- 8 prove the existence of factors such as the following:
- 9 (A) Organization of and activity by a building committee or
- 10 other oversight group.
- 11 (B) Completion and filing of building plans with the
- 12 appropriate local government authority.
- 13 (C) Cash reserves dedicated to the project of a sufficient
- 14 amount to lead a reasonable individual to believe the actual

- 16 (D) The breaking of ground and the beginning of actual
- 17 construction.
- 18 (E) Any other factor that would lead a reasonable individual to
- 19 believe that construction of the building is an active plan and
- 20 that the building is capable of being completed within six (6)
- 21 years considering the circumstances of the owner.
- 22 (e) Personal property is exempt from property taxation if it is owned

- 28 to another hospital whose property qualifies for exemption under this
- 29 section.
- 30 (g) Property owned by a shared hospital services organization which

- 41 (1) provides or supports the provision of charity care (as defined
- 42 in IC 16-18-2-52.5), including providing funds or other financial

1 support for health care services for individuals who are indigent
 2 (as defined in IC 16-18-2-52.5(b) and ~~IC 16-8-2-52.5(c)~~;
 3 **IC 16-18-2-52.5(c)**); or
 4 (2) provides or supports the provision of community benefits (as
 5 defined in IC 16-21-9-1), including research, education, or
 6 government sponsored indigent health care (as defined in
 7 IC 16-21-9-2).

8 However, participation in the Medicaid or Medicare program alone
 9 does not entitle an office, practice, or other property described in this
 10 subsection to an exemption under this section.

11 (i) A tract of land or a tract of land plus all or part of a structure on
 12 the land is exempt from property taxation if:

13 (1) the tract is acquired for the purpose of erecting, renovating, or
 14 improving a single family residential structure that is to be given
 15 away or sold:

- 17 (B) by a nonprofit organization; and
- 18 (C) to low income individuals who will:

 24 section; and

25 (4) not more than three (3) years after the property is acquired for
 26 the purpose described in subdivision (1), and for each year after
 27 the three (3) year period, the owner demonstrates substantial
 28 progress towards the erection, renovation, or improvement of the
 29 intended structure. To establish that substantial progress is being
 30 made, the owner must prove the existence of factors such as the
 31 following:

- 32 (A) Organization of and activity by a building committee or
 33 other oversight group.
- 34 (B) Completion and filing of building plans with the
 35 appropriate local government authority.
- 36 (C) Cash reserves dedicated to the project of a sufficient

 38 construction can and will begin within six (6) years of the
 39 initial exemption received under this subsection.
- 40 (D) The breaking of ground and the beginning of actual
 41 construction.
- 42 (E) Any other factor that would lead a reasonable individual to

1 believe that construction of the structure is an active plan and
 2 that the structure is capable of being:
 3 (i) completed; and
 4 (ii) transferred to a low income individual who does not
 5 receive an exemption under this section;
 6 within six (6) years considering the circumstances of the
 7 owner.

8 (j) An exemption under subsection (i) terminates when the property
 9 is conveyed by the nonprofit organization to another owner. When the
 10 property is conveyed to another owner, the nonprofit organization
 11 receiving the exemption must file a certified statement with the auditor
 12 of the county, notifying the auditor of the change not later than sixty
 13 (60) days after the date of the conveyance. A nonprofit organization
 14 that fails to file the statement required by this subsection is liable for
 15 the amount of property taxes due on the property conveyed if it were
 16 not for the exemption allowed under this chapter.

17 (k) If property is granted an exemption in any year under subsection
 18 (i) and the owner:

- 19 (1) ceases to be eligible for the exemption under subsection (i)(4);
- 20 (2) fails to transfer the tangible property within six (6) years after
- 21 the assessment date for which the exemption is initially granted;
- 22 or
- 23 (3) transfers the tangible property to a person who:
 - 24 (A) is not a low income individual; or
 - 25 (B) does not use the transferred property as a residence for at
 - 26 least one (1) year after the property is transferred;

27 the person receiving the exemption shall notify the county recorder and
 28 the county auditor of the county in which the property is located not
 29 later than sixty (60) days after the event described in subdivision (1),
 30 (2), or (3) occurs.

31 (l) If subsection (k)(1), (k)(2), or (k)(3) applies, the owner shall pay,
 32 not later than the date that the next installment of property taxes is due,
 33 an amount equal to the sum of the following:

- 34 (1) The total property taxes that, if it were not for the exemption
- 35 under subsection (i), would have been levied on the property in
- 36 each year in which an exemption was allowed.
- 37 (2) Interest on the property taxes at the rate of ten percent (10%)
- 38 per year.

39 (m) The liability imposed by subsection (l) is a lien upon the
 40 property receiving the exemption under subsection (i). An amount
 41 collected under subsection (l) shall be collected as an excess levy. If
 42 the amount is not paid, it shall be collected in the same manner that

2 SECTION 18. IC 6-1.1-12-22, AS AMENDED BY P.L.6-1997,
3 SECTION 54, and P.L.54-1997, SECTION 1, IS CORRECTED AND
4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE MARCH 1,
5 2001]: Sec. 22. (a) If the assessed value of property is increased
6 because it has been rehabilitated *and the owner has paid at least ten*
7 *thousand dollars (\$10,000) for the rehabilitation*, the owner is entitled
8 to have deducted from the assessed value of the property an amount
9 equal to fifty percent (50%) of the increase in assessed value resulting
10 from the rehabilitation. The owner is entitled to this deduction annually
11 for a five (5) year period. However, the maximum deduction which a
12 property owner may receive under this section for a particular year is:

13 (1) ~~twenty fifteen sixty~~ thousand dollars ~~(\$20,000) (\$15,000)~~

14 **(\$60,000)** for a single family dwelling unit; or

15 (2) ~~one hundred seventy-five~~ **three hundred** thousand dollars
16 ~~(\$100,000) (\$75,000)~~ **(\$300,000)** for any other type of property.

17 (b) For purposes of this section, the term "property" means a
18 building or structure which was erected at least ~~fifty (50)~~ *ten (10)* years
19 before the date of application for the deduction provided by this
20 section. The term "property" does not include land.

21 (c) For purposes of this section the term "rehabilitation" means the
22 remodeling, repair, or betterment of property in any manner or any
23 enlargement or extension of property. However, the enlargement or
24 extension of the enclosed floor area of property shall, for computation
25 of the deduction, be limited within a five (5) year period to a total
26 additional enclosed floor area equal to the size of the enclosed floor
27 area of the property on the date of completion of the first extension or
28 enlargement completed after March 1, 1973.

