extent not inconsistent with this rule, by all other rules of procedure, evidence, and appeal.
- (5) This rule applies to all Court Records; however, Clerks or Court and courts need not redact or restrict information that was otherwise public in Case Records and Court Administrative Records created before January 1, 2005.

Commentary

The objective of this rule is to provide maximum public accessibility to Court Records, taking into account public policy interests that are not always fully compatible with unrestricted access. The public policy interests listed above are in no particular order. This rule attempts to balance competing interests and recognizes that unrestricted access to certain information in Court Records could result in an unwarranted invasion of personal privacy or unduly increase the risk of injury to individuals and businesses. This rule recognizes there are strong societal reasons for allowing Public Access to Court Records and denial of access could compromise the judiciary's role in society, inhibit accountability, and endanger public safety.

This rule starts from the presumption of open Public Access to Court Records. In some circumstances; however, there may be sound reasons for restricting access to these records. This rule recognizes that there are times when access to information may lead to, or increase the risk of, harm to individuals. However, given the societal interests in access to Court Records, this rule also reflects the view that any restriction to access must be implemented in a manner tailored to serve the interests in open access. It is also important to remember that, generally, at least some of the parties in a court case are not in court voluntarily, but rather have been brought into court by plaintiffs or by the government. A person who is not a party to the action may also be mentioned in the Court Record. Care should be taken that the privacy rights and interests of such involuntary parties or 'third' persons are not unduly compromised.

Subsection (A)(3) is intended to assure that Public Access provided under this Rule does not apply to information gathered, maintained or stored by other agencies or entities that is not necessary to, or is not part of the basis of, a court's decision or the judicial process. Access to this information is governed by the law and the access policy of the agency collecting and maintaining such information. The ability of a computer in a court or clerk's office to access the information because the computer uses shared software and databases does not, by itself, make the information subject to this rule.

The Division of State Court Administration may provide advisory information to individuals or entities about the provisions, restrictions, and limitations of this rule.

(B) Who Has Access Under This Rule.

- (1) All persons have access to Court Records as provided in this rule, except as provided in section (B)(2) of this rule.
- (2) The following persons, in accordance with their functions within the judicial system, may have greater access to Court Records:
 - (a) Court, Court agency or Clerk of Court employees, including courts of the United States of America and their related court agencies and clerk of court employees;
 - (b) private or governmental persons or entities who assist a court in providing court services;
 - (c) public agencies whose access to Court Records is defined by other statutes, rules, orders or policies;
 - (d) the parties to a case or their lawyers with respect to their own case; and
 - (e) prospective lawyers in juvenile paternity cases and the lawyers' agents, upon the lawyer's filing with the court an *Assurance of Confidentiality* in substantial compliance with the form appended to this Rule.

Commentary

Subsection (B)(1) provides the general rule that all persons, including members of the general public, the media, and commercial and noncommercial entities, are entitled to the same basic level of access to Court Records. Access to Court Records is not determined by who is seeking access or the purpose for seeking access, although some users, such as court employees or the parties to a particular case, may have greater access to those particular records than is afforded the general public.

Subsection (B)(2) provides the exception to the general rule and specifies the entities and persons for whom courts may provide greater access. This greater level of access is a result of the need for effective management of the judicial system and the protection of the right to a fair trial.

The means of access may depend upon the form in which the Court Record exists. Certain circumstances relating to compilation or Bulk Distribution of information gleaned from Court Records may affect access to Court Records.

(C) Definitions. For purpose of this rule:

- (1) “Court Record” means both Case Records and Court Administrative Records.
- (2) “Case Record” means any document, information, data, or other item created, collected, received, or maintained by a Court, Court agency or Clerk of Court in connection with a particular case.
- (3) “Court Administrative Record” means any document, information, data, or other item created, collected, received, or maintained by a Court, Court agency, or Clerk of Court pertaining to the administration of the judicial branch of government and not associated with any particular case.
- (4) “Court” means the Indiana Supreme Court, Court of Appeals, Tax Court, and all Circuit, Superior, Probate, City, Town, or Small Claims Courts.
- (5) “Clerk of Court” means the Clerk of the Indiana Supreme Court, Court of Appeals, and Tax Court, the Clerk of a Circuit, Superior, or Probate Court, the Clerk of a City or Town Court, and the Clerk of a Marion County Small Claims Court, including staff.
- (6) “Public Access” means the process whereby a person may inspect and copy a Court Record.
- (7) “Remote Access” means the ability of a person to inspect and copy information in a Court Record in electronic form through an electronic means.
- (8) “In Electronic Form” means any information in a Court Record in a form that is readable through the use of an electronic device, regardless of the manner in which it was created.
- (9) “Bulk Distribution” means the distribution of all, or a significant subset of, the information in Court Records in electronic form, as is, and without modification or compilation.
- (10) “Compiled Information” means information that is derived from the selection, aggregation or reformulation of some of all, or a subset of all, the information from more than one individual Court Record in electronic form.

Commentary

“Case Record” refers to records connected with a particular case. It does not include other records maintained by the Clerk of Court, including, but not limited to, election records, marriage and other license functions; copies of notary bonds; oaths and certificates of public officials other than oaths of judicial officers and attorneys; lists, including those for distressed sales, licensed child placing agencies; reports of perpetual care of cemetery endowment accounts; and certificates of inspection and compliance of chemicals and chemical tests results and certifications of breath test operators; delinquency personal property taxes; hunting and fishing licenses; conflict of interest statements, passports; and the filing of reports from state agencies, such as the Alcohol Licensing Board.

The definition of Case Record is medium neutral and access neutral, and is intended to apply to every Case Record, regardless of the manner in which it was created, the form(s) in which it is stored, or other form(s) in which the information may exist.

A “Court Administrative Record” may include, but not be limited to, the roll of attorneys, rosters of medical review panels and group legal services, records relating to elections to the Judicial Nominating Commission, statistical reports, local Court rules, jury pool list records, general court orders, budget and expenditure records, and record of receipts of funds. The term “Court agency” in subsection (C)(3) includes without limitation the Indiana Judicial Center and the Judicial Conference of Indiana.

(D) General Access Rule.

- (1) A Court Record is accessible to the public except as provided in section 9(G).
- (2) This rule applies to all Court Records, regardless of the manner of creation, method of collection, form of storage, or the form in which the record is maintained.
- (3) If a Court Record, or portion thereof, is excluded from public access, there shall be a publicly accessible indication of the fact of exclusion but not the content of the exclusion. This sub-section (3) does not apply to court proceedings or Court Administrative Records which are confidential pursuant to law.
- (4) A Court may manage access to audio and video recordings of its proceedings to the extent appropriate to avoid substantial interference with the resources or normal operation of the court and to comply with Indiana Judicial Conduct Rule 2.17 [former Canon 3(B)(13)]. This provision does not operate to deny to any person the right to access a Court Record under Rule 9(D)(1).

Commentary

The objective of this section is to make it clear that this rule applies to information in the Court Record regardless of the manner in which the information was created, collected or submitted to the court. Application of this rule is not affected by the means of storage, manner of presentation or the form in which information is maintained. To support the general principle of open access, the application of the rule is independent of the technology or the format of the information.

Subsection (D)(3) requires that any and all redactions be identified. The phrase “not-public information” or an equivalent designation may be used.

