A BILL FOR AN ACT to amend the Indiana Code concerning taxation.

1 SECTION 1. IC 6-1.1-8-35 IS AMENDED TO READ AS
2 FOLLOWS [EFFECTIVE JULY 1, 1999]: Sec. 35. (a) Each year the

5 companies; and

8 under IC 8-5-15 and utilizes electricity to power substantially all
9 of its railroad passenger cars.
10 The board shall compute the tax on a railroad car company's
11 indefinite-situs distributable property based upon the average property
12 tax rate in this state. The average property tax rate in this state for a
13 year equals (A) the total of the property taxes in this state that will
14 come due during that year divided by (B) the total net assessed
15 valuation of property in this state for the preceding year's assessment.
16 The board shall base its computation of the average property tax rate

1 December ~~31st~~ **31** of the preceding year. The board shall compute the
 2 tax on a railroad company's distributable property based upon the
 3 average property tax rate that is imposed by taxing districts that are
 4 located in any county in which a railroad company, that is taxed under
 5 this section, provides railroad services. The average property tax rate
 6 of taxing districts that are located in any county in which a railroad
 7 company that is taxed under this section equals (i) the total of the
 8 property taxes in those taxing districts that will come due during that
 9 year divided by (ii) the total net assessed valuation of property in those
 10 districts for the preceding year's assessment. The board shall base its
 11 computation on the average property tax rate for a year upon
 12 information which is available to the board as of December 31 of the
 13 preceding year.

14 (b) The state board of tax commissioners shall certify the tax it
 15 imposes on indefinite-situs distributable property of railroad car

 17 this section to the department of state revenue. Each of those
 18 companies shall pay the tax to the department of state revenue on or

 20 of those companies does not pay the tax when it is due, the company
 21 shall pay a penalty, in addition to the tax, equal to twenty-five percent
 22 (25%) of the delinquent tax. When the tax imposed on indefinite-situs
 23 distributable property of railroad car companies by this chapter
 24 becomes delinquent, the department of state revenue shall proceed with
 25 the collection of the delinquent tax and penalty in accordance with the
 26 provisions of IC 6-8.1-8.

27 (c) The department of state revenue shall promptly deposit all
 28 amounts collected under this section that are derived from
 29 indefinite-situs distributable property of railroad car companies in the
