**Summary of Legislation:** (CCR Amended) This bill requires state agencies to provide electronic access to notices of public meetings and invitations to bid on contracts for public works and supplies.

It also provides that an electronic geographic information system that is produced from data gathered by the Legislative Services Agency and processed using proprietary software is the work product of the Legislative Services Agency for purposes of the Public Records Law.

**Effective Date:** (Amended) Upon passage; July 1, 1999.

**Explanation of State Expenditures:** (Revised) This bill places the current provisions of Executive Order 98-26 in statute by requiring state agencies to publish meeting notices and invitations to bid on contracts for public works and supplies on the Internet.

These agencies will be required to allocate an employee's time to transmit meeting notice and bid information to the Internet. Access Indiana provides a free 4-hour training session on how to transmit the required information to the Internet. There is no charge to state agencies to post information on Access Indiana.