(E) Remote Access and Fees. Courts should endeavor to make at least the following information, when available in electronic form, remotely accessible to the public unless public access is restricted pursuant to section 9(G):

- (1) Litigant/party indexes to cases filed with the Court;
- (2) Listings of new case filings, including the names of the parties;
- (3) The Chronological Case Summary of cases;
- (4) Calendars or dockets of Court proceedings, including case numbers and captions, date and time of hearings, and location of hearings;
- (5) Judgments, orders, or decrees.

Upon the request and at an amount approved by the majority of judges of courts of record in the county, the County Board of Commissioners may adopt an electronic system fee to be charged in conjunction with electronic access to Court Records. The fee must be approved by the Division of State Court Administration. In the instance of records from multiple courts, the Supreme Court may adopt such a fee. The method of the fee's collection, deposit, distribution and accounting must be approved by the Indiana State Board of Accounts.

Commentary

In addition to any fees charged under this rule, Sections (C)(9) and (10) provide that courts may charge for the fair market value of bulk and compiled information. This rule does not impose an affirmative obligation to preserve information or data or to transform information or data received into a format or medium that is not otherwise routinely maintained by the court. While this section encourages courts to make the designated information available to the public through remote access, this is not required, even if the information already exists in an electronic format.

(F) Bulk Distribution and Compiled Information.

- (1) Upon written request as provided in this section (F), Bulk Distribution or Compiled Information that is not excluded by Section 9(G) of this rule may be provided.
- (2) Except as provided in (c):
 - (a) Requests for Bulk Distribution or Compiled Information shall be made to the Executive Director of the Division of State Court Administration or other designee of the Indiana Supreme Court. The Executive Director or other designee may forward such request to a Court exercising jurisdiction

over the records, and in the instance of records from multiple Courts, to the Indiana Supreme Court, for further action. Requests will be acted upon or responded to within a reasonable period of time.

- (b) The Executive Director of the Division of State Court Administration or other designee of the Indiana Supreme Court may, summarily and without execution of a User Agreement, approve a request for compiled information made by individuals or entities having a substantial interest or a bona fide research activity for scholarly, journalistic, political, governmental, research, evaluation or statistical purposes, provided the requested data:
- will not be resold;
 - will not be used for a commercial purpose;
 - does not contain confidential data;
 - is not bulk (raw) data and
 - does not contain financial data.
- (c) Courts and clerks within a judicial circuit may provide nonconfidential, compiled information from their case management system in response to a news media request for information that is normally available to the public via public access.
- (3) With respect to requests for Case Record information not excluded from Public Access by Section 9(G) of this rule, the request for Bulk Distribution or Compiled Information may be denied by the Executive Director, designee or a court of a judicial circuit using a case management system other than Odyssey upon determination that the information sought is not consistent with the purposes of this rule, that resources are not available to prepare the information, and that fulfilling the request is an inappropriate use of public resources. The grant of said request may be made contingent upon the requestor paying an amount which the Court determines is the fair market value of the information.
- (4) With respect to requests for Bulk Distribution or Compiled Information that include information excluded from Public Access pursuant to Section 9(G) of this rule:
- (a) such requests must be verified and can only be made by individuals or entities having a substantial interest or a bona fide research activity for scholarly, journalistic, political, governmental, research, evaluation or statistical purposes, and wherein the identification of specific individuals is ancillary to the purpose of the inquiry. Each request under this sub-section (4) must:
- (i) fully identify the requestor and describe the requestor's interest and purpose of the inquiry;
 - (ii) identify what information is sought;
 - (iii) describe the purpose for requesting the information and explain how the information will benefit the public interest or public education;
 - (iv) explain provisions for the secure protection of any information requested to which Public Access is restricted or prohibited;
 - (v) provide for individual notice to all persons affected by the release of information, unless, upon prior notice to the Indiana Attorney General and a reasonable opportunity to respond, such individual notice requirement is waived by the Supreme Court;
 - (vi) demonstrate by clear and convincing evidence that the public interest will be served by allowing access, that denying access will create a serious and imminent danger to the public interest, or that denying access will cause a substantial harm to a person or third parties.
- (b) Upon receiving a request pursuant to this sub-section (F)(4), the Supreme Court may permit objections by persons affected by the release of information, unless individual notice required under (F)(4)(a)(v) is waived by the Supreme Court.
- (c) The request may be granted only upon determination by the Supreme Court that the information sought is consistent with the purposes of this rule, that resources are available to prepare the information, and that fulfilling the request is an appropriate use of public resources, and further upon finding by clear and convincing evidence that the requestor satisfies the requirements of subsection (F)(4)(a), and that the purposes for which the information is sought substantially outweighs the privacy interests protected by this rule. An order granting a request under this

subsection may specify particular conditions or requirements for use of the information, including without limitation:

- (i) The confidential information will not be sold or otherwise distributed, directly or indirectly, to third parties;
 - (ii) The confidential information will not be used directly or indirectly to sell a product or service to an individual or the general public;
 - (iii) The confidential information will not be copied or duplicated other than for the stated scholarly, journalistic, political, governmental, research, evaluation, or statistical purpose; and
 - (iv) The requestor must pay reasonable costs of responding to the request, as determined by the Court.
- (d) When the request includes release of social security numbers, dates of birth, or addresses, the information provided may include only the last four digits of social security numbers, only the year of birth, and only the zip code of addresses. The restrictions on release of social security numbers, dates of birth, and addresses may be waived only upon a petition to the Executive Director of the Division of State Court Administration and a finding of exceptional circumstances by the Indiana Supreme Court.

Commentary

Section (F)(3) authorizes Courts, in their discretion, to provide access to Bulk Distribution and Compiled Information that is accessible to the public. It does not require that such information be made available. Permitting Bulk Distribution or Compiled Information should not be authorized if providing the data will interfere with the normal operations of the court.

In allowing bulk or compiled data requests, Courts must limit bulk data to Court Records, even if those requesting this information are seeking other information which is governed by other agencies' policies.

Generating compiled data may require Court resources and generating the Compiled Information may compete with the normal operations of the Court for resources, which may be a reason for the Court not to compile the information. However, it may be less demanding on Court resources to instead provide Bulk Distribution of the requested information pursuant to section (D)(3), and let the requestor, rather than the Court, compile the information. Courts may charge for the fair market value of bulk or Compiled Information provided under Section (F)(3).

Section (F)(4) allows only the Supreme Court to grant requests for bulk or Compiled Information that is excluded from Public Access and only when the request is made by research and/or governmental entities. The general intent of (F)(4)(d) is that the last four digits of social security numbers and years of birth, rather than entire birth dates and social security numbers, are sufficient for matching records and to ensure that someone is correctly identified in bulk or compiled records. Courts should provide more complete social security numbers or other identifying information only in extraordinary circumstances.

- (4) *Excluding Other Court Records From Public Access.* In extraordinary circumstances, a Court Record that otherwise would be publicly accessible may be excluded from Public Access by a Court having jurisdiction over the record, provided that each of the following four requirements is met:
- (a) Verified written request. A verified written request to prohibit Public Access to a Court Record may be made by any person affected by the release of the Court Record. The request must demonstrate that:
 - (i) The public interest will be substantially served by prohibiting access; or
 - (ii) Access or dissemination of the Court Record will create a significant risk of substantial harm to the requestor, other persons or the general public; or
 - (iii) A substantial prejudicial effect to on-going proceedings cannot be avoided without prohibiting Public Access.