29 SECTION 19. IC 6-1.1-12-35, AS AMENDED BY P.L.10-1997,
30 SECTION 11, AND P.L.6-1997, SECTION 56, IS CORRECTED TO
31 READ AS FOLLOWS [EFFECTIVE JANUARY 1, 1999]: Sec. 35. (a)
32 Except as provided in section 36 of this chapter, a person who desires
33 to claim the deduction provided by section 31, 33, or 34 of this chapter
34 must file a certified statement in duplicate, on forms prescribed by the
35 state board of tax commissioners, and proof of certification under
36 subsection (b) with the auditor of the county in which the property for
37 which the deduction is claimed is subject to assessment. Except as

 5 verification of the statement by the assessor of the township in which
 6 the property for which the deduction is claimed is subject to
 7 assessment, the county auditor shall allow the deduction.

8 (b) The department of environmental management, upon application
 9 by a property owner, shall determine whether a system or device
 10 qualifies for a deduction provided by section 31, 33, or 34 of this
 11 chapter. If the department determines that a system or device qualifies
 12 for a deduction, it shall certify the system or device and provide proof
 13 of the certification to the property owner. The department shall
 14 prescribe the form and manner of the certification process required by
 15 this subsection.

16 (c) *If the department of environmental management receives an*
 17 *application for certification before April 10 of the assessment year, the*
 18 *department shall determine whether the system or device qualifies for*
 19 *a deduction before May 10 of the assessment year. If the department*
 20 *fails to make a determination under this subsection before May 10 of*
 21 *the assessment year, the system or device is considered certified.*

22 ~~(c)~~ (d) A denial of a deduction claimed under section 31, 33, or 34
 23 of this chapter may be appealed as provided in IC 6-1.1-15. The appeal
 24 is limited to a review of a determination made by the township
 25 assessor, county ~~board of review~~, *property tax assessment board of*
 26 *appeals*, or state board of tax commissioners.

27 ~~(d)~~ (e) A person who timely files a personal property return under

 29 deduction provided in section 31 of this chapter for property that is not
 30 assessed under IC 6-1.1-7 must file the statement described in
 31 subsection (a) between March 1 and May 15, inclusive, of that year. A
 32 person who obtains a filing extension under IC 6-1.1-3-7(b) for an

Persons requesting forms may not be required to identify themselves and may be allowed to pick up additional copies to distribute to other property owners. The county auditor may not issue a petition or remonstrance form earlier than twenty-nine (29) days after the notice is given under subdivision (1). 6 SECTION 21. IC 6-1.1-21.7-6, AS ADDED BY P.L.58-1997,
7 SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
8 UPON PASSAGE]: Sec. 6. (a) A taxing unit may apply for a loan
9 under this chapter.

10 (b) A taxing unit qualifies for a loan under this chapter for a fund if:

11 (1) the United States Congress limits or terminates its
12 authorization for a taxing unit to impose a property tax on a
13 taxpayer;

14 (2) the lost revenue for at least one (1) fund, as determined under
15 section 10, STEP THREE of this chapter, is at least five percent
16 (5%) of the property tax revenues for the fund that the taxing unit
17 would have received in the current year if the United States
18 Congress had not limited or terminated payments from the
19 taxpayer to the taxing unit, as determined under section 10, STEP
20 TWO of this chapter; and

21 (3) the taxing unit appeals to the state board of tax commissioners
22 for emergency financial relief under this chapter in the same
23 manner as an appeal for emergency relief under IC 6-1.1-18.5-12
24 or IC 6-1.1-19-4.1.

25 However, the appeal required under subdivision (3) may be filed at any
26 time.

27 (c) A taxing unit may receive a loan to replace lost revenue only for
28 the first five (5) years in which the taxing unit loses revenue as a result
29 of an act of the United States Congress described in ~~subdivision (1)~~:
30 **subsection (b)(1).**

31 SECTION 22. IC 6-1.1-37-7 IS AMENDED TO READ AS
32 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) If a person
33 fails to file a required personal property return on or before the due
34 date, the county auditor shall add a penalty of twenty-five dollars (\$25)
35 to the person's next property tax installment. The county auditor shall
36 also add an additional penalty to the taxes payable by the person if he
37 fails to file the personal property return within thirty (30) days after the
38 due date. The amount of the additional penalty is twenty percent (20%)
39 of the taxes finally determined to be due with respect to the personal
40 property which should have been reported on the return.

41 (b) For purposes of this section, a personal property return is not due
42 until the expiration of any extension period granted by the township

1 assessor under ~~IC 6-1.1-3-7(c)~~. **IC 6-1.1-3-7(b)**.

2 (c) The penalties prescribed under this section do not apply to an
3 individual or his dependents if he:

- 4 (1) is in the military or naval forces of the United States on the
5 assessment date; and
6 (2) is covered by the federal Soldiers' and Sailors' Civil Relief
7 Act.

8 (d) If a person subject to IC 6-1.1-3-7(d) fails to include on a
9 personal property return the information, if any, that the state board of
10 tax commissioners requires under IC 6-1.1-3-9 or IC 6-1.1-5-13, the
11 county auditor shall add a penalty to the property tax installment next
12 due for the return. The amount of the penalty is twenty-five dollars
13 (\$25).

14 (e) If the total assessed value that a person reports on a personal
15 property return is less than the total assessed value that the person is
16 required by law to report and if the amount of the undervaluation
17 exceeds five percent (5%) of the value that should have been reported
18 on the return, then the county auditor shall add a penalty of twenty
19 percent (20%) of the additional taxes finally determined to be due as
20 a result of the undervaluation. The penalty shall be added to the
21 property tax installment next due for the return on which the property
22 was undervalued. If a person has complied with all of the requirements
23 for claiming a deduction, an exemption, or an adjustment for abnormal
24 obsolescence, then the increase in assessed value that results from a
25 denial of the deduction, exemption, or adjustment for abnormal
26 obsolescence is not considered to result from an undervaluation for
27 purposes of this subsection.

28 (f) A penalty is due with an installment under subsection (a), (d), or
29 (e) whether or not an appeal is filed under IC 6-1.1-15-5 with respect
30 to the tax due on that installment.

 3 UPON PASSAGE]: Sec. 24. (a) After considering the evidence, the
 4 designating body shall take final action determining whether the
 5 qualifications for deduction have been met and confirming, modifying
 6 and confirming, or rescinding the resolution. For each deduction
 7 granted by the designating body, the designating body shall state in the
 8 resolution ~~granted~~ **granting** the deduction whether the deduction is for
 9 three (3) ~~six~~ (6), or ten (10) years. This determination is final except
 10 that an appeal may be taken and heard as provided under sections 25
 11 and 26 of this chapter.

12 (b) A determination to grant a deduction under this chapter may be
 13 made:

14 (1) as part of the resolution adopted under section 13 of this
 15 chapter; or

16 (2) by resolution adopted within sixty (60) days after receiving a
 17 copy of a property owner's certified deduction application from
 18 the county auditor. A certified copy of the resolution shall be sent
 19 to the county auditor.

