10 (1) the amount of the certified distribution for that month;
11 multiplied by
12 (2) a fraction. The numerator of the fraction equals the total
13 property taxes that are first due and payable to the county, city, or
14 town during the calendar year in which the month falls. The
15 denominator of the fraction equals the total property taxes that are

1 (c) This subsection applies to a county council or county income tax
 2 council that imposes a tax under this chapter after June 1, 1992. The
 3 body imposing the tax may adopt an ordinance before July 1 of a year
 4 to provide for the distribution of certified distributions under this
 5 subsection instead of a distribution under subsection (b). The following
 6 apply if an ordinance is adopted under this subsection:

7 (1) The ordinance is effective January 1 of the following year.

8 (2) The amount of the certified distribution that the county and
 9 each city and town in the county is entitled to receive during May
 10 and November of each year equals the product of:

11 (A) the amount of the certified distribution for the month;
 12 multiplied by

13 (B) a fraction. For a city or town, the numerator of the fraction
 14 equals the population of the city or the town. For a county, the
 15 numerator of the fraction equals the population of the part of
 16 the county that is not located in a city or town. The
 17 denominator of the fraction equals the sum of the population
 18 of all cities and towns located in the county and the population
 19 of the part of the county that is not located in a city or town.

20 (3) The ordinance may be made irrevocable for the duration of
 21 specified lease rental or debt service payments.

22 (d) The body imposing the tax may not adopt an ordinance under
 23 subsection (c) if, before the adoption of the proposed ordinance, any of
 24 the following have pledged the county economic development income
 25 tax for any purpose permitted by IC 5-1-14 or any other statute:

26 (1) The county.

27 (2) A city or town in the county.

28 (3) A commission, a board, a department, or an authority that is
 29 authorized by statute to pledge the county economic development
 30 income tax.

31 (e) The state board of tax commissioners shall provide each county
 32 auditor with the fractional amount of the certified distribution that the
 33 county and each city or town in the county is entitled to receive under
 34 this section.

35 (f) Money received by a county, city, or town under this section
 36 shall be deposited in the unit's economic development income tax fund.

37 (g) In determining the fractional amount of the certified distribution
 38 the county and its cities and towns are entitled to receive under
 39 subsection (b) during a calendar year, the state board of tax
 40 commissioners shall consider only property taxes imposed on tangible
 41 property subject to assessment in that county.

42 (h) In a county having a consolidated city, only the consolidated city

1 is entitled to the certified distribution, subject to the requirements of
2 section 15 of this chapter.

3 SECTION 2. IC 6-3.5-7-13.1 IS AMENDED TO READ AS
4 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13.1. (a) The fiscal
5 officer of each county, city, or town for a county in which the county
6 economic development tax is imposed shall establish an economic
7 development income tax fund. **Except as provided in section 23 of**
8 **this chapter**, the revenue received by a county, city, or town under this
9 chapter shall be deposited in the unit's economic development income
10 tax fund.

11 (b) Except as provided in ~~section~~ **sections 15 and 23** of this chapter,
12 revenues from the county economic development income tax may be
13 used as follows:

14 (1) By a county, city, or town for economic development projects,
15 for paying, notwithstanding any other law, under a written
16 agreement all or a part of the interest owed by a private developer
17 or user on a loan extended by a financial institution or other
18 lender to the developer or user if the proceeds of the loan are or
19 are to be used to finance an economic development project, for
20 the retirement of bonds under section 14 of this chapter for
21 economic development projects, for leases under section 21 of
22 this chapter, or for leases or bonds entered into or issued prior to
23 the date the economic development income tax was imposed if
24 the purpose of the lease or bonds would have qualified as a
25 purpose under this chapter at the time the lease was entered into
26 or the bonds were issued.

27 (2) By a county, city, or town for:

28 (A) the construction or acquisition of, or remedial action with
29 respect to, a capital project for which the unit is empowered to
30 issue general obligation bonds or establish a fund under any
31 statute listed in IC 6-1.1-18.5-9.8;

32 (B) the retirement of bonds issued under any provision of
33 Indiana law for a capital project;

34 (C) the payment of lease rentals under any statute for a capital
35 project;

36 (D) contract payments to a nonprofit corporation whose
37 primary corporate purpose is to assist government in planning
38 and implementing economic development projects;

39 (E) operating expenses of a governmental entity that plans or
40 implements economic development projects;

41 (F) to the extent not otherwise allowed under this chapter,
42 funding substance removal or remedial action in a designated

1 unit; or
 2 (G) funding of a revolving fund established under
 3 IC 5-1-14-14.

