DIGEST FOR HB 2041**

Citations Affected: IC 2-3-3-2.5; IC 20-5; IC 21-2; noncode.

Synopsis: Political subdivision and state educational institution insurance programs. Requires a political subdivision or a state educational institution that employs a member of the general assembly to provide to the individual at all times during the individual's service as a member of the general assembly the same insurance and other benefits and at the same cost to the individual as is provided to the individual by the employer when the individual is not serving as a member of the general assembly. Requires a self-insurance program established or maintained by a school corporation for coverage of health care services for the school corporation's employees to provide for appeals to a review panel. Provides that contributions made by employers or employees for coverage of health care services must be deposited into a self-insurance fund and may not be transferred to other accounts or used for any other purpose. (This conference committee report adds a provision requiring a political subdivision or a state educational institution to provide at all times the same benefits at the same cost to employees who are members of the general assembly.)
