SECTION 1. IC 5-2-1-9, AS AMENDED BY P.L.2-1997, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 1998]: Sec. 9. (a) The board shall adopt in accordance with IC 4-22-2 all necessary rules to carry out the provisions of this chapter. Such rules, which shall be adopted only after necessary and proper investigation and inquiry by the board, shall include the establishment of the following:

- (1) Minimum standards of physical, educational, mental, and moral fitness which shall govern the acceptance of any person for training by any law enforcement training school or academy meeting or exceeding the minimum standards established pursuant to this chapter.
- (2) Minimum standards for law enforcement training schools administered by towns, cities, counties, **the northwest Indiana law enforcement training center**, agencies, or departments of the state.

(4) Minimum qualifications for instructors at approved law enforcement training schools.

(5) Minimum basic training requirements which law enforcement officers appointed to probationary terms shall complete before being eligible for continued or permanent employment.

(6) Minimum basic training requirements which law enforcement officers not appointed for probationary terms but appointed on other than a permanent basis shall complete in order to be eligible for continued employment or permanent appointment.

(7) Minimum basic training requirements which law enforcement officers appointed on a permanent basis shall complete in order to be eligible for continued employment.

(b) Except as provided in subsection (1), a law enforcement officer appointed after July 5, 1972, and before July 1, 1993, may not enforce the laws or ordinances of the state or any political subdivision unless the officer has, within one (1) year from the date of appointment, successfully completed the minimum basic training requirements established under this chapter by the board. If a person fails to successfully complete the basic training requirements within one (1) year from the date of employment, the officer may not perform any of the duties of a law enforcement officer involving control or direction of members of the public or exercising the power of arrest until the officer has successfully completed the training requirements. This subsection does not apply to any law enforcement officer appointed before July 6, 1972, or after June 30, 1993.

(c) Military leave or other authorized leave of absence from law enforcement duty during the first year of employment after July 6, 1972, shall toll the running of the first year, which in such cases shall be calculated by the aggregate of the time before and after the leave, for the purposes of this chapter.

(d) Except as provided in subsections (e) and (1), a law enforcement officer appointed to a law enforcement department or agency after June 30, 1993, may not:

- (1) make an arrest;
- (2) conduct a search or a seizure of a person or property; or
- (3) carry a firearm;

unless the law enforcement officer successfully completes, at a board certified law enforcement academy **or at the northwest Indiana law enforcement training center under section 15.2 of this chapter**, the basic training requirements established by the board under this chapter.

(e) Before a law enforcement officer appointed after June 30, 1993, completes the basic training requirements, the law enforcement officer

may exercise the police powers described in subsection (d) if the officer successfully completes the pre-basic course established in subsection (f). Successful completion of the pre-basic course authorizes a law enforcement officer to exercise the police powers described in subsection (d) for one (1) year after the date the law enforcement officer is appointed.

(f) The board shall adopt rules under IC 4-22-2 to establish a pre-basic course for the purpose of training:

- (1) law enforcement officers;
- (2) police reserve officers (as described in IC 36-8-3-20); and
- (3) conservation reserve officers (as described in IC 14-9-8-27);

regarding the subjects of arrest, search and seizure, use of force, and firearm qualification. The pre-basic course must be offered on a periodic basis throughout the year at regional sites statewide. The pre-basic course must consist of forty (40) hours of course work. The board may prepare a pre-basic course on videotape that must be used in conjunction with live instruction. The board shall provide the course material, the instructors, and the facilities at the regional sites throughout the state that are used for the pre-basic course. In addition, the board may certify pre-basic courses that may be conducted by other public or private training entities, including colleges and universities.

(g) The board shall adopt rules under IC 4-22-2 to establish a mandatory inservice training program for police officers. After June 30, 1993, a law enforcement officer who has satisfactorily completed the basic training and has been appointed to a law enforcement department or agency on either a full-time or part-time basis is not eligible for continued employment unless the officer satisfactorily completes a minimum of sixteen (16) hours each year of inservice training in any subject area included in the law enforcement academy's basic training course or other job related subjects that are approved by the board as determined by the law enforcement department's or agency's needs. In addition, a certified academy staff may develop and make available inservice training programs on a regional or local basis. The board may approve courses offered by other public or private training entities, including colleges and universities, as necessary in order to ensure the availability of an adequate number of inservice training programs. The board may waive an officer's inservice training requirements if the board determines that the officer's reason for lacking the required amount of inservice training hours is due to any of the following:

- (1) An emergency situation.
- (2) The unavailability of courses.