When this request is made, the request and the Court Record will be rendered confidential for a reasonable period of time until the Court rules on the request.
 - (b) Notice and Right to Respond.
 - (i) The person seeking to prohibit access has the burden of providing notice to the parties and such other persons as the Court may direct.

- (ii) The person seeking to prohibit access must provide proof of notice to the Court or the reason why notice could not or should not be given consistent with the requirements found in Trial Rule 65(B).
 - (iii) A party or person to whom notice is given shall have twenty (20) days from receiving notice to respond to the request.
- (c) Public Hearing.
- (i) A Court may deny a request to prohibit Public Access without a hearing.

 - (iii) Following public notice, the Court must hold a hearing on the request to prohibit Public Access to a Court Record.
- (d) Written Order. Following a hearing, a Court may grant a request to prohibit Public Access by a written order that:
- (i) States the reasons for granting the request;
 - (ii) Finds the requestor has demonstrated by clear and convincing evidence that any one or more of the requirements of 9(G)(4)(a) have been satisfied;
 - (iii) Balances the Public Access interests served by this rule and the grounds demonstrated by the requestor; and
 - (iv) Uses the least restrictive means and duration when prohibiting access.
- (5) *Procedures for Excluding Court Records From Public Access.*
- (a) Notice to maintain exclusion from Public Access.
- (i) In cases where the Court Record is excluded from Public Access pursuant to 9(G)(2), 9(G)(3), or 9(G)(4), the party or person submitting the confidential record must provide the following notice that the record is to remain excluded from Public Access:
 - a. *Pleadings or Papers.* A Court Record filed with the Clerk of Court that is to be excluded from Public Access must be accompanied by separate written notice identifying the specific 9(G)(2) or 9(G)(3) ground(s) upon which exclusion is based. See Form 9-G1.
 - b. *Exhibits.* A Court Record tendered or admitted into evidence during an *in camera* review, hearing, or trial that is to be excluded from Public Access must be accompanied by separate written notice identifying the specific 9(G)(2) or 9(G)(3) ground(s) upon which exclusion is based. See Form 9-G2.
 - c. *Oral statements in transcript on appeal.* If any oral statement(s) contained in the transcript on appeal is to be excluded from Public Access, then during the hearing or trial, the Court Reporter must be given notice of the exclusion and the specific 9(G)(2) or 9(G)(3) ground(s) upon which that exclusion is based. If notice was not provided during the hearing or trial, any party or person may provide written notice in accordance with Appellate Rules 28(F)(3)(c) or (4). The Court Reporter must comply with Appellate Rules 28(F) and 29(D) when preparing the transcript on appeal.
 - (ii) In cases where all Court Records are excluded from Public Access in accordance with Administrative Rule 9(G)(1), no notice of exclusion from Public Access is required.
- (b) Green paper requirements. Where only a portion of the Court Record has been excluded from Public Access pursuant to 9(G)(2) or 9(G)(3), the following requirements apply:
- (i) *Public Access Version.* If a portion of a document filed or exhibit tendered contains confidential Court Records to be excluded from Public Access, the document or exhibit must be filed on white paper and any Court Record to be excluded from Public Access shall be omitted or redacted from this version. The omission or redaction shall be indicated at the place it occurs in the Public Access version. If the entire document is to be excluded from Public Access, the 9(G)(5)(a) Notice filed with the document will serve as the Public Access Version.
 - (ii) *Non-Public Access Version.*

- a. If the omission or redaction in accordance with 9(G)(5)(b)(i) is not necessary to the disposition of the case, the excluded Court Record need not be filed or tendered in any form and only the Public Access version is required. The Administrative Rule 9(G)(5)(a) Notice should indicate this fact. See Form 9-G3.
- b. If the omission or redaction in accordance with 9(G)(5)(b)(i) is necessary to the disposition of the case, the excluded Court Record must be separately filed or tendered on green paper and conspicuously marked “Not for Public Access” or “Confidential,” with the caption and number of the case clearly designated and:
 - i. If the Court Record is omitted or redacted from an exhibit, attachment, appendix, transcript, evidentiary designation, or similar document, then the separately filed or tendered Non-Public Access version shall consist only of the omitted or redacted Court Record on green paper, with a reference to the location within the Public Access Version to which the omitted or redacted material pertains.
 - ii. If the Court Record is omitted or redacted from a motion, memorandum, brief, or similar document containing substantive legal argument, then the separately filed Non-Public Access version shall consist of a complete, consecutively-paginated replication including both the Public Access material on white paper and the Non-Public Access material on green paper.
- (iii) The green paper requirements set forth in 9(G)(5)(b) do not apply to cases in which all Court Records are excluded from Public Access pursuant to 9(G)(1).

With respect to documents filed in electronic format, the Court may, by rule, provide for compliance with this rule in a manner that separates and protects access to Court Records excluded from Public Access.

(6) *Waiver, Failure To Exclude, Improper Exclusion, and Sanctions.*

- (a) Waiver of right to exclude Court Record from Public Access.
 - (i) The party or person affected by the release of the Court Record may waive the right to exclude the Court Record from Public Access.
 - (ii) After waiver, a party or person seeking to reassert the right to exclude the Court Record from Public Access may do so only by complying with 9(G)(4).
- (b) Failure to exclude Court Record from Public Access.
 - (i) Unless waived, the right to exclude a Court Record that is expressly declared confidential pursuant to 9(G)(1), 9(G)(2), or 9(G)(3) is never forfeited by the failure to comply with any provision of 9(G).
 - (ii) Immediately upon learning that a Court Record declared confidential pursuant to 9(G)(1), 9(G)(2), or 9(G)(3) was not excluded from Public Access, the party submitting such Court Record must comply with the requirements of 9(G) to ensure proper exclusion.
- (c) Improper exclusion of Court Record from Public Access.
 - (i) Only Court Records declared confidential pursuant to 9(G)(1), 9(G)(2), or 9(G)(3) may be excluded from Public Access.
 - (ii) If a court determines that Court Records are excluded from Public Access without first satisfying 9(G)(1), 9(G)(2), or 9(G)(3), the Court Records shall be made available for Public Access seven (7) days after notice to the parties and any person affected by the release, unless the requirements of 9(G)(4) are thereafter satisfied.
 - (iii.) If a court denies a 9(G)(4) request to exclude a Court Record from Public Access or if a Court Record is required to be made available for Public Access pursuant to 9(G)(6)(c)(ii), the party that originally submitted the Court Record as a Non-Public Access document is responsible for immediately resubmitting the Court Record as a Public Access Document.
- (d) Sanctions. The failure to comply with any provision of 9(G) can subject counsel or a party to sanctions.

(7) *Obtaining Access to Court Records Excluded from Public Access.*

- (a) A Court Record that is excluded from Public Access under this rule may be made accessible if:
 - (i) Each person affected by the release of the Court Record waives confidentiality by

- intentionally releasing such Court Record for Public Access pursuant to 9(G)(6)(a); or
- (ii) A Court with jurisdiction over the case declares:
 - a. the Court Record should not have been excluded from Public Access;
 - b. the 9(G)(4) order was improper or is no longer appropriate;
 - c. the Court Record is essential to the resolution of litigation; or
 - d. disclosure is appropriate to further the establishment of precedent or the development of the law.
- (b) A Court Record that is excluded from Public Access under this rule also may be made accessible provided the following four conditions are met:
 - (i) Verified written request. The person seeking access to the Court Record must file with the Court having jurisdiction over the record a verified written request demonstrating that:
 - a. Extraordinary circumstances exist requiring deviation from the general provisions of this rule;
 - b. The public interest will be served by allowing access;
 - c. Access or dissemination of the Court Record creates no significant risk of substantial harm to any party, to third parties, or to the general public;
 - d. The release of the Court Record creates no prejudicial effect to on-going proceedings; or
 - e. The Court Record should not be excluded for Public Access under 9(G)(1), 9(G)(2) or 9(G)(3).

