**Summary of Legislation:** (Amended) This bill removes references to the New Castle State Developmental Center and the Northern Indiana State Developmental Center. The bill relocates provisions within the Indiana Code governing the Family Support Program and the funding requirements for Centers for Independent Living. It revises the duties of the Bureau of Developmental Disabilities Services. The bill authorizes the Adult Protective Services Unit to use the prosecuting attorney to obtain a protective order. The bill also requires the Board of Interpreter Standards to adopt certain rules. It removes the Director of the Division of Family and Children's authority over state owned children's facilities. It makes numerous changes to transition services offered to disabled students who leave the special education program. The bill provides that a participant in the assistance to residents of county homes program or the room, board, and assistance program may retain one-half of the person's employment income, minus certain deductions, regardless of whether the income is a result of a personal habilitation plan. It repeals existing provisions governing community residential programs, case management services, respite care, diagnostic assessment, rehabilitation services, the emergency support fund, and the family subsidy program. The bill makes conforming amendments.