20 (c) The grant allowing a brownfield revitalization zone deduction
 21 expires on the earliest of the following:

22 (1) The date that the designating body determines that the
 23 applicant has failed to make reasonable progress towards the
 24 completion of the remediation. A designating body may not make
 25 a determination under this subdivision before a date that is at least

36 SECTION 28. IC 6-1.1-42-30, AS ADDED BY P.L.59-1997,
 37 SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 38 UPON PASSAGE]: Sec. 30. (a) Within forty-five (45) days after
 39 receipt of the information described in section 29 of this chapter, the
 40 designating body may determine whether the property owner has
 41 substantially complied with the statement of benefits filed under
 42 sections 6 and 18 of this chapter.

C

1 (b) If the designating body determines that the property owner has
 2 not substantially complied with the statement of benefits and that the
 3 failure to substantially comply was not caused by factors beyond the
 4 control of the property owner (such as declines in demand for the
 5 property owner's products or services), the designating body shall mail
 6 a written notice to the property owner. The written notice must include
 7 the following provisions:

8 (1) An explanation of the reasons for the designating body's
 9 determination.

10 (2) The date, time, and place of a hearing to be conducted by the
 11 designating body for the purpose of further considering the
 12 property owner's compliance with the statement of benefits. The
 13 date of the hearing may not be more than thirty (30) days after the
 14 date on which the notice is mailed.

15 If a notice mailed to a property owner concerns a statement of benefits
 16 approved under ~~section 4.5~~ **section 24** of this chapter, the designating
 17 body shall also mail a copy of the notice to the state board of tax
 18 commissioners.

19 (c) On the date specified in the notice described in subsection
 20 (b)(2), the designating body shall conduct a hearing for the purpose of
 21 further considering the property owner's compliance with the statement
 22 of benefits. Based on the information presented at the hearing by the
 23 property owner and other interested parties, the designating body shall
 24 again determine whether the property owner has made reasonable
 25 efforts to substantially comply with the statement of benefits and
 26 whether any failure to substantially comply was caused by factors
 27 beyond the control of the property owner. If the designating body
 28 determines that the property owner has not made reasonable efforts to
 29 comply with the statement of benefits, the designating body shall adopt
 30 a resolution terminating the property owner's deduction under section
 31 24 of this chapter. If the designating body adopts such a resolution, the
 32 deduction does not apply to the next installment of property taxes owed
 33 by the property owner or to any subsequent installment of property
 34 taxes.

35 (d) If the designating body adopts a resolution terminating a
 36 deduction under subsection (c), the designating body shall immediately
 37 mail a certified copy of the resolution to:

38 (1) the property owner;

39 (2) the county auditor; and

40 (3) the state board of tax commissioners if the deduction was

 2 deduction. If the designating body's resolution is adopted after the
 3 county treasurer has mailed the statement required by IC 6-1.1-22-8,
 4 the county treasurer shall immediately mail the property owner a
 5 revised statement that reflects the termination of the deduction.

6 (e) A property owner whose deduction is terminated by the
 7 designating body under this section may appeal the designating body's
 8 decision by filing a complaint in the office of the clerk of the circuit or
 9 superior court together with a bond conditioned to pay the costs of the
 10 appeal if the appeal is determined against the property owner. An
 11 appeal under this subsection shall be promptly heard by the court
 12 without a jury and determined within thirty (30) days after the time of
 13 the filing of the appeal. The court shall hear evidence on the appeal and
 14 may confirm the action of the designating body or sustain the appeal.
 15 The judgment of the court is final and conclusive unless an appeal is
 16 taken as in other civil actions.

17 (f) If an appeal under subsection (e) is pending, the taxes resulting
 18 from the termination of the deduction are not due until after the appeal
 19 is finally adjudicated and the termination of the deduction is finally
 20 determined.

 30 receiving a deduction that was filed for during the year.

31 (B) The amount of each deduction that was filed for during the
 32 year.

 34 during the year will be available.

35 (D) The total amount for all deductions that were filed for and

 5 SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 6 UPON PASSAGE]: Sec. 33. (a) This section applies only to the
 7 following requirements under ~~section 3~~ of this chapter:

8 (1) Failure to provide the completed statement of benefits form to

11 (2) Failure to submit the completed statement of benefits form to

(c) With each return filed, with each payment by cashier's check, certified check, or money order delivered in person or by overnight courier, and with each electronic fund transfer made, a taxpayer shall pay to the department the remainder of:

(1) either twenty-five percent (25%) of the estimated or the exact amount of gross income tax which is due; minus

(2) the amount of gross income tax which was withheld pursuant to IC 6-2.1-6.

(d) If a taxpayer's estimated annual gross income tax liability does not exceed one thousand dollars (\$1,000), then the taxpayer is not required to file an estimated gross income tax return.

(e) If a taxpayer is required to file an annual gross income tax return under section 2.1 of this chapter, and pays in full the taxpayer's gross income tax liability for that taxable year before the taxpayer's final estimated return is due, then the taxpayer is not required to file the final estimated gross income tax return for that same taxable year.

(f) If the department determines that a taxpayer's:

(1) estimated quarterly gross income tax liability for the current year; or

(2) average estimated quarterly gross income tax liability for the preceding year;

exceeds, *before January 1, 1998, twenty thousand dollars (\$20,000) and, after December 31, 1997, ten thousand dollars (\$10,000)*, the taxpayer shall pay the estimated gross income taxes due by electronic funds transfer (as defined in IC 4-8.1-2-7) or by delivering in person or by overnight courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the tax is due.

(g) If a taxpayer's gross income tax payment is made by electronic funds transfer, the taxpayer is not required to file an estimated gross income tax return.

SECTION 32. IC 6-3-4-4.1, AS AMENDED BY P.L.28-1997, SECTION 14, AND P.L.260-1997(ss), SECTION 51, IS CORRECTED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 1998 (RETROACTIVE)]: Sec. 4.1. (b) Any individual required by the Internal Revenue Code to file estimated tax returns and to make payments on account of such estimated tax shall file estimated tax returns and make payments of the tax imposed by this article to the department at the time or times and

1 in the installments as provided by Section 6654 of the Internal Revenue
 2 Code. However, in applying Section 6654 of the Internal Revenue Code
 3 for the purposes of this article, "estimated tax" means the amount
 4 which the individual estimates as the amount of the adjusted gross
 5 income tax imposed by this article for the taxable year, minus the
 6 amount which the individual estimates as the sum of any credits against
 7 the tax provided by IC 6-3-3.