When a request is made for access to Court Records excluded from Public Access, the Court Record will remain confidential until the Court rules on the request.

- (ii) Notice and Right to Respond.
 - a. The person seeking access has the burden of providing notice to the parties and such other persons as the Court may direct.
 - b. The person seeking access must provide proof of notice to the Court or the reason why notice could not or should not be given consistent with the requirements found in Trial Rule 65(B).
 - c. A party or person to whom notice is given shall have twenty (20) days from receiving notice to respond to the request.
- (iii) Public Hearing.
 - a. A Court may deny a request to provide access without a hearing.
 - b. If the Court does not initially deny the request, it shall post advance public notice of the hearing consistent with the notice requirements found in I.C. §5-14-2-5.
 - c. Following public notice, the Court must hold a hearing on the request to allow access to the Court Record.
- (iv) Written Order. Following a hearing, a request to allow access to Court Records may be granted upon the issuance of a written order that:
 - a. States the reasons for granting the request;
 - b. Finds the requestor has demonstrated by clear and convincing evidence that any one or more of the requirements of 9(G)(7)(b)(i) have been satisfied; and
 - c. Considers the Public Access and the privacy interests served by this rule and the grounds demonstrated by the requestor.
- (c) A Court may place restrictions on the use or dissemination of the Court Record to preserve confidentiality.

Commentary

As noted previously, Rule 9 starts from the presumption of open public access to court records. To address those limited circumstances where federal statute, state statute, or court rule has declared Court Records to be confidential, this section provides the mechanism by which these confidential Court Records are to be excluded from Public Access.

Section G(1) begins by recognizing that, in some instances, an entire case must be excluded from Public Access because all Court Records have been declared confidential, but Sections G(2) and (3) make clear that in most instances it is only individual Case or Administrative Records that have been declared confidential. As provided in Ind. R. Evid. 201(b)(5), a court can take judicial notice of the records of any court of this state, which includes the juvenile records of another court of this state.

This section does not limit the authority of a judge in a particular case to order the sealing of particular records pursuant to the specific requirements of I.C. §5-14-3-5.5 or to enter an order excluding Court Records from Public Access in accordance with the specific requirements of G(4). No other type of court order is sufficient to seal or exclude Court Records from Public Access.

Section G(4) addresses those extraordinary circumstances in which information that is otherwise publicly accessible nonetheless is to be excluded from Public Access. This section generally incorporates a presumption of openness and requires compelling evidence to overcome this presumption, as well as public notice, a public hearing, and a written order containing specific findings. While a request made under Section G(4) treats the Court Record as confidential from the time of filing or tendering until the court rules on the request, parties should be aware that their request is not retroactive. Copies of the Court Record already may have been disseminated prior to any G(4) request, and action taken under G(4) will not affect those records.

Section G(5) provides the specific procedures for excluding Court Records from Public Access. The party or person submitting the confidential record has the burden of providing separate, written notice identifying the grounds upon which exclusion is based. See Forms 9-G1 and 9-G2. The act of filing a Court Record on green paper does not constitute the required notice.

The 9(G)(5)(a)(i)(c) notice requirements for excluding oral statements contained in a transcript apply only to transcripts that are filed with the Clerk by the Court Reporter for use on appeal. The requirements of this provision do not apply to private transcripts that are never filed with the Clerk. If a party or person thereafter files or tenders that private transcript to the Clerk or Court, then the notice requirements in 9(G)(5)(a)(i)(a) or (b) will apply.

In addition to the separate written notice, in most instances, Section G(5)(b) requires filing or tendering of both a Public Access version and a Non-Public Access version. The Public Access version is to be on white paper, with the confidential information redacted (if it is only part of a page) or omitted (if it is a whole page). If a whole page is omitted, some type of notation must be made at the precise place in the Public Access version indicating where the omission occurred. The Non-Public-Access version is to be on green paper and must contain the confidential material redacted or omitted from the Public Access version, unless the omitted or redacted confidential material is not necessary to the disposition of the case (such as a social security number, a bank number, etc.), in which instance the redacted or omitted material need not ever be separately tendered or filed on green paper and only a Public Access version is required.

Section G(6) permits waiver of confidentiality by the party or person affected by the release of the Court Record, but in all other instances in which a Court Record has been declared confidential pursuant to 9(G)(1), 9(G)(2), or 9(G)(3), such confidentiality is not forfeited.

If a court determines that a party has improperly excluded Court Records from Public Access without first satisfying G(1), G(2), or G(3), those records shall be made available for Public Access unless, within seven days after notice of the improper exclusion has been sent, the party or person affected by the release of such records files a verified request to exclude pursuant to G(4).

Section G(7) is intended to address those extraordinary circumstances in which confidential information or information which is otherwise excluded from Public Access is to be included in a release of information. In some circumstances, the nature of the information contained in a record and the restrictions placed on the accessibility of the information contained in that record may be governed by federal or state law. This section is not intended to modify or overrule any federal or state law governing such records or the process for releasing information.

(H) When Court Records May Be Accessed.

- (1) Court Records which are publicly accessible will be available for Public Access in the courthouse during regular business hours established by the court. Court Records in electronic form to which the court allows Remote Access under this policy will be available for access during hours established by the court, subject to unexpected technical failures or normal system maintenance announced in advance.

- (2) Upon receiving a request pursuant to section 9(F)(4) or 9(G) of this rule, a court will respond within a reasonable period of time.

Commentary

This section does not preclude or require “after hours” access to Court Records in electronic form. Courts are encouraged to provide access to records in electronic form beyond the hours access is available at the courthouse, however, it is not the intent of this rule to compel such additional access.

(I) Contracts With Vendors Providing Information Technology Services Regarding Court Records.

- (1) If a court or other private or governmental entity contracts with a vendor to provide information technology support to gather, store, or make accessible Court Records, the contract will require the vendor to comply with the intent and provisions of this access policy. For purposes of this section, the term “vendor” also includes a state, county, or local governmental agency that provides information technology services to a court.
- (2) Each contract shall require the vendor to assist the court in its role of educating litigants and the public about this rule. The vendor shall also be responsible for training its employees and subcontractors about the provisions of this rule.
- (3) Each contract shall prohibit vendors from disseminating bulk or Compiled Information, without first obtaining approval as required by this Rule.
- (4) Each contract shall require the vendor to acknowledge that Court Records remain the property of the court and are subject to the directions and orders of the court with respect to the handling and access to the Court Records, as well as the provisions of this rule.
- (5) These requirements are in addition to those otherwise imposed by law.

