SENATE RESOLUTION

MADAM PRESIDENT:

I offer the following resolution and move its adoption:

A RESOLUTION urging the Indiana economic development corporation and the aviation division of the Indiana department of transportation to hold a statewide summit to discuss the status of aviation in Indiana.

Whereas, The development of the Gary/Chicago Airport meant increased economic opportunity and tax revenues for northwest Indiana;

Whereas, Further development in the field of aviation could provide much needed economic revitalization, business expansion, and job creation for Indiana;

Whereas, Some options that a summit should consider are the development of air passenger and air freight service improvements and a long range implementation plan;

Whereas, This implementation plan should include options for legislative and executive action; and

Whereas, The aviation industry can provide Indiana communities with many services and can contribute to their economic and social development: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

1 SECTION 1. That the status of the aviation industry in Indiana
2 needs to be reexamined so that Indiana may make the best possible use
3 of all its resources to stimulate economic growth in our state.

4 SECTION 2. That copies of this resolution be transmitted by the
5 secretary of the senate to the commissioner of the Indiana department
6 of transportation and the lieutenant governor Kathleen Davis in her
7 capacity as chairman of the board of the Indiana economic development
8 corporation.