8 (c) Every individual who has gross income subject to the tax
 9 imposed by this article and from which tax is not withheld under the
 10 requirements of section 8 of this chapter shall make a declaration of
 11 estimated tax for the taxable year. However, no such declaration shall
 12 be required if the estimated tax can reasonably be expected to be less
 13 than four hundred dollars (\$400). In the case of an underpayment of the
 14 estimated tax as provided in Section 6654 of the Internal Revenue
 15 Code, there shall be added to the tax a penalty in an amount prescribed
 16 by IC 6-8.1-10-2.1(b).

17 (d) Every corporation subject to the adjusted gross income tax
 18 liability imposed by IC 6-3 shall be required to report and pay an
 19 estimated tax equal to twenty-five percent (25%) of such corporation's
 20 estimated adjusted gross income tax liability for the taxable year, less
 21 the credit allowed by IC 6-3-3-2 for the tax imposed on gross income.
 22 Such estimated payment shall be made at the same time and in
 23 conjunction with the reporting of gross income tax as provided for in
 24 IC 6-2.1-5. The department shall prescribe the manner and forms for
 25 such reporting and payment.

26 (e) The penalty prescribed by IC 6-8.1-10-2.1(b) shall be assessed
 27 by the department on corporations failing to make payments as required
 28 in subsection (d) or (g). However, no penalty shall be assessed as to
 29 any estimated payments of adjusted gross income tax plus
 30 supplemental net income tax plus gross income tax which equal or
 31 exceed:

- 32 (1) twenty percent (20%) of the final tax liability for such taxable
 33 year; or
- 34 (2) twenty-five percent (25%) of the final tax liability for the
 35 taxpayer's previous taxable year.

36 In addition, the penalty as to any underpayment of tax on an estimated
 37 return shall only be assessed on the difference between the actual
 38 amount paid by the corporation on such estimated return and
 39 twenty-five percent (25%) of the sum of the corporation's final adjusted
 40 gross income tax plus supplemental net income tax liability for such
 41 taxable year.

42 (f) The provisions of subsection (d) requiring the reporting and

 2 only to corporations having an adjusted gross income tax liability
 3 which, after application of the credit allowed by IC 6-3-3-2, shall
 4 exceed one thousand dollars (\$1,000) for its taxable year.

5 (g) If the department determines that a corporation's:

6 (1) estimated quarterly adjusted gross income tax liability for the
 7 current year; or

8 (2) average estimated quarterly adjusted gross income tax liability
 9 for the preceding year;

10 exceeds, *before January 1, 1998, twenty thousand dollars (\$20,000),*
 11 *and, after December 31, 1997, ten ~~thousand~~ thousand* dollars
 12 (\$10,000), after the credit allowed by IC 6-3-3-2, the corporation shall
 13 pay the estimated adjusted gross income taxes due by electronic funds
 14 transfer (as defined in IC 4-8.1-2-7) or by delivering in person or
 15 overnight by courier a payment by cashier's check, certified check, or
 16 money order to the department. The transfer or payment shall be made
 17 on or before the date the tax is due.

18 (h) If a corporation's adjusted gross income tax payment is made by
 19 electronic funds transfer, the corporation is not required to file an
 20 estimated adjusted gross income tax return.

21 SECTION 33. IC 8-1-2-103, AS AMENDED BY P.L.79-1997,
 22 SECTION 1, AND P.L.80-1997, SECTION 1, IS CORRECTED TO
 23 READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 103. (a)
 24 No public utility, or agent or officer thereof, or officer of any
 25 municipality constituting a public utility, as defined in this chapter,
 26 may charge, demand, collect, or receive from any person a greater or
 27 less compensation for any service rendered or to be rendered, or for any
 28 service in connection therewith, than that prescribed in the published
 29 schedules or tariffs then in force or established as provided herein, or
 30 than it charges, demands, collects, or receives from any other person
 31 for a like and contemporaneous service. A person who recklessly
 32 violates this subsection commits a Class A misdemeanor.

33 (b) Notwithstanding subsection (a) of this section, if a city of less
 34 than twenty thousand (20,000) in population according to the most
 35 recent federal decennial census, constituting a public water utility, and
 36 acting as a public utility prior to May 1, 1913, either as such city, or by
 37 any commercial association, chamber of commerce, or committee with
 38 the consent of such city, entered into any agreement with any person
 39 engaged in manufacturing any articles of commerce to furnish free

 41 engaged in manufacturing to locate the establishment or manufacturing
 42 plant of such person within such city, such city may carry out such

1 agreement to furnish free water to such person for the period of time
 2 remaining, as stipulated in such contract. This chapter does not prohibit
 3 any public utility from supplying or furnishing free service or service
 4 at special rates to any municipality, or any institution or agency of such
 5 municipality, in cases where the supplying or furnishing of such free
 6 service or service at special rates is stipulated in any provision of the
 7 franchise under which such public utility was operating before May 16,
 8 1919, or, in the event that such franchise shall have been surrendered,
 9 from supplying or furnishing such free service or service at special
 10 rates until such time as the franchise would have expired had it not
 11 been surrendered under this chapter; and it shall be the duty of any
 12 utility operating under any franchise, stipulating for free service or
 13 service at special rates to municipality, or any institution or agency of
 14 such municipality, to furnish such free service or service at special
 15 rates.

16 (c) This subsection applies to a public utility that provides water for
 17 public fire protection services in both a county containing a
 18 consolidated city and in portions of counties that are adjacent to the
 19 county containing a consolidated city. This subsection applies
 20 throughout the territory served by the public utility. In the case of a
 21 public utility furnishing water and beginning on January 1, 1994, the
 22 charges for the production, storage, transmission, sale and delivery, or
 23 furnishing of water for public fire protection purposes shall be included
 24 in the basic rates of the customers of the public utility. However, the
 25 construction cost of any fire hydrant installed after December 31, 1993,
 26 at the request of a municipality, township, county, or other
 27 governmental unit shall be paid for by or on behalf of the municipality,
 28 township, county, or other governmental unit. The change in the
 29 recovery of current revenue authorized by this section shall be reflected
 30 in a new schedule of rates to be filed with the commission at least thirty
 31 (30) days before the time the new schedule of rates is to take effect.

32 The new schedule of rates shall:

- 33 (1) eliminate fire protection charges billed directly to
 34 governmental units, other than charges for the construction cost
 35 for new hydrants installed after December 31, 1993; and
 36 (2) increase the rates charged each customer of the utility, based
 37 on equivalent meter size, by an amount equal to:
 38 (A) the revenues lost from the elimination of such fire
 39 protection charges; divided by
 40 (B) the current number of equivalent five-eighths (5/8) inch
 41 meters.

42 This change in the recovery of public fire protection costs shall not be

1 considered to be a general increase in basic rates and charges of the
 2 public utility and is not subject to the notice and hearing requirements
 3 applicable to general rate proceedings. The commission shall approve
 4 the new schedule of rates that are to be effective January 1, 1994.

