- development.
- (B) Conservation education specialists to help implement district conservation education efforts.
- (C) Urban storm water specialists to provide technical assistance to developers to contain soil erosion on construction sites.
- (7) To make distributions as provided under section 8 of this chapter.

Sec. 8. (a) In addition to funds provided to a district under section 7 of this chapter or from any other source the division of soil conservation shall pay to the district one dollar (\$1) for every one dollar (\$1) the district receives from a political subdivision.

(b) The state is not obligated to match more than ten thousand dollars (\$10,000) under this section.

(c) In order to receive funding under this section, before April 15 of each year a district must certify to the division of soil conservation the amount of money the district received from all political subdivisions during the one (1) year period beginning April 1 of the previous year. The division of soil conservation shall make distributions under this section not later than July 15 of each year.

(d) Before making distributions under this section the division of soil conservation shall determine the total amount of money that has been certified by all districts as having been provided by political subdivisions. If the cumulative amount to be distributed to all districts exceeds the amount appropriated to the fund, the division of soil conservation shall reduce the distribution to each district proportionately.

(e) A district must spend money received under this section for the purposes of the district.

Sec. 9. The districts shall coordinate with the division of soil conservation to compile and provide a report to the executive director of the legislative services agency each year. The report must describe:

- (1) the expenditures of the clean water Indiana fund; and
- (2) the number, type, status, and effectiveness of conservation efforts funded by the clean water Indiana program.
