# HOUSE MOTION \_\_\_\_\_

MR. SPEAKER:

I move that House Bill 1001(ss) be amended to read as follows:

1           Page 346, between lines 27 and 28, begin a new paragraph and  
2           insert:  
3           "SECTION 370. IC 22-4-25-1, AS AMENDED BY P.L.175-2009,  
4           SECTION 36, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
5           JULY 1, 2009]: Sec. 1. (a) There is created in the state treasury a  
6           special fund to be known as the special employment and training  
7           services fund. All interest on delinquent contributions and penalties  
8           collected under this article, together with any voluntary contributions  
9           tendered as a contribution to this fund, shall be paid into this fund. The  
10          money shall not be expended or available for expenditure in any  
11          manner which would permit their substitution for (or a corresponding  
12          reduction in) federal funds which would in the absence of said money  
13          be available to finance expenditures for the administration of this  
14          article, but nothing in this section shall prevent said money from being  
15          used as a revolving fund to cover expenditures necessary and proper  
16          under the law for which federal funds have been duly requested but not  
17          yet received, subject to the charging of such expenditures against such  
18          funds when received. The money in this fund shall be used by the board  
19          for the payment of refunds of interest on delinquent contributions and  
20          penalties so collected, for the payment of costs of administration which  
21          are found not to have been properly and validly chargeable against  
22          federal grants or other funds received for or in the employment and  
23          training services administration fund, on and after July 1, 1945. Such

1 money shall be available either to satisfy the obligations incurred by  
2 the board directly, or by transfer by the board of the required amount  
3 from the special employment and training services fund to the  
4 employment and training services administration fund. The board shall  
5 order the transfer of such funds or the payment of any such obligation  
6 or expenditure and such funds shall be paid by the treasurer of state on  
7 requisition drawn by the board directing the auditor of state to issue the  
8 auditor's warrant therefor. Any such warrant shall be drawn by the state  
9 auditor based upon vouchers certified by the board or the  
10 commissioner. The money in this fund is hereby specifically made  
11 available to replace within a reasonable time any money received by  
12 this state pursuant to 42 U.S.C. 502, as amended, which, because of  
13 any action or contingency, has been lost or has been expended for  
14 purposes other than or in amounts in excess of those approved by the  
15 bureau of employment security. The money in this fund shall be  
16 continuously available to the board for expenditures in accordance with  
17 the provisions of this section and shall not lapse at any time or be  
18 transferred to any other fund, except as provided in this article. Nothing  
19 in this section shall be construed to limit, alter, or amend the liability  
20 of the state assumed and created by IC 22-4-28, or to change the  
21 procedure prescribed in IC 22-4-28 for the satisfaction of such liability,  
22 except to the extent that such liability may be satisfied by and out of the  
23 funds of such special employment and training services fund created  
24 by this section.

25 (b) Whenever the balance in the special employment and training  
26 services fund exceeds eight million five hundred thousand dollars  
27 (\$8,500,000), the board shall order payment of the amount that exceeds  
28 eight million five hundred thousand dollars (\$8,500,000) into the  
29 unemployment insurance benefit fund.