5 (d) This subsection applies to a public utility or a municipally
 6 owned water utility that is not subject to subsection (c). *Except as*
 7 *provided in subsection (e)*, in the case of a public utility or municipally
 8 owned water utility furnishing water, if the governing body of the
 9 governmental unit with the greatest number of customers of the utility
 10 adopts an ordinance providing that costs shall be recovered under this
 11 subsection, the charges for the production, storage, transmission, sale
 12 and delivery, or furnishing of water for public fire protection purposes
 13 shall be included in the basic rates of all customers of the utility.
 14 However, on or after a date specified in the ordinance, the construction
 15 cost of any fire hydrant installed at the request of a municipality,
 16 township, county, or other governmental unit that adopts an ordinance
 17 under this subsection shall be paid for by or on behalf of the
 18 municipality, township, county, or other governmental unit. The change
 19 in the recovery of current revenue authorized by the ordinance shall be
 20 reflected in a new schedule of rates to be filed with the commission at
 21 least thirty (30) days before the time the new schedule of rates is to take
 22 effect. The new schedule of rates shall:

23 (1) eliminate fire protection charges billed directly to
 24 governmental units, other than charges for the construction cost
 25 for new hydrants installed on and after the date specified in the
 26 ordinance; and

27 (2) increase the rates charged each customer of the utility, based
 28 on equivalent meter size, by an amount equal to:

29 (A) the revenues lost from the elimination of such fire
 30 protection charges; divided by

31 (B) the current number of equivalent five-eighths (5/8) inch
 32 meters.

33 This change in the recovery of public fire protection costs shall not be
 34 considered to be a general increase in basic rates and charges of the
 35 utility and is not subject to the notice and hearing requirements
 36 applicable to general rate proceedings. The commission shall approve
 37 the new schedule of rates that are to be effective on a date specified in
 38 the ordinance.

39 (e) *This subsection applies to a municipally owned water utility in*
 40 *a city having a population of more than forty-three thousand (43,000)*
 41 *but less than forty-three thousand seven hundred (43,700). The city*
 42 *may adopt a plan to recover costs as described in subsection (d)*

C

1 without passing an ordinance, if the plan applies only to customers of
 2 the utility residing in a county having a population of more than two
 3 hundred thousand (200,000) but less than three hundred thousand
 4 (300,000). If the city wishes to adopt such a plan, the city shall file a
 5 new schedule of rates with the commission, but is not subject to
 6 commission approval of the rates.

7 ~~(e)~~ (f) In the case of a change in the method of recovering public
 8 fire protection costs under an ordinance adopted under subsection (d):

9 (1) on or after July 1, 1997, a customer of the utility located
 10 outside the limits of a municipality whose property is not located
 11 within one thousand (1,000) feet of a fire hydrant (measured from
 12 the hydrant to the nearest point on the property line of the
 13 customer) must be excluded from the increase in rates
 14 attributable to the change and must not be included in the number
 15 of equivalent five-eighths (5/8) inch meters for purposes of
 16 subsection (d)(2)(B); or

17 (2) before July 1, 1997, the commission may:

18 (A) in the context of a general rate proceeding initiated by the
 19 utility; or

20 (B) upon petition of:

21 (i) the utility;

22 (ii) the governmental unit that passed the ordinance; or

23 (iii) an affected customer;

24 prospectively exclude public fire protection costs from the rates
 25 charged to customers located outside the limits of any
 26 municipality whose property is not located within one thousand
 27 (1,000) feet of a fire hydrant (measured from the hydrant to the
 28 nearest point on the property line of the customer) if the
 29 commission authorizes a simultaneous increase in the rates of the
 30 utility's other customers to the extent necessary to prevent a loss
 31 of revenues to the utility.

32 An increase in the rates of the utility's other customers under
 33 subdivision (2) may not be construed to be a general increase in basic
 34 rates and charges of the utility and is not subject to the hearing
 35 requirements applicable to general rate proceedings. This subsection
 36 does not prohibit the commission from adopting different methods of
 37 public fire protection cost recovery for unincorporated areas after
 38 notice and hearing within the context of a general rate proceeding or
 39 other appropriate proceeding.

- 27 (1) The owner or operator has complied with the following:
 28 (A) This article or IC 13-7-20 (before its repeal).
 29 (B) Rules adopted under this article or IC 13-7-20 (before

 32 (D) Regulations adopted under 42 U.S.C. 6991 through

4 or deemed approved under this subdivision. The corrective
5 action plan for sites with a release from an underground
6 petroleum storage tank that impacts soil or groundwater, or both,
7 is automatically deemed approved only as long as:

8 (A) the owner or operator, or an agent of the owner or
9 operator, conforms with:

10 (i) the department's initial site investigation report
11 guidelines, including an investigation that completely
12 defines the horizontal and vertical extent of any soil
13 and groundwater contamination; and

14 (ii) the department's cleanup guidelines set forth in the
15 Underground Storage Tank Branch Guidance Manual,
16 including the department's risk-based corrective action
17 plan standards when the standards become effective;

19 (B) the soil and groundwater contamination is confined to
20 the owner's or operator's property.

21 If the corrective action plan fails to satisfy any of the
22 requirements of clause (A) or (B), the plan is automatically
23 deemed disapproved. If a plan is disapproved, an owner or
24 operator may supplement the corrective action plan. The
25 corrective action plan is automatically deemed approved when
26 the cause for the disapproval is corrected. For purposes of this
27 subdivision, in the event of a conflict between compliance with
28 an owner's or operator's corrective action plan and the
29 department's cleanup guidelines or standards in clause (A), the
30 department's cleanup guidelines or standards control. The
31 department may audit any corrective action plan. If the
32 commissioner denies the plan, a detailed explanation of all the
33 deficiencies of the plan must be provided with the denial.

34 *(b) An owner or operator is eligible to receive money from the

36 approved or deemed approved if:*

37 *(1) the work for which payment is sought under IC 13-23-9-2
38 was an immediate removal in response to a petroleum release
39 that created the need for emergency action to abate an
40 immediate threat of harm to human health, property, or the

 31 consents to the annexation. However, if territory annexed under this
 32 subsection is not used as an industrial park within five (5) years after
 33 the date of passage of the annexation ordinance, or if the territory
 34 ceases to be used as an industrial park for at least one (1) year, the
 35 territory reverts to the jurisdiction of the unit having jurisdiction before
 36 the annexation if the unit that had jurisdiction over the territory still

 40 municipality shall notify the offices entitled to receive notice of a

2 (c) A city in a county with a population of more than two hundred
3 thousand (200,000) but less than three hundred thousand (300,000)
4 may not annex territory as prescribed in subsection (b) until the
5 territory is zoned by the county for industrial purposes.