Commentary

This section is intended to apply when information technology services are provided to a court by an agency outside the judicial branch, or by outsourcing of court information technology services to non-governmental entities. Implicit in this rule is the concept that all Court Records are under the authority of the judiciary, and that the judiciary has the responsibility to ensure Public Access to Court Records and to restrict access where appropriate. This applies as well to Court Records maintained in systems operated by a Clerk of Court or other non-judicial governmental department or agency.

This section does not supersede or alter the requirements of Trial Rule 77(K) which requires that, before Court Records may be made available through the internet or other electronic method, the information to be posted, its format, pricing structure, method of dissemination, and changes thereto must receive advance approval by the Division of State Court Administration.

(J) Immunity for Disclosure of Protected Information.

A Court, court agency, or Clerk of Court employee, official, or an employee or officer of a contractor or subcontractor of a court, court agency, or clerk of court who unintentionally and unknowingly discloses confidential or erroneous information is immune from liability for such a disclosure.

Commentary

This immunity provision is consistent with the immunity and protections provided by Indiana statute as found at IC 5-14-3-10(c).

Rule 10. Security of Court Records

(A) Court Responsibilities. All court records are the exclusive property of the courts and subject to the authority of the Supreme Court of Indiana. Each judge is administratively responsible for the integrity of the judicial records of the court and must ensure that (a) the judicial records of the court are recorded and maintained pursuant to Supreme Court directives, and (b) measures and procedures are employed to protect such records from mutilation, false entry, theft, alienation, and any unauthorized alteration, addition, deletion, or replacement of items or data elements.

Commentary

The court is required to preserve the integrity of audio and video recordings of court proceedings. The judge may employ various methods for ensuring the recording is not altered, including but not limited to supervised playback for listening or copying, creating a copy of the recording for use during said playback, serving notice to the parties that the recording is being accessed, and providing a copy, clearly identified as such. As prescribed by Indiana Judicial Conduct Rule 2.17 [former Canon 3(B)(13)], because the court is further required to prohibit broadcasting or televising court proceedings, the court may employ methods to restrict publication of copies of court proceedings made during the pendency of the case.

(B) Clerk Responsibilities. Each Clerk is the custodian of all court records and is responsible for the maintenance of court records pursuant to the directives of the Supreme Court of Indiana, and the judges of the trial courts directly served by the Clerk. The Clerks of the court must safeguard the integrity and security of all court records in their custody and diligently guard against any prohibited practice.

(C) Prohibited Practices. The following practices are prohibited and may subject an individual to contempt of court or constitute damage to a public record under IC 35-43-1-2(a):

- (1) Mutilation, vandalism, or theft;
- (2) False entry, unauthorized alterations, additions, or deletions or replacement of item or data elements;
- (3) Alienation or any unauthorized release of court records;
- (4) Use of non-reversible lamination; and
- (5) Use of unauthorized repair procedures on records deemed permanent under Administrative Rule 7.

(D) Reconstruction of Records. Trial courts of this state, after a hearing, may reconstruct judicial records that have been lost or destroyed. A judicial officer whose court exercised jurisdiction of a case whose records have been lost or destroyed may reconstruct the lost or destroyed records, under the procedures set forth in this rule, and any party or interested person, for good cause shown, may file a verified petition seeking a judicial ruling on reconstruction from the best available sources. Notice of the petition shall be given by the petitioner in accordance with the Indiana Rules of Trial Procedure to all parties and any other interested persons in advance of the hearing, which shall take place no sooner than sixty (60) days after the petition is filed, unless good cause exists for a shorter period. Unless determined otherwise by the court, costs of notice shall be borne by the petitioner. Interested persons include the custodian of the lost or destroyed records and any person the court so designates, considering the facts and nature of the case. Certified copies of original records shall be as acceptable to such reconstruction as the original. "Best available sources" are the most credible sources to determine the contents of the lost or destroyed records and include, without limitation, certified copies, copies accompanied by verified statements, and verified statements. The court shall settle and reconstruct the lost or destroyed records following the hearing unless parties and any interested persons file a verified waiver of the hearing. Within one (1) year of the date of the court's settlement and reconstruction of a record, any party or interested person not receiving notice of the proceedings may seek to set aside the court's order, provided, however, that any reconstruction shall be conclusively presumed to be final following this period.

(E) Transfer of Court Records - Court Creation or Closure.

- (1) Creation of a New City or Town Court. Cases pending in another city or town court under an inter-local agreement that would otherwise be in the jurisdiction of the newly created city or town court shall be transferred to the newly created court as a part of its initial caseload. Notice of the transfer and docketing of each pending Court Record shall be given to all parties of record as required by the Rules of Trial Procedure.
- (2) Termination of a Court. Upon the adoption of an ordinance or statute that terminates the existence of a court, the judge of the court subject to termination shall immediately notify the Division of State Court Administration.
 - (a) City and Town Courts.
 - (i) All disposed Court Records subject to retention under Administrative Rule 7 and pending Court Records together with the CCS and monies held in trust by the clerk of the terminated court shall be transferred to the Clerk of the Circuit Court upon closure of the terminated court.

- (ii) Pending Case Records shall be docketed equally, by case type, in the Circuit or Superior Courts within the Judicial Circuit or according to their adopted and approved Caseload Allocation Plan for the case types transferred.
 - (iii) Court Administrative Records for pending cases shall be delivered to the court to which the relevant Case Record is docketed.
 - (iv) All monies received by the Circuit Court Clerk from the abolished court shall be deposited in the appropriate accounts of the Circuit Court Clerk and remitted to the appropriate recipient as established by law or an entered final judgment.
 - (v) Notice of the transfer and docketing of each pending Case Record shall be given to all parties of record as required by the Rules of Trial Procedure.
 - (vi) Retention Schedules - All closed Case Records subject to retention shall be transferred to the Circuit Court Clerk and held for the balance of the retention period.
- (b) Circuit or Superior Courts - Notice of transfer and docketing of each pending Case Record shall be given to all parties of record as required by the Rules of Trial Procedure.

Rule 11. Paper Size

Effective January 1, 1992, all pleadings, copies, motions and documents filed with any trial court or appellate level court, typed or printed, with the exception of exhibits and existing wills, shall be prepared on 8 1/2 " x 11" size paper. Through December 31, 1991, such papers and records will be accepted on either 8 1/2 " x 11" or 8 1/2 " x 14" size paper.

Rule 12. Facsimile Transmission

(A) Definitions. For the purposes of this rule, the definitions set forth in this paragraph shall apply:

- (1) *Cover Sheet* means a descriptive initial page that accompanies an electronic facsimile transmission;
- (2) *Electronic Facsimile Transmission*, commonly referred to as "FAX," means a method of transmitting and receiving information in paper medium over telephone lines or other forms of electronic transmissions;
- (3) *Original Document* means the initially prepared written document or any counterpart intended to have the same effect by the creator; and
- (4) *Duplicate Document* means a written counterpart of the original produced by the same impression as the original or from the same matrix or by digitized electronic transmission, readable by sight, which accurately reproduces the original.

(B) Filing by Electronic Facsimile Transmission. In counties where a majority of judges of the courts of record, by posted local rule, have authorized electronic facsimile filing and designated a telephone number to receive such transmissions, pleadings, motions, and other papers may be sent to the Clerk of Circuit Court by electronic facsimile transmission for filing in any case, provided:

- (1) such matter does not exceed ten (10) pages, including the cover sheet;
- (2) such matter does not require the payment of fees other than the electronic facsimile transcription fee set forth in paragraph (E) of this rule;
- (3) the sending party creates at the time of transmission a machine generated log for such transmission; and
- (4) the original document and the transmission log are maintained by the sending party for the duration of the litigation.