4 (c) As used in this section, an economic development project is any
 5 project that:

6 (1) the county, city, or town determines will:

7 (A) promote significant opportunities for the gainful
 8 employment of its citizens;
 9 (B) attract a major new business enterprise to the unit; or
 10 (C) retain or expand a significant business enterprise within
 11 the unit; and

12 (2) involves an expenditure for:

13 (A) the acquisition of land;
 14 (B) interests in land;
 15 (C) site improvements;
 16 (D) infrastructure improvements;
 17 (E) buildings;
 18 (F) structures;
 19 (G) rehabilitation, renovation, and enlargement of buildings
 20 and structures;
 21 (H) machinery;
 22 (I) equipment;
 23 (J) furnishings;
 24 (K) facilities;
 25 (L) administrative expenses associated with such a project,
 26 including contract payments authorized under subsection
 27 (b)(2)(D);
 28 (M) operating expenses authorized under subsection (b)(2)(E);
 29 or
 30 (N) to the extent not otherwise allowed under this chapter,
 31 substance removal or remedial action in a designated unit;

32 or any combination of these.

33 SECTION 3. IC 6-3.5-7-23 IS ADDED TO THE INDIANA CODE
 34 AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE
 35 UPON PASSAGE]: **Sec. 23. (a) This section applies only to a county
 36 having a population of at least forty-five thousand (45,000) but not
 37 more than forty-seven thousand (47,000).**

38 **(b) The county council may by ordinance determine that, in
 39 order to promote the development of libraries in the county and
 40 thereby encourage economic development, it is necessary to use
 41 economic development income tax revenue to replace library
 42 property taxes in the county. However, a county council may adopt**

1 an ordinance under this subsection only if all territory in the
2 county is included in a library district.

3 (c) If the county council makes a determination under
4 subsection (b), the county council may designate the county
5 economic development income tax revenue generated by the tax
6 rate adopted under section 5 of this chapter, or revenue generated
7 by a portion of the tax rate, as revenue that will be used to replace
8 public library property taxes imposed by public libraries in the
9 county. The county council may not designate for library property
10 tax replacement purposes any county economic development
11 income tax revenue that is generated by a tax rate of more than
12 fifteen-hundredths percent (0.15%).

13 (d) The county treasurer shall establish a library property tax
14 replacement fund to be used only for the purposes described in this
15 section. County economic development income tax revenues
16 derived from the portion of the tax rate designated for property tax
17 replacement credits under subsection (c) shall be deposited in the
18 library property tax replacement fund before certified
19 distributions are made under section 12 of this chapter.

20 (e) The amount of county economic development income tax
21 revenue dedicated to providing library property tax replacement
22 credits shall, in the manner prescribed in this section, be allocated
23 to public libraries operating in the county and shall be used by
24 those public libraries as property tax replacement credits. The
25 amount of property tax replacement credits that each public
26 library in the county is entitled to receive during a calendar year
27 under this section equals the lesser of:

28 (1) the product of:

29 (A) the amount of revenue deposited by the county auditor
30 in the library property tax replacement fund; multiplied
31 by

32 (B) a fraction described as follows:

33 (i) The numerator of the fraction equals the sum of the
34 total property taxes that would have been collected by
35 the public library during the previous calendar year
36 from taxpayers located within the library district if the
37 property tax replacement under this section had not been
38 in effect.

39 (ii) The denominator of the fraction equals the sum of
40 the total property taxes that would have been collected
41 during the previous year from taxpayers located within
42 the county by all public libraries that are eligible to

C

1 receive property tax replacement credits under this
 2 section if the property tax replacement under this section
 3 had not been in effect; or

4 (2) the total property taxes that would otherwise be collected
 5 by the public library for the calendar year if the property tax
 6 replacement credit under this section were not in effect.

7 The state board of tax commissioners shall make any adjustments
 8 necessary to account for the expansion of a library district.
 9 However, a public library is eligible to receive property tax
 10 replacement credits under this section only if it has entered into
 11 reciprocal borrowing agreements with all other public libraries in
 12 the county. If the total amount of county economic development
 13 income tax revenue deposited by the county auditor in the library
 14 property tax replacement fund for a calendar year exceeds the
 15 total property tax liability that would otherwise be imposed for
 16 public libraries in the county for the year, the excess shall remain
 17 in the library property tax replacement fund and shall be used for
 18 library property tax replacement purposes in the following
 19 calendar year.