6 (d) Notwithstanding any other law, territory that is annexed under
7 subsection (b) or ~~(g)~~ (h) is not considered a part of the municipality for
8 the purposes of:

9 (1) annexing additional territory:

10 (A) in a county that is not described by clause (B); or

11 (B) in a county having a population of more than two
12 hundred thousand (200,000) but less than three hundred
13 thousand (300,000), unless the boundaries of the
14 noncontiguous territory become contiguous to the city, as
15 allowed by Indiana law;

16 (2) expanding the municipality's extraterritorial jurisdictional
17 area; or

18 (3) changing an assigned service area under IC 8-1-2.3-6(1).

19 (e) As used in this section, "airport" and "landing field" have the
20 meanings prescribed by IC 8-22-1.

21 (f) As used in this section, "hospital" has the meaning prescribed
22 by IC 16-18-2-179(b).

23 (g) An ordinance adopted under this section must assign the
24 territory annexed by the ordinance to at least one (1) municipal
25 legislative body district.

26 (h) This subsection applies to a municipality having a population
27 of more than thirty-two thousand (32,000) but less than thirty-three
28 thousand (33,000) that is located within a county having a population
29 of more than seventy-three thousand (73,000) but less than seventy-five
30 thousand (75,000). The legislative body of a municipality may, by
31 ordinance, annex territory that:

32 (1) is not contiguous to the municipality;

33 (2) has its entire area not more than eight (8) miles from the
34 municipality's boundary;

35 (3) does not extend more than:

7 appointment and until his successor is appointed and has qualified,
8 except that the original commissioners shall serve from the date of their
9 appointment until the first day of January in the second year after their

13 (b) Each redevelopment commissioner, before beginning his
14 duties, shall take and subscribe an oath of office in the usual form, to

16 promptly filed with the clerk for the unit that he serves.

17 (c) Each redevelopment commissioner, before beginning his
18 duties, shall execute a bond payable to the state, with surety to be
19 approved by the executive of the unit. The bond must be in the penal
20 sum of fifteen thousand dollars (\$15,000) and must be conditioned on

22 for all monies and property that may come into his hands or under his
23 control. The cost of the bond shall be paid by the special taxing district.

24 (d) A redevelopment commissioner must be at least eighteen (18)
25 years of age, and must be a resident of the unit that he serves.

26 (e) If a commissioner ceases to be qualified under this section, he
27 forfeits his office.

28 (f) Except as provided in subsection (g), redevelopment
29 commissioners are not entitled to salaries but are entitled to
30 reimbursement for expenses necessarily incurred in the performance of
31 their duties.

32 (g) A redevelopment commissioner who does not otherwise hold
33 a lucrative office for the purpose of Article 2, Section 59 of the Indiana
34 Constitution may receive:

- 35 (1) a salary; or
 - 36 (2) a per diem;

- 11 considered proper to protect and enforce the rights of and
- 12 perform the duties of the authority.
- 13 (11) Exercise the power of eminent domain in the name of and

- 10 (23) Take any action necessary to implement the purpose of the
- 11 authority.
- 12 (24) Provide financial assistance, in the manner that best serves
- 13 the purposes set forth in section 11(b) of this chapter, including

- 18 (d) An authority may designate all or a portion of an economic

- 27 applies to such a modification. An allocation area established by an
- 28 authority under this section is a special taxing district authorized by the
- 29 general assembly to enable the unit to provide special benefits to

1 IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation
2 fund may be used by the authority only to do one (1) or more of the
3 following:

4 (1) Pay the principal of and interest and redemption premium on
5 any obligations incurred by the special taxing district or any
6 other entity for the purpose of financing or refinancing military
7 base reuse activities in or serving or benefitting that allocation
8 area.

9 (2) Establish, augment, or restore the debt service reserve for
10 obligations payable solely or in part from allocated tax proceeds
11 in that allocation area or from other revenues of the authority
12 (including lease rental revenues).

13 (3) Make payments on leases payable solely or in part from
14 allocated tax proceeds in that allocation area.

15 (4) Reimburse any other governmental body for expenditures
16 made by it for local public improvements or structures in or
17 serving or benefitting that allocation area.

18 (5) Pay all or a portion of a property tax replacement credit to
19 taxpayers in an allocation area as determined by the authority.
20 This credit equals the amount determined under the following
21 STEPS for each taxpayer in a taxing district (as defined in
22 IC 6-1.1-1-20) that contains all or part of the allocation area:

23 STEP ONE: Determine that part of the sum of the amounts
24 under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2),
25 IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and
26 IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

27 STEP TWO: Divide:
28 (A) that part of the twenty percent (20%) of each
29 county's total county tax levy payable that year as
30 determined under IC 6-1.1-21-4 that is attributable to
31 the taxing district; by

32 (B) the STEP ONE sum.

33 STEP THREE: Multiply:
34 (A) the STEP TWO quotient; by
35 (B) the total amount of the taxpayer's property taxes
36 levied in the taxing district that have been allocated
37 during that year to an allocation fund under this
38 section.

39 If not all the taxpayers in an allocation area receive the credit in
40 full, each taxpayer in the allocation area is entitled to receive the
41 same proportion of the credit. A taxpayer may not receive a
42 credit under this section and a credit under IC 36-7-14-39.5 in

(6) Pay expenses incurred by the authority for local public improvements or structures that are in the allocation area or serving or ~~benefitting~~ *benefiting* the allocation area.

(7) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (A) in the allocation area; and
- (B) on a parcel of real property that has been classified as industrial property under the rules of the state board of tax commissioners.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in clause (B). The reimbursements under this subdivision must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made. The allocation fund may not be used for operating expenses of the authority.

(e) In addition to other methods of raising money for property acquisition, redevelopment, or economic development activities in or directly serving or benefitting an economic development area created by an authority under this section, and in anticipation of the taxes allocated under subsection (d), other revenues of the authority, or any combination of these sources, the authority may, by resolution, issue the bonds of the special taxing district in the name of the unit. Bonds issued under this section may be issued in any amount without limitation. The following apply if such a resolution is adopted:

- (1) The authority shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.
- (2) The bonds must be executed by the appropriate officer of the unit and attested by the unit's fiscal officer.
- (3) The bonds are exempt from taxation for all purposes.
- (4) Bonds issued under this section may be sold at public sale in accordance with IC 5-1-11 or at a negotiated sale.
- (5) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the authority:
 - (A) from the tax proceeds allocated under subsection (d);
 - (B) from other revenues available to the authority; or

