SENATE CONCURRENT RESOLUTION

A CONCURRENT RESOLUTION urging the Department of Transportation to name that part of Indiana 67 from the Madison County line at Daleville to the Muncie bypass the Phil Sharp Highway.

Whereas, The project to widen Indiana 67 between Muncie and Interstate 69 from two to four lanes began three years ahead of schedule primarily due to the efforts of United States Representative Phil Sharp;

Whereas, This project will dramatically aid in the economic development of this area because economic development is generally accompanied by good transportation into an area;

Whereas, Congressman Sharp has been serving the people of Indiana since 1974;

Whereas, His tenure in office was marked by hard work, fairness, responsiveness, political moderation, and reasonableness;

Whereas, Congressman Sharp, who chose not to run for reelection in 1994, obtained a Ph.D. from Georgetown University and studied at Oxford University before he began his career as a political science instructor at Ball State University;

Whereas, While serving in Congress, Phil Sharp chaired the Energy and Power Subcommittee of the House Energy and Commerce Committee and was a leader in obtaining natural gas decontrol and wellhead decontrol;

Whereas, In becoming a part of the Washington activities, some of our representatives occasionally forget the people they represent. Congressman Sharp never forgot his constituency; and

Whereas, Good politicians know what the people they represent think and want. Congressman Phil Sharp is a good politician: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

- 1 SECTION 1. That the Indiana General Assembly asks the Indiana
- 2 department of transportation to name that part of Indiana 67 from the
- 3 Madison County line at Daleville to the Muncie bypass the Phil Sharp
- 4 Highway.
- 5 SECTION 2. That a copy of this resolution be sent to the
- 6 commissioner of the Indiana department of transportation.