(C) Time of Filing. During normal, posted business hours, the time of filing shall be the time the duplicate document is produced in the office of the Clerk of the Circuit Court. Duplicate documents received at all other times shall be filed as of the next normal business day.

If the receiving FAX machine endorses its own time and date stamp upon the transmitted documents and the receiving machine produces a delivery receipt which is electronically created and transmitted to the sending party, the time of filing shall be the date and time recorded on the transmitted document by the receiving FAX machine.

- (D) Cover Sheet.** Any document sent to the Clerk of the Circuit Court by electronic facsimile transmission shall be accompanied by a cover sheet which states the title of the document, case number, number of pages, identity and voice telephone number of the sending party and instructions for filing. The cover sheet shall contain the signature of the attorney or party, pro se, authorizing the filing.
- (E) Electronic Facsimile Transmission Fee.** Upon request and at an amount approved by the majority of judges of courts of record in the county, the County Board of Commissioners may adopt an electronic facsimile transmission fee not to exceed ten dollars (\$10.00) per transmission.
- (F) Standards.** Electronic facsimile transmission equipment used by courts and their offices under this rule shall comply with "Group III" level equipment standards established by the CCITT (Consultative Committee International Telegraph and Telephone of the International Telecommunications Union), which provides standards for operating speed and image resolution available for use over public telephone networks. Pleadings and papers filed by electronic facsimile transmission shall be letter size.

Rule 13. [Vacated]

Rule 14. Use of Telephone and Audiovisual Telecommunication

- (A) Authority.** A trial court may, in its discretion, use telephone or audiovisual telecommunication pursuant to the provisions of this rule as follows:
 - (1) A trial court may use telephone or audiovisual telecommunication to conduct:
 - (a) Pre-trial conferences;
 - (b) Proceedings where only the attorneys are present;
 - (c) Proceedings during a declared emergency under Ind. Administrative Rule 17; and,
 - (d) Proceedings where a party or witness is unavailable due to quarantine.
 - (2) A trial court may use audiovisual telecommunication to conduct:
 - (a) Initial hearings pursuant to IC 35-33-7-1, 3, 3.5, 4 and 5, including any probable cause hearing pursuant to IC 35-33-7-2; determination of indigence and assignment of counsel pursuant to IC 35-33-7-6; amount and conditions of bail pursuant to IC 35-33-7-5(4), 35-33-8-3.1 and 4; and the setting of omnibus date pursuant to IC 35-36-8-1;

- (B) Other Proceedings.** In addition, in any conference, hearing or proceeding not specifically enumerated in Section (A) of this rule, with the exception of criminal proceedings involving the right of confrontation or the right to be present, a trial court may use telephone or audiovisual communications subject to:
 - (1) the written consent of all the parties, entered on the Chronological Case Summary; or
 - (2) upon a trial court's finding of good cause, upon its own motion or upon the motion of a party. The following factors shall be considered in determining "good cause":

- (b) Whether effective cross-examination of the witness is possible, considering the availability of documents and exhibits to counsel and the witness;
 - (c) The complexity of the proceedings and the importance of the offered testimony in relation to the convenience to the party and the proposed witness;
 - (d) The importance of presenting the testimony of the witness in open court, where the fact finder may observe the demeanor of the witness and impress upon the witness the duty to testify truthfully;

 - (e) For cause found, a trial court may alter the time deadlines set forth in paragraphs (a) through (c) upon motion made prior to the expiration of the time for the required action.

(C) Facilities and Equipment. In relation to any hearing or proceeding conducted under this rule, the court shall assure that:

- (1) The facility and equipment provide counsel with the ability to confer privately with an out of court party, or with other counsel, off the record, before, during, and immediately following the hearing or proceeding. Mental health care providers, employees of the Indiana Family and Social Services Administration and its county offices of Family and Children, and county probation officers who appear as witnesses are not parties for the purposes of this section.
- (2) When using telephonic and audiovisual telecommunication:
 - (a) All participants are able to fully view and/or converse with each other simultaneously.

Rule 15 Court Reporters

- A. Application of Rule.** All courts of record in each county of the State of Indiana shall adopt for approval by the Indiana Supreme Court a local rule by which all court reporter services shall be governed. Should a

 - (1)(a) Gap hours shall be paid in the amount equal to the hourly rate of the annual salary; and
 - (b) Overtime hours shall be paid in the amount of one and one-half (1 1/2) times the hourly rate of the annual salary; or,
 - (2)(a) Compensatory time off from regular work hours shall be given in the amount equal to the number of gap hours worked; and

 - (f) designate that the court and each court reporter may freely negotiate between themselves as to which of the preceding two (2) options in (e) shall be utilized and that the court and court reporter shall enter into a written agreement designating the terms of such agreement;
 - (g) designate that if a court reporter elects to engage in private practice through recording a deposition and/or preparing a deposition transcript, that such private practice shall be conducted outside of regular working hours;
 - (h) designate that if a court reporter elects to engage in private practice through recording a deposition and/or preparing of a deposition transcript, and the court reporter desires to utilize the court's equipment, work space and supplies, and the court agrees to the use of court equipment for such purposes, the court and the court reporter shall enter into a written agreement which must at a minimum designate the following:

 - (k) require the court reporter to report at least on an annual basis to the State Court Administrator all transcript fees (either county indigent, state indigent or private) received by the court reporter.
- (3) *Model Option Three.* The court(s) may, by adopting a local rule to that effect, elect to procure all court reporter services by private contract and submit such contract for approval by the Indiana Supreme Court in accordance with Section A of this rule. Any such procedure must conform with all applicable state and local statutes, rules and regulations.

Rule 16. Electronic Filing and Electronic Service Pilot Projects

(A) Definitions. The following definitions shall apply to this rule:

- (1) *E-Filing System.* An E-filing system is a system approved by the Indiana Supreme Court for filing and service of pleadings, motions and other papers (“documents”) or information via an electronic means such as the Internet, a court-authorized remote service provider, or through other remote means to and from the trial court’s case management system.
- (2) *Electronic Filing.* Electronic filing (“E-filing”) is a method of filing court documents or information with the Clerk of the Court by electronic transmission utilizing the E-filing system.
- (3) *Electronic Service.* Electronic service (“E-service”) is a method of serving documents or information by electronic transmission on any User in a case via the E-filing system.
- (4) *User Agreement.* A user agreement is an agreement that establishes obligations and responsibilities of the User and the Court and provides guidelines for proper use of the E-filing system.
- (5) *User.* A User is an individual that has received authorization from the trial court administering an E-filing system to use that E-filing system by remote access.

(B) Approval. Courts wishing to establish an electronic filing or an electronic service pilot project pursuant to these rules must submit a written request for approval and a plan to the Division of State Court Administration. The Division shall define the necessary elements of the plan. At a minimum, the plan must state if and how the system is compatible with the clerk’s office and other court users, if it is accessible to the public, if it is accessible to unrepresented litigants, if and what sort of fees will be charged, and all technical details relevant to the approval process. The plan must also include a process for archival record retention that meets the permanent and other record retention requirements of the Indiana Rules of Court.