- 1 (C) from a combination of the methods stated in clauses (A)
 2 and (B).
- 3 (6) Proceeds from the sale of bonds may be used to pay the cost
 4 of interest on the bonds for a period not to exceed five (5) years
 5 from the date of issuance.
- 6 (7) Laws relating to the filing of petitions requesting the issuance
 7 of bonds and the right of taxpayers to remonstrate against the
 8 issuance of bonds do not apply to bonds issued under this
 9 section.
- 10 (8) If a debt service reserve is created from the proceeds of
 11 bonds, the debt service reserve may be used to pay principal and
 12 interest on the bonds as provided in the bond resolution.
- 13 (9) If bonds are issued under this chapter that are payable solely
 14 or in part from revenues to the authority from a project or
 15 projects, the authority may adopt a resolution or trust indenture
 16 or enter into covenants as is customary in the issuance of
 17 revenue bonds. The resolution or trust indenture may pledge or
 18 assign the revenues from the project or projects. The resolution
 19 or trust indenture may also contain any provisions for protecting
 20 and enforcing the rights and remedies of the bond owners as may
 21 be reasonable and proper and not in violation of law, including
 22 covenants setting forth the duties of the authority. The authority
 23 may establish fees and charges for the use of any project and
 24 covenant with the owners of any bonds to set those fees and
 25 charges at a rate sufficient to protect the interest of the owners
 26 of the bonds. Any revenue bonds issued by the authority that are
 27 payable solely from revenues of the authority shall contain a
 28 statement to that effect in the form of bond.
- 29 (f) Notwithstanding section 8(a) of this chapter, an ordinance
 30 adopted under section 11(b) of this chapter may provide, or be
 31 amended to provide, that the board of directors of the authority shall be
 32 composed of not fewer than three (3) nor more than seven (7)
 33 members, who must be residents of the unit appointed by the executive
 34 of the unit.
- 35 (g) The acquisition of real and personal property by an authority
 36 under this section is not subject to the provisions of ~~IC 36-1-9~~, IC 5-22,
 37 IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the
 38 purchase of property by public bodies or their agencies.
- 39 (h) An authority may negotiate for the sale, lease, or other
 40 disposition of real and personal property without complying with the

1 (i) Notwithstanding any other law, utility services provided within

15 (a) To raise money to pay for the property and the construction, and in
 16 anticipation of the special tax to be levied as provided in sections 19
 17 and 29 of this chapter, the board ~~shall~~ may have issued, in the name of
 18 the municipality, the bonds of the district. The bonds may not exceed
 19 in amount the estimated cost of all land, rights-of-way, and other
 20 property to be acquired and the estimated cost of all construction as
 21 provided in the resolution, including all expenses necessarily incurred
 22 in connection with the proceedings, together with a sum sufficient to
 23 pay the cost of supervision and inspection during the period of
 24 construction. The expenses to be covered by the bond issue include all
 25 expenses of every kind actually incurred preliminary to acquisition of
 26 the property and the construction of the work, such as the cost of
 27 necessary records, engineering expenses, publication of notices,
 28 salaries, and other expenses.

29 (b) If different parcels of land are to be acquired, or if more than
 30 one (1) contract for work is let by the board at approximately the same
 31 time, whether under one (1) or more resolutions of the board, the
 32 estimated cost may be combined in one (1) bond issue. The bonds shall
 33 be issued in denominations of at least one thousand dollars (\$1,000)
 34 each *in not less than five (5) nor more than fifty (50) annual series of*

1 (c) Upon adoption of a resolution ordering bonds, the board shall
 2 certify a copy of the resolution to the municipal fiscal officer, who shall

 5 exempt from taxation for all purposes, except the financial institutions

 9 notice of the sale by publication in accordance with IC 5-3-1.

10 (d) The bonds are not a corporate obligation or indebtedness of the

 12 taxing district. ~~The~~ *Except as provided in section 29(c) of this chapter,*

 16 which they are issued.

17 (e) ~~Instead of selling the bonds in series,~~ The board may sell bonds
 18 of the district to run for a period of five (5) years from the date of sale.
 19 The five (5) year bonds are exempt from taxation for all purposes
 20 except for the financial institutions tax *imposed under IC 6-5.5*. The

 22 refunding at any time the five (5) year bonds. Actions questioning the
 23 validity of the bonds issued or to prevent their issue may not be brought
 24 after the date set for the sale of the bonds, and all bonds are
 25 incontestable for any cause after that date.

26 (f) The total amount of the bond issue, including bonds already
 27 issued and to be issued, may not exceed twelve percent (12%) of the

 10 be issued in denominations of at least one thousand dollars (\$1,000)
 11 each *in not less than five (5) nor more than fifty (50) annual series of*
 12 *amounts that the board determines. They are payable one (1) series*
 13 *each year, beginning on a date after the receipt of taxes from a levy*
 14 *made for that purpose and shall have a final maturity of not later than*
 15 *fifty (50) years from the date of issue.* The bonds are negotiable unless
 16 registered, but may be made registrable for principal only or principal
 17 and interest. The bonds may be made redeemable before the stated
 18 maturities on terms and conditions and at the premiums that the board
 19 determines in the resolution authorizing the issuance of the bonds.

20 (c) Upon adoption of a resolution ordering bonds, the board shall
 21 certify a copy of the resolution to the municipal fiscal officer, who shall
 22 then prepare the bonds. The municipal executive shall execute the
 23 bonds and the fiscal officer shall attest them. The bonds and interest are
 24 exempt from taxation for all purposes, except the financial institutions
 25 tax ~~and the imposed under IC 6-5.5~~ or an inheritance tax imposed
 26 under IC 6-4.1. All bonds issued by the board shall be sold by the fiscal
 27 officer to the highest bidder, but not for less than par, after giving
 28 notice of the sale by publication in accordance with IC 5-3-1.

29 (d) The bonds are not a corporate obligation or indebtedness of the
 30 municipality, but constitute an indebtedness of the district as a special
 31 taxing district. *Except as provided in section 29(c) of this chapter,* the
 32 bonds and interest are payable only out of a special tax levied upon all
 33 the property of the district as provided in this chapter. The bonds must
 34 recite these terms upon their face, together with the purpose for which
 35 they are issued.

36 (e) ~~Instead of selling the bonds in series,~~ The board may sell bonds
 37 of the district to run for a period of five (5) years from the date of sale.
 38 The five (5) year bonds are exempt from taxation for all purposes
 39 except for the financial institutions tax imposed under IC 6-5.5. The
 40 board may sell bonds of the district in series for the purpose of
 41 refunding at any time the five (5) year bonds. Actions questioning the
 42 validity of the bonds issued or to prevent their issue may not be brought

2 incontestable for any cause after that date.