(h) The board shall also adopt rules establishing a town marshal

basic training program, subject to the following:

- (1) The program must require fewer hours of instruction and class attendance and fewer courses of study than are required for the mandated basic training program.
 - (2) Certain parts of the course materials may be studied by a candidate at the candidate's home in order to fulfill requirements of the program.
 - (3) Law enforcement officers successfully completing the requirements of the program are eligible for appointment only in towns employing the town marshal system (IC 36-5-7) and having no more than one (1) marshal and two (2) deputies.
 - (4) The limitation imposed by subdivision (3) does not apply to an officer who has successfully completed the mandated basic training program.
 - (5) The time limitations imposed by subsections (b) and (c) for completing the training are also applicable to the town marshal basic training program.
- (i) The board shall adopt rules under IC 4-22-2 to establish a police chief executive training program. The program must include training in the following areas:
- (1) Liability.
 - (2) Media relations.
 - (3) Accounting and administration.
 - (4) Discipline.
 - (5) Department policy making.
 - (6) Firearm policies.
 - (7) Department programs.
- (j) A police chief shall apply for admission to the police chief executive training program within two (2) months of the date the police chief initially takes office. A police chief must successfully complete the police chief executive training program within six (6) months of the date the police chief initially takes office. However, if space in the program is not available at a time that will allow the police chief to complete the program within six (6) months of the date the police chief initially takes office, the police chief must successfully complete the next available program that is offered to the police chief after the police chief initially takes office.
- (k) A police chief who fails to comply with subsection (j) may not serve as the police chief until the police chief has completed the police chief executive training program. For the purposes of this subsection and subsection (j), "police chief" refers to:
- (1) the police chief of any city; and

(2) the police chief of any town having a metropolitan police department.

(l) An investigator in the arson division of the office of the state fire marshal appointed:

(1) before January 1, 1994, is not required; or

(2) after December 31, 1993, is required;

to comply with the basic training standards established under this section.

SECTION 2. IC 5-2-1-15 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 1998]: Sec. 15. (a) The facilities of the law enforcement academy shall be available to any law enforcement agency of the state, or any of its political subdivisions, subject to the rules of the board.

(b) Any law enforcement agency of the state, ~~or~~ any of its political subdivisions, **or the northwest Indiana law enforcement training center** may conduct training:

(1) for the law enforcement agency of any political subdivision in Indiana;

(2) in facilities other than those of the law enforcement academy; and

(3) if the minimum standards established by the board are met or exceeded.

(c) A law enforcement agency **or the northwest Indiana law enforcement training center** conducting approved local training under subsection (b) shall be entitled to a per capita allowance from the law enforcement training fund to defray such portions of the cost of basic training as shall be approved by the board. Such per capita allowance shall be earmarked and expended only for law enforcement training.

(d) The facilities of the law enforcement academy shall be available for the training of railroad police, prison and industrial plant guards, college and university safety and security personnel, whether public or private, and such other enforcement related groups as shall be approved by the board, upon terms and conditions established by the board. Railroad police and nongovernmental enforcement related groups qualifying to use the facilities of the academy under the rules of the board shall be required to reimburse the law enforcement training fund for the cost of such training.

(e) The facilities of the law enforcement academy may be used for the training of firefighting personnel where the subject matter of the

training relates to duties which involve law enforcement related conduct. Such training shall be conducted upon terms and conditions established by the board. However, no volunteer firefighter is required to attend training at the academy.

(f) The cost of the mandatory basic training conducted by the board at the facilities of the law enforcement academy shall be paid out of the law enforcement training fund, if the trainees have been previously appointed and are on the payroll of a law enforcement department or agency. All other training programs authorized by this chapter and conducted at the law enforcement training academy, including the mandatory basic training course when attended by trainees who have been investigated and approved but not yet hired by a law enforcement agency, are subject to fee schedules and charges for tuition, lodging, meals, instructors, training materials, and any other items or services established by the board.

- (b) This section expires July 1, 2000.