(C) User Agreements. The User Agreement must be approved by the Division of State Court Administration. The User and the Court must execute the User Agreement before the User may use the E-filing system. The User must file the executed User Agreement, and the clerk must note the filing of the agreement on the Chronological Case Summary (CCS) and enter it into the Record of Orders and Judgments (RJO) of the case in which the User is appearing. In the User Agreement, the User must agree to receive service of Documents through the E-filing system. In the User Agreement, the Court shall issue to the User distinct remote access with a unique password and user identification. The trial court may enter into a User Agreement with any attorney licensed to practice law in Indiana, an individual designated pursuant to Ind. Small Claims Rule 8(C) to appear for a corporation, partnership or sole proprietorship in small claims cases, and with any party in a particular case.

(D) Fees. Upon the request and at an amount approved by the majority of judges of courts of record in the county, the County Board of Commissioners may adopt, in accordance with Ind. Administrative Rule 9(E), an electronic system fee to be charged in conjunction with the use of the E-filing system. The fees must be included in the User Agreement and in the plan submitted pursuant to section (B) of this rule.

(E) Signature. The filing of documents and information through the E-filing system by use of a valid username and password is presumed to have been authorized by the User to whom that username and

password have been issued and documents filed through the E-filing system are presumed to have been signed by the same User.

- (F) Commencement of an Action.** An action may be commenced by E-filing only in a court which has adopted a pilot project plan approved by the Division of State Court Administration pursuant to this rule.
- (G) Time of Filing.** Documents or information may be filed through an E-filing system at any time. Documents or information filed through the E-filing system are deemed filed as of the time shown on the time stamp issued by the E-filing system.
- (H) Original Document.** Until such time that a Court implements a process approved by the Division of State Court Administration for the permanent retention of electronically transmitted, served or maintained documents, the Court must maintain a traditional paper copy of all electronic documents required to be maintained pursuant to the Indiana Rules of Court in the medium required. Upon the approval by the Division of State Court Administration of a permanent record retention process for electronically filed and served documents, a Document filed or served through an E-filing system shall be deemed an original record. Attorneys and unrepresented parties must retain signed copies of such electronically filed documents and, upon the Court's request, must provide such documents to the Court.
- (I) Request for Changes to the System.** A Court authorized to administer an E-filing system must seek approval from the Division of State Court Administration for any changes to the E-filing system that the Court wishes to implement after the initial approval.

Appendix. The Necessary Elements of a Proposed Plan to Implement Electronic Filing or An Electronic Service Pilot Project Pursuant to Administrative Rule 16

Pursuant to Administrative Rule 16(B), the following provisions relate to the necessary elements required in any written request for approval of an electronic filing or an electronic service pilot project. The Division of State Court Administration may modify these provisions at any time.

Any proposed system must allow members of the public to view electronic and hard copy documents, unless they are deemed confidential by statute, court rule, or court order.

D. Eligible Cases

A description of what cases may be filed electronically, what cases must be filed electronically and what cases cannot be filed electronically.

E. Fees

What fees will be charged, if any, including those applicable to filing, serving, viewing and/or copying court documents. Proposals also must include a discussion of how fees will be collected and a comparison of the proposed fees to the existing (pre-electronic) fee structure. All fees must comply with the provisions of Administrative Rule 16(D).

F. Document Preservation

A description of the process for archival retention that satisfies permanent records retention and other requirements of the Indiana Rules of Court.

G. Local Rules

Any proposed local rules that the court intends to adopt to aid in the implementation of the Plan or the ECF.

H. Forms

Any forms that the court has developed to aid in the implementation of the Plan or the ECF, such as:

- Attorney Registration Form
- Notice of Manual Filing
- Notice of Signature Endorsement
- Declaration that Party Was Unable to File in a Timely Manner Due to Technical Difficulties.

Return receipt email will not be considered adequate proof of service of process. In addition, the plan must describe how the court and other users may verify the service in the future.

K. Legal XML Compliance

A description of how the system will comply with the Legal XML E-Filing Standard. Compliance with this standard will help ensure compatibility with the future statewide CMS.

In addition, any forms and other generic documents to be incorporated must be provided.

M. A proposed Implementation Plan and Schedule

A detailed description of when and how the Plan and system will be implemented, including anticipated training arrangements.

N. Accessibility by Unrepresented Litigants

O. Performance Measurements

A detailed description of how the Court will determine if the pilot project meets expectations. These measurements may be a combination of reports and user queries. Some examples may be the

equivalent of “comment cards” sent to the users and returned to the Court, error reporting by the user when he or she encounters a difficulty, the error being returned to the court, reports of downtime (maintenance) and system failures (i.e. crash) monthly or quarterly, and routine reviews by the system administrator for feature or software upgrades.

III. Content/Substantive Requirements

In addition to the elements outlined above, any proposed Plan shall include the following content:

A. Eligible Users

Attorneys admitted to the Indiana bar and in good standing are eligible to register as Filing Users of a court’s Electronic Case Filing system. Registration via the User Agreement should require the Filing User’s name, address, telephone number, Internet e-mail address, and a declaration that the attorney is admitted to the bar. Filing Users must notify the clerk of the court in writing within 30 days of any change of address, electronic or otherwise.

B. Registration Obligations

Registration as a Filing User constitutes consent to electronic service of all documents in accordance with the Indiana Rules of Court. Filing Users must agree to protect the security of their passwords and immediately notify the clerk if they learn that their password has been compromised.

C. Public Accessibility

Members of the public may review at the clerk’s office filings that have not been sealed by the court. A person who has system access may retrieve docket sheets and documents. Only a Filing User may file documents and information electronically.

D. General Format Requirements

Formatting requirements for all documents filed electronically must comply with the format and procedures set forth in the Indiana Rules of Court and the local rules for the county in which the electronic filing occurs. (If the court intends to create local rules specifically applicable to electronic filing, a copy of such proposed local rules must be included with the proposed plan).

E. Initial Pleadings

With the exception of cases involving infractions, the initial pleading and accompanying documents, including the complaint and service of the summons, must be served in the traditional manner on paper. The plan must describe the method by which proof of service of process pursuant to Trial Rule 4 will be reflected on the electronic docket. In the event a case is initiated electronically, the plan shall include a description of the method by which the relevant filing and service fees are collected and remitted to the Clerk’s office.

F. Appearance

The filing of a Notice of Appearance shall act to establish the filing attorney as an attorney of record representing a designated party in a particular cause of action.

G. Format of Attachments and Exhibits

Filing Users must submit in electronic form all documents referenced as exhibits or attachments, except as specifically permitted by court rule or order.

Exceptions to the electronic filing requirement include the following documents:

- a. Exhibits in a format that does not readily permit electronic filing, such as videotapes, x-rays and similar materials;
- b. Paper documents that are illegible when scanned into PDF format; and
- c. Documents filed under seal or information not for public access as defined in Administrative Rule 9(G).

Such components shall not be filed electronically, but instead shall be manually filed on paper with the clerk, and served upon the parties in accordance with the applicable Indiana Rules of Court and local rules for filing and service of non-electronic documents. Parties making a manual filing of a component must file electronically, in place of the manually filed component, a Notice of Manual

Filing setting forth the reason(s) why the component cannot be filed electronically. The manually filed component must be presented to the clerk within 24 hours after the electronic submission of the Notice of Manual Filing. A paper copy of the electronically filed Notice of Manual Filing must accompany the component at the time of manual filing.