3 (f) The total amount of the bond issue, including bonds already
4 issued and to be issued, may not exceed twelve percent (12%) of the
5 total *assessed valuation (after deducting mortgage exemptions) of the*
6 *property within the district adjusted value of taxable property in the*

9 SECTION 88. IC 36-9-27-30, AS AMENDED BY P.L.2-1997,
10 SECTION 84, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
11 UPON PASSAGE]: Sec. 30. (a) Whenever the county surveyor is not
12 registered under ~~IC 25-21.5~~ or IC 25-31 and that statute prohibits an
13 unregistered person from performing any function that the county
14 surveyor is directed to do under this chapter, the surveyor shall employ
15 and fix the compensation of a person who is so registered to work with
16 the surveyor in performing those functions. However, if the county
17 surveyor does not employ a registered person within one (1) year of the
18 acceptance of a petition for construction or reconstruction of a drain,
19 the board may make the appointment of a registered person that this
20 section requires.

21 (b) The person employed by the surveyor, who shall be known as
22 a qualified deputy, shall file with the county surveyor the original of all
23 plans, specifications, and other documents made by the person in
24 performing the work for which the person was employed. Those plans,
25 specifications, and other documents become a part of the permanent
26 file of the surveyor's office, which the surveyor shall maintain for the
27 use of the board as provided in section 109 of this chapter.

28 (c) The rate of compensation paid to a qualified deputy shall be
29 assessed against the drainage project for which the deputy was
30 employed.

31 (d) This subsection applies whenever the county surveyor is not
32 registered under ~~IC 25-21.5~~ or IC 25-31. If the county has a full-time
33 employee who is registered under ~~IC 25-21.5~~ or IC 25-31 the board
34 may, subject to the approval of the county executive, designate that
35 person to perform any function of the county surveyor under this
36 chapter. If a designation is made and approved under this subsection,
37 the county surveyor may not employ a registered person under
38 subsection (a) to perform that same function.

39 SECTION 89. IC 36-9-27-71, AS AMENDED BY P.L.2-1997,
40 SECTION 86, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
41 UPON PASSAGE]: Sec. 71. (a) When, in the construction or
42 reconstruction of a regulated drain, the county surveyor determines that

C

1 the proposed drain will cross a public highway or the right-of-way of
2 a railroad company at a point where:

3 (1) there is no crossing; or

4 (2) the crossing will not adequately handle or will be endangered
5 by the flow of water from the drain when completed;

6 the county surveyor shall include in the plans the grade and cross
7 section requirements for a new crossing, or the requirements for
8 altering, enlarging, repairing, or replacing the crossing. The surveyor
9 shall mail a copy of the requirements addressed to the owner of the
10 highway or right-of-way.

11 (b) When requested by the owner of the highway or right-of-way,
12 the county surveyor shall meet with the owner at a time and place to be
13 fixed by the surveyor. The surveyor shall hear objections to the
14 requirements, and may then change the requirements as justice may
15 require.

16 (c) When the board finds that in the construction, reconstruction,
17 or maintenance of a regulated drain it is necessary to:

18 (1) alter, enlarge, repair, or replace a crossing; or

19 (2) construct a new crossing where none existed before;

20 the cost of the work on the crossing shall be paid by the owner of the
21 public highway. This cost may not be considered by the county
22 surveyor or by the board in determining the cost of the work on the
23 drain or in assessing benefits and damages. However, if it is necessary
24 for the owner of a public highway to construct a new crossing because
25 of a cut-off for the purpose of shortening or straightening a regulated
26 drain, the owner of the public highway shall pay one-half (1/2) of the
27 cost of the new crossing, and the remainder shall be included in the
28 cost of the work on the drain.

29 (d) A railroad company with a right-of-way that is:

30 (1) crossed by the construction of a regulated drain; or

31 (2) affected by the altering or enlarging of a crossing;

32 shall pay one-half (1/2) of the cost of the work on the crossing and the
33 remainder shall be included in the cost of the work on the drain.

34 (e) If the county surveyor is registered under ~~IC 25-21.5~~ or
35 IC 25-31, the county surveyor must review and approve or disapprove
36 the plans and hydraulic data for an existing crossing that is to be
37 altered, enlarged, repaired, or replaced, or the construction of a new
38 crossing for a public highway or the right-of-way of a railroad
39 company. The county surveyor shall disapprove the plans and hydraulic
40 data if they do not show that the structure will meet structural and
41 hydraulic requirements that will permit the drain to function properly.
42 However, if the county surveyor is not registered under ~~IC 25-21.5~~ or

1 IC 25-31, a registered person who is selected under section 30 of this
2 chapter shall:

- 3 (1) review and approve or disapprove the plans and
4 specifications described in this subsection;
5 (2) inform the county surveyor in writing of the approval or
6 disapproval; and
7 (3) submit all plans, specifications, and hydraulic data along
8 with the approval or disapproval.

9 Approval of the plans and hydraulic data by a person who is registered
10 under ~~IC 25-21.5~~ or IC 25-31 is required before the work may take
11 place.

(a) If the assessed value of property is increased because it has been rehabilitated *and the owner has paid at least ten thousand dollars (\$10,000) for the rehabilitation*, the owner is entitled to have deducted from the assessed value of the property an amount equal to fifty percent (50%) of the increase in assessed value resulting from the rehabilitation. The owner is entitled to this deduction annually for a five (5) year period. However, the maximum deduction which a property owner may receive under this section for a particular year is:

- (1) *twenty fifteen sixty* thousand dollars ~~(\$20,000)~~ ~~(\$15,000)~~ **(\$60,000)** for a single family dwelling unit; or
- (2) *one hundred seventy-five three hundred* thousand dollars ~~(\$100,000)~~ ~~(\$75,000)~~ **(\$300,000)** for any other type of property.

(b) For purposes of this section, the term "property" means a building or structure which was erected at least *fifty (50) ten (10)* years before the date of application for the deduction provided by this section. The term "property" does not include land.

- (1) Territory that is contiguous to the municipality.
- (2) Territory that is not contiguous to the municipality and is occupied by a municipally owned or operated airport or landing field.
- (3) Territory that is not contiguous to the municipality but is found by the legislative body to be occupied by a municipally owned or regulated sanitary landfill, golf course, or hospital. However, if territory annexed under this subsection ceases to be used as a municipally owned or regulated sanitary landfill, golf course, or hospital for at least one (1) year, the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation if the unit that had jurisdiction over the territory still exists. If the unit no longer exists, the territory reverts to the jurisdiction of the unit that would currently have jurisdiction over the territory if the annexation had not occurred. The clerk of the municipality shall notify the offices required to receive notice of a disannexation under section 19 of this chapter when the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation.

If the unit no longer exists, the territory reverts to the jurisdiction of the unit that would currently have jurisdiction over the territory if the annexation had not occurred. (e) As used in this section, "airport" and "landing field" have the meanings prescribed by IC 8-22-1.

(f) As used in this section, "hospital" has the meaning prescribed by IC 16-18-2-179(b).

(g) An ordinance adopted under this section must assign the territory annexed by the ordinance to at least one (1) municipal legislative body district.
