21 (b) The amount of nonmedical assistance to be paid on behalf of a
 22 resident in a county home must be based on the daily rate established
 23 by the division. The rate for facilities under this section and licensed
 24 under IC 16-28 may not exceed an upper rate limit established by a rule
 25 adopted by the division.

26 (c) The rate for facilities under this section but not licensed under
 27 IC 16-28 must be the lesser of:

- 28 (1) an upper rate limit established by a rule adopted by the
 29 division; or

1 (e) In addition to the amount that may be retained as a personal
 2 allowance under this section, an individual is allowed to retain an
 3 amount equal to the individual's state and local income tax liability.
 4 The amount that may be retained during a month may not exceed
 5 one-third (1/3) of the individual's state and local income tax liability for
 6 the calendar quarter in which the month occurs. This amount is exempt
 7 from income eligibility consideration by the division. The amount
 8 retained shall be used by the individual to pay state or local income
 9 taxes owed.

10 **(f) In addition to the amounts that may be retained under**
 11 **subsections (d) and (e), an eligible individual may retain a**
 12 **Holocaust victim's settlement payment. The payment is exempt**
 13 **from income eligibility consideration by the division.**

14 ~~(f)~~ **(g)** The division of disability, aging, and rehabilitative services,
 15 in cooperation with the state department of health taking into account
 16 licensure requirements under IC 16-28, shall adopt rules under
 17 IC 4-22-2 governing the reimbursement to facilities under this section.
 18 The rules must be designed to determine the costs that must be incurred
 19 by efficiently and economically operated facilities to provide room,
 20 board, laundry, and other services, along with minimal administrative
 21 direction to individuals who receive residential care in the facilities
 22 under this section. A rule adopted under this subsection by:

- 23 (1) the division; or
- 24 (2) the state department of health;

25 must conform to the rules for residential care facilities that are licensed
 26 under IC 16-28.

27 ~~(g)~~ **(h)** A rate established under this section may be appealed
 28 according to the procedures under IC 4-21.5.

29 ~~(h)~~ **(i)** The division shall annually review each facility's rate using
 30 the following:

- 31 (1) Generally accepted accounting principles.
- 32 (2) The costs incurred by efficiently and economically operated
 33 facilities in order to provide care and services in conformity with
 34 quality and safety standards and applicable laws and rules.

 41 and ~~(h)~~ **(i)**, an individual is eligible for residential care assistance if the
 42 division determines that the individual:

1 (1) is a recipient of Medicaid or the federal Supplemental Security
2 Income program;

3 (2) is incapable of residing in the individual's own home because
4 of dementia, mental illness, or a physical disability;

5 (3) requires a degree of care less than that provided by a health
6 care facility licensed under IC 16-28; and

7 (4) can be adequately cared for in a residential care setting.

8 (b) Individuals suffering from mental retardation may not be
9 admitted to a home or facility that provides residential care under this
10 section.

11 (c) A service coordinator employed by the division may:

12 (1) evaluate a person seeking admission to a home or facility
13 under subsection (a); or

14 (2) evaluate a person who has been admitted to a home or facility
15 under subsection (a), including a review of the existing
16 evaluations in the person's record at the home or facility.

17 If the service coordinator determines the person evaluated under this
18 subsection is mentally retarded, the service coordinator may
19 recommend an alternative placement for the person.

20 (d) Except as provided in section 5 of this chapter, residential care
21 consists of only room, board, and laundry, along with minimal
22 administrative direction. State financial assistance may be provided for
23 such care in a boarding or residential home of the applicant's choosing
24 that is licensed under IC 16-28 or a Christian Science facility listed and
25 certified by the Commission for Accreditation of Christian Science
26 Nursing Organizations/Facilities, Inc., that meets certain life safety
27 standards considered necessary by the state fire marshal. Payment for
28 such care shall be made to the provider of the care according to
29 division directives and supervision. The amount of nonmedical
30 assistance to be paid on behalf of a recipient living in a boarding home,
31 residential home, or Christian Science facility shall be based on the
32 daily rate established by the division. The rate for facilities that are
33 referred to in this section and licensed under IC 16-28 may not exceed
34 an upper rate limit established by a rule adopted by the division. The
35 recipient may retain from the recipient's income a personal allowance
36 in an amount to be established by the division, but not less than
37 twenty-eight dollars and fifty cents (\$28.50) or more than thirty-five
38 dollars (\$35) monthly. This amount is exempt from income eligibility
39 consideration by the division and may be exclusively used by the
40 recipient for the recipient's personal needs. However, if the recipient's
41 income is less than the amount of the personal allowance, the division
42 shall pay to the recipient the difference between the amount of the

1 personal allowance and the recipient's income. A reserve or an
 2 accumulated balance from such a source, together with other sources,
 3 may not be allowed to exceed the state's resource allowance allowed for
 4 adults eligible for state supplemental assistance or Medicaid as
 5 established by the rules of the office of Medicaid policy and planning.

6 (e) In addition to the amount that may be retained as a personal
 7 allowance under this section, an individual shall be allowed to retain
 8 an amount equal to the individual's state and local income tax liability.
 9 The amount that may be retained during a month may not exceed
 10 one-third (1/3) of the individual's state and local income tax liability for
 11 the calendar quarter in which that month occurs. This amount is
 12 exempt from income eligibility consideration by the division. The
 13 amount retained shall be used by the individual to pay any state or local
 14 income taxes owed.

15 **(f) In addition to the amounts that may be retained under**
 16 **subsections (d) and (e), an eligible individual may retain a**
 17 **Holocaust victim's settlement payment. The payment is exempt**
 18 **from income eligibility consideration by the division.**

19 (f) (g) The rate of payment to the provider shall be determined in
 20 accordance with a prospective prenegotiated payment rate predicated
 21 on a reasonable cost related basis, with a growth of profit factor, as
 22 determined in accordance with generally accepted accounting
 23 principles and methods, and written standards and criteria, as
 24 established by the division. The division shall establish an
 25 administrative appeal procedure to be followed if rate disagreement
 26 occurs if the provider can demonstrate to the division the necessity of
 27 costs in excess of the allowed or authorized fee for the specific
 28 boarding or residential home. The amount may not exceed the
 29 maximum established under subsection (d).

30 (g) (h) The personal allowance for one (1) month for an individual
 31 described in subsection (a) whose employment is part of the
 32 individual's personal habilitation plan or who is working in a sheltered
 33 workshop or day activity center is the amount that an individual would
 34 be entitled to retain under subsection (d) plus an amount equal to
 35 one-half (1/2) of the remainder of:

- 36 (1) gross earned income for that month; minus
 37 (2) the sum of:
 38 (A) sixteen dollars (\$16); plus
 39 (B) the amount withheld from the person's paycheck for that
 40 month for payment of state income tax, federal income tax,
 41 and the tax prescribed by the federal Insurance Contribution
 42 Act (26 U.S.C. 3101 et seq.); plus

- 1 (C) transportation expenses for that month.
- 2 ~~(i)~~ (i) An individual who, before September 1, 1983, has been

4 section is eligible for residential care in the home or facility.
- 5 ~~(j)~~ (j) The director of the division may contract with the division of
6 mental health or the division of disability, aging, and rehabilitative
7 services to purchase services for individuals suffering from mental
8 illness or a developmental disability by providing money to supplement
9 the appropriation for community residential care programs established
10 under IC 12-22-2 or community residential care programs established under
11 IC 12-11-1-1.
- 12 ~~(k)~~ (k) A person with a mental illness may not be placed in a