H. Certificate of Service

A certificate of service, if required by the Rules of Trial Procedure, must be included with all documents and information filed electronically. The certificate shall indicate that service was accomplished pursuant to the court's electronic filing procedures. The party effectuates service on all registered parties by filing electronically. Those parties or attorneys who have been permitted by the court to be exempt from the electronic filing requirement must be provided the documents in paper form in accordance with the Indiana Rules of Court.

I. Electronic Copies and Electronic File-Stamps

When a document or information is filed electronically, the official record is the electronic recording of the document as stored by the court. The system will generate a Notice of Electronic Filing, which will be transmitted via e-mail to the filer and all attorneys of record in the matter. The Notice of Electronic Filing serves as the court's date-stamp and proof of filing.

J. Password Serves as Signature

No Filing User or other person may knowingly permit or cause to permit a Filing User's password to be used by anyone other than an authorized agent of the Filing User. A Filing User has responsibility for all transactions under his or her password and is obligated to notify the clerk if his or her password is compromised.

The log-in and password required to submit documents and information to the Electronic Case Filing System shall serve, in part, as the Filing User's signature on all electronic documents filed with the Court, and as the Filing User's authorization for filing information with the Court. They also serve as a signature for purposes of the Indiana Rules of Court, the local rules of the court, and any other purpose for which a signature is required in connection with proceedings before a court.

K. Signatures Other Than Filing User

Documents requiring signatures for two or more parties represented by different counsel must be electronically filed either by: (a) representing the consent of the other attorney(s) on the signature line where the other attorney's handwritten signature would otherwise appear; (b) identifying in the signature block attorneys whose signatures are required and by the submission of a notice of endorsement by the other attorneys no later than three business days after filing; (c) submitting a scanned document containing all necessary signatures; or (d) in any other manner approved by the court.

L. Filing Consequences

Electronic transmission of a document or information to the Electronic Case Filing System consistent with these rules, together with the transmission of a Notice of Electronic Filing from the court, constitutes filing of the document or information for all purposes of the Indiana Rules of Court and the local rules of the court, and constitutes entry of the filing on the court's docket. When a document or information has been filed electronically, the official record is the electronic recording of the document or information as stored by the court, and the filing party is bound by the document or information as filed.

Filing a document or information electronically does not alter the filing deadline for that document or information. Filing must be completed before midnight local time of the court in order to be considered timely filed that day.

When a document or information is filed electronically, the court's system must generate a Notice of Electronic Filing, which will be transmitted via e-mail to the filer and all attorneys of record in the matter who are Filing Users. The party submitting the filing should retain a paper or electronic copy of the Notice of Electronic Filing, which serves as the court's date-stamp and proof of filing.

Transmission of the Notice of Electronic Filing to an attorney's registered e-mail address constitutes service upon the attorney. Only the Notice of Electronic Filing, generated and transmitted by the court's system, is sufficient to constitute electronic service of an electronically filed document. Those

parties or attorneys who have been permitted by the court to be exempt from the electronic filing requirement must be provided notice of the filing in paper form in accordance with the Indiana Rules of Court.

M. Sealed Documents

The provider of the electronic filing system must certify a level of security for sealed documents that demonstrates the ability to comply with the Indiana Rules of Court, especially Administrative Rule 9. The party filing a sealed document also must electronically file a Notice of Manual Filing. No document will be maintained under seal in the absence of an authorizing statute, court rule, or court order.

N. Court Orders

Immediately upon the entry of an order or judgment in an action assigned to the Electronic Filing System, the clerk will transmit to Filing Users in the case, in electronic form, a Notice of Electronic Filing. Electronic transmission of the Notice of Electronic Filing constitutes the notice required by Indiana Rule of Trial Procedure 77(D). If a party is not represented by at least one attorney who is a Filing User, the court must give notice in paper form in accordance with the Indiana Rules of Court.

O. Technical Difficulties

Parties are encouraged to file documents and information electronically during normal business hours, in case a problem is encountered. In the event a technical failure occurs, and despite the best efforts of the filing party a document or information cannot be filed electronically, the party should print (if possible) a copy of the error message received. In addition, as soon as practically possible, the party should file a Declaration that Party was Unable to File in a Timely Manner Due to Technical Difficulties.

If a party is unable to file electronically and, as a result, may miss a filing deadline, the party must contact the designated Electronic Filing System Administrator. If a party misses a filing deadline due to an inability to file electronically, the party may submit the untimely-filed document, accompanied by a declaration stating the reason(s) for missing the deadline. The document and declaration must be filed no later than 12:00 noon of the first day on which the court is open for business following the original filing deadline.

P. Retention of Documents in Cases Filed Electronically

Filing Users must retain signed copies of electronically filed documents until two (2) years after all time periods for appeals expire. Documents that are electronically filed and require original signatures other than that of the Filing User must be maintained in paper form. On request of the court, the Filing User must provide original documents for review.

Originals of documents filed electronically which require scanning (e.g. documents that contain signatures, such as affidavits) must be retained by the filing party and made available, upon request, to the Court and other parties for a period of two years following the expiration of all time periods for appeals.

Q. Entry of Court Orders

All signed orders must be filed electronically by the court or court personnel. All orders, decrees, judgments, and proceedings of the court filed electronically will constitute entry on the court's docket. A hardcopy version of all judgments shall be entered in the Court's Record of Judgments and Orders, pursuant to Trial Rule 77(D).

IV. Exemption Requests

Any court tendering a Plan for approval may seek exemption from including or complying with one or more of the elements or content requirements specified in this Appendix by identifying:

- (1) The specific requirement from which the applying court seeks to be exempted;
- (2) The basis for seeking the exemption; and
- (3) What the applying court shall do in lieu of or to serve the underlying purpose of the specified requirement.

The Division of State Court Administration shall consider Requests for Exemption from the specifications of this Appendix on a case-by-case basis. In the event that the Request for Exemption is denied, such determination shall not preclude approval of the remainder of a court's tendered Plan.

Rule 17. Emergency petition for Administrative orders

- (A) Supreme Court Authority. Under the authority vested in the Indiana Supreme Court to provide by rule for the procedure employed in all courts of this state and the Court's inherent authority to supervise the administration of all courts of this state, the Court has the power upon petition from any trial court as set forth herein, or sua sponte, in the event of natural disaster, civil disobedience, wide spread disease outbreak, or other exigent circumstances requiring the closure of courts or inhibiting the ability of litigants and courts to comply with statutory deadlines and rules of procedure applicable in courts of this state, to enter such order or orders as may be appropriate to ensure the orderly and fair administration of justice. This order shall include, without limitation, those rules and procedures affecting time limits currently imposed for speedy trials in criminal and juvenile proceedings, public health, mental health, appellate, and all other civil and criminal matters.

The Court also may authorize any petitioning court to move its location from its statutory location to any location the Court deems appropriate, and the Court may authorize any judge of a Circuit or Superior Court to exercise general jurisdiction over any civil or criminal matter.

Appendix 17A

- (B) Trial court petition. When it becomes apparent to the local trial court(s) that an emergency exists, the local trial court(s) shall:
1. Confer with the clerk, bar representative and local official, as the trial court(s) deem necessary and appropriate.
 2. Petition the Supreme Court for emergency relief stating: the emergency, the effect it is having or will have on the local administration of justice, the anticipated duration, and any additional information that would aid the Court in its decision making process.
