**Summary of Legislation:** (CCR Amended) (A) This bill increases the penalty for neglect of a dependent from a Class D felony to: (1) a Class C felony if it results in bodily injury; and (2) a Class C felony if the offense involves cruel or unusual confinement or abandonment of the dependent. It adds a conviction of a child's parent, guardian, or custodian for neglect of a dependent as a Class B felony to the list of convictions for offenses in which reasonable efforts to reunify a child with the child's parent, guardian, or custodian or to preserve the child's family are not required. It provides that commission of neglect of a dependent as a Class B felony may be grounds for a school not to employ an individual. It also makes a conforming change.

(B) This bill also requires photographs, x-rays, or physical medical examination reports made with respect to a child who is the subject of a child in need of services investigation to be made available, upon request, to an appropriate law enforcement agency for use in a child abuse or neglect investigation or a proceeding relating to the subject matter of the report.

**Effective Date:** July 1, 1999.

**Explanation of State Expenditures:** (Revised) (A) This bill enhances certain penalty provisions for neglect of a dependent from its current Class D felony. State expenditures would increase if an offender is incarcerated in a state prison for a longer period of time. The following represents current DOC incarceration statistics for these crimes.

<u>Felony</u>	<u>Prison Term</u>	<u>Avg Time Served</u>
Class B	6 to 20 years	3 yrs., 2 mos.
Class C	2 to 8 years	1 yr., 7 mos.
Class D	6 mos. to 3 years	7 mos.

The average expenditure to house an adult offender was \$20,500 in FY 97. Individual facility expenditures range from \$11,000 to \$27,000. (This does not include the cost of new construction.) If offenders can be

housed in existing facilities with no additional staff, the average cost for medical care, food, and clothing is approximately \$1,825 annually or \$5 daily per prisoner. The following represent DOC incarceration rates for the current crimes.

<u>Number of Individuals Incarcerated for Felony Crimes</u>	<u>FY 97</u>	<u>Five Yr. Average</u>
Class D Neglect Of Dependent	7	7
Class B Neglect Of A Dependent	10	8

**Explanation of State Revenues:** (A) No change would likely occur in state revenue as a result of this bill since criminal fines and court fees are the same for all felonies.

**Explanation of Local Expenditures:** (Revised) (B) This provision may entail some costs to the Local Child Protection Service, but these would be minimal.

**Explanation of Local Revenues:** (A) No additional revenues would be expected since the court fee for felonies is \$120.
