IMPACT: State & Local

Summary of Legislation: (Amended) This bill: (1) provides that beginning July 1, 2007, sections of State Roads 3 and 9 and U.S. 20 are Extra Heavy Duty Highways (EHDH) and specifies that the total gross weight, with load, of a vehicle or combination of vehicles operated with a special weight permit on these highways may not exceed 90,000 pounds;

(2) provides that a maximum length for a school bus is 42 feet; and

(3) repeals language pertaining to categories of school buses.

Effective Date: July 1, 2007.

Explanation of State Expenditures: (Revised) (1) The bill requires INDOT's Ft. Wayne District to perform approximately \$150,000 of repairs to a small structure (culvert) along the route. The funds required for this work will come from FY 2007 funds. The work is expected to be completed by June 11, 2007. The funds affected are the State Highway Fund and federal funds.

Background Information: INDOT indicates that districts regularly perform this type of maintenance work to keep bridges and small structures in good condition.