20 (f) Notwithstanding subsection (e), if a public library did not
 21 impose a property tax levy during the previous calendar year, that
 22 public library is entitled to receive a part of the property tax
 23 replacement credits to be distributed for the calendar year. The
 24 amount of property tax replacement credits the public library is
 25 entitled to receive during the calendar year equals the product of:

26 (1) the amount of revenue deposited in the library property
 27 tax replacement fund; multiplied by

28 (2) a fraction. The numerator of the fraction equals the
 29 budget of the public library for that calendar year. The
 30 denominator of the fraction equals the aggregate budgets of
 31 public libraries in the county for that calendar year.

32 If for a calendar year a public library is allocated a part of the
 33 property tax replacement credits under this subsection, then the
 34 amount of property tax credits distributed to other public libraries
 35 in the county for the calendar year shall be reduced by the amount
 36 to be distributed as property tax replacement credits under this
 37 subsection. The state board of tax commissioners shall make any
 38 adjustments required by this subsection and provide the
 39 adjustments to the county auditor.

40 (g) The state board of tax commissioners shall inform the county
 41 auditor of the amount of property tax replacement credits that
 42 each public library in the county is entitled to receive under this

C
O

1 section. The county auditor shall certify to each public library the
 2 amount of property tax replacement credits that the public library
 3 is entitled to receive during that calendar year. The county auditor
 4 shall also certify these amounts to the county treasurer.

5 (h) A public library receiving property tax replacement credits
 6 under this section shall allocate the credits among each fund for
 7 which a distinct property tax levy is imposed. The amount that
 8 must be allocated to each fund equals:

- 9 (1) the amount of property tax replacement credits provided
 10 to the public library under this section; multiplied by
 11 (2) the amount determined in STEP THREE of the following
 12 formula:

13 **STEP ONE:** Determine the property taxes that would have
 14 been collected for each fund by the public library during
 15 the previous calendar year if the property tax replacement
 16 under this section had not been in effect.

17 **STEP TWO:** Determine the sum of the total property taxes
 18 that would have been collected for all funds by the public
 19 library during the previous calendar year if the property
 20 tax replacement under this section had not been in effect.

21 **STEP THREE:** Divide the STEP ONE amount by the
 22 STEP TWO amount.

23 However, if a public library did not impose a property tax levy
 24 during the previous calendar year or did not impose a property tax
 25 levy for a particular fund during the previous calendar year, but
 26 the public library is imposing a property tax levy in the current
 27 calendar year or is imposing a property tax levy for the particular
 28 fund in the current calendar year, the state board of tax
 29 commissioners shall adjust the amount of property tax
 30 replacement credits allocated among the various funds of the
 31 public library and shall provide the adjustment to the county
 32 auditor. If a public library receiving property tax replacement
 33 credits under this section does not impose a property tax levy for
 34 a particular fund that is first due and payable in a calendar year in
 35 which the property tax replacement credits are being distributed,
 36 the public library is not required to allocate to that fund a part of
 37 the property tax replacement credits to be distributed to the public
 38 library.

39 (i) For each public library that receives property tax credits
 40 under this section, the state board of tax commissioners shall
 41 certify to the county auditor the property tax rate applicable to
 42 each fund after the property tax replacement credits are allocated.

C
O
P
Y

1 (j) A public library shall treat property tax replacement credits
2 received during a particular calendar year under this section as a
3 part of the public library's property tax levy for each fund for that
4 same calendar year for purposes of fixing the public library's
5 budget and for purposes of the property tax levy limits imposed by
6 IC 6-1.1-18.5.

7 (k) The property tax replacement credits that are received
8 under this section do not reduce the total county tax levy that is
9 used to compute the state property tax replacement credit under
10 IC 6-1.1-21. For the purpose of computing and distributing
11 certified distributions under IC 6-3.5-1.1 and tax revenue under
12 IC 6-5-10, IC 6-5-11, IC 6-5-12, IC 6-5.5, or IC 6-6-5, the property
13 tax replacement credits that are received under this section shall
14 be treated as though they were property taxes that were due and
15 payable during that same calendar year.

16 SECTION 4. [EFFECTIVE UPON PASSAGE] (a)
17 Notwithstanding IC 6-3.5-7-5, the county council of a county
18 described in IC 6-3.5-7-23, as added by this act, may after January
19 1 but before June 15 of a year adopt an ordinance to impose the
20 county economic development income tax under IC 6-3.5-7.

21 (b) This SECTION expires January 1, 2000.

22 SECTION 5. An emergency is declared for this act.
