3 JULY 1, 1998]: Sec. 9. (a) The bureau, in the administration and  
4 collection of the annual license excise tax imposed by this chapter, may

6 IC 9-16 in its administration of the motor vehicle registration laws of  
7 the state of Indiana. The license branches may be so utilized in

12 license branches in the collection of excise tax, the following apply:

13 (1) The excise taxes so collected by each license branch shall be

1 may withdraw funds from the account at least two (2) times each  
 2 week. The county treasurer is responsible for the safekeeping and  
 3 investment of money withdrawn by the county treasurer under this  
 4 subsection. Before the eleventh day of the month following the  
 5 month in which the collections are made, the bureau of motor  
 6 vehicles shall report the excise taxes collected outside the county  
 7 to the county treasurer of the county to which the collections are  
 8 due. The bureau shall forward a copy of this excise tax report to  
 9 the county auditor of the county.

10 (2) A license branch shall each week forward a report to the  
 11 county auditor of the county to whom the collections are due,  
 12 showing the excise tax collected on each vehicle and a copy of  
 13 each registration certificate for all collections within the county.

14 (3) Each license branch shall also report to the bureau all excise  
 15 taxes collected under this chapter in the same manner and at the  
 16 same time as registration fees are reported.

17 (4) Premiums for insurance to protect the funds collected by  
 18 license branches against theft shall be paid by the bureau, except  
 19 that the bureau may issue blanket coverage for all branches at its  
 20 discretion. At the discretion of the bureau, the bureau may:

21 (A) self-insure to cover the activities of the license branches;  
 22 or

23 (B) rather than purchase a bond or crime policy for each  
 24 branch, purchase a single blanket bond or crime insurance  
 25 policy endorsed to include faithful performance to cover all  
 26 branches.

27 (5) If the services of a license branch are used by the bureau in the  
 28 collection of the excise tax imposed by this chapter, the license  
 29 branch shall collect the service charge prescribed under IC 9-29  
 30 for each vehicle registered upon which an excise tax is collected  
 31 by that branch.

32 (6) If the excise tax imposed by this chapter is collected by the  
 33 department of state revenue, the money collected shall be  
 34 deposited in the state general fund to the credit of the appropriate  
 35 county and reported to the bureau of motor vehicles on the first  
 36 working day following the week of collection. **Except as**  
 37 **provided in subdivision (7),** any amount collected by the  
 38 department which represents interest or a penalty shall be retained  
 39 by the department and used to pay its costs of enforcing this  
 40 chapter.
