IMPACT: State

Summary of Legislation: This bill authorizes and directs the state to convey a certain parcel of real estate under the control of Evansville State Hospital to the American Red Cross, Southwest Indiana Chapter. It requires the real estate to be used for office space by a nonprofit organization. It requires construction of the office building to begin before July 1, 2004. It also restricts the ownership of the property to the American Red Cross, Southwest Indiana Chapter.

Effective Date: July 1, 1999.

Explanation of State Expenditures: The land to be conveyed has not been appraised, so its value is not known. The land is under the control of the Evansville State Hospital but is currently not in use. Depending on how the conveyance arrangements are made, potential expenditures to the state include costs associated with appraising and surveying the property and with conducting an environmental audit.
