# SENATE BILL No. 431

DIGEST OF SB 431 (Updated February 20, 2007 10:57 am - DI 113)

**Citations Affected:** IC 13-11; IC 13-13; IC 13-18; IC 15-3; noncode.

**Synopsis:** Confined feeding. Defines "applicant" and "responsible party" for purposes of confined feeding control statutes. Specifies that confined feeding control statutes apply to both confined feeding operations (CFOs) and concentrated animal feeding operations (CAFOs). Establishes good character disclosure requirements for CFOs and CAFOs. Allows the department of environmental management to review and act on disclosed good character information. Sets fees for CFOs and CAFOs and eliminates separate NPDES permit fees for CAFOs. Requires the state chemist to adopt rules relating to the use of fertilizer material and the distribution and storage of bulk commercial fertilizers. Makes conforming amendments.

**Effective:** July 1, 2007; January 1, 2008.

1 (c) Plans and specifications for manure treatment or control  
 2 facilities for a confined feeding operation **or a CAFO** must secure the  
 3 approval of the department. The department shall approve the  
 4 construction and operation of the manure management system of the  
 5 confined feeding operation **or the CAFO** if the commissioner  
 6 determines that the applicant meets the requirements of:

- 7 (1) this chapter;  
 8 (2) rules adopted under this chapter;  
 9 (3) the water pollution control laws;  
 10 (4) rules adopted under the water pollution control laws; and  
 11 (5) policies and statements adopted under IC 13-14-1-11.5  
 12 relative to confined feeding operations **or CAFOs**.

13 SECTION 9. IC 13-18-10-2.1 IS AMENDED TO READ AS  
 14 FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 2.1. (a) The  
 15 department:

- 16 (1) shall make a determination on an application not later than  
 17 ninety (90) days after the date the department receives the  
 18 completed application, including all required supplemental  
 19 information, unless the department and the applicant agree to a  
 20 longer time; and  
 21 (2) may conduct any inquiry or investigation, consistent with the  
 22 department's duties under this chapter, the department considers  
 23 necessary before making a determination.

24 (b) If the department fails to make a determination on an application  
 25 not later than ninety (90) days after the date the department receives  
 26 the completed application, the applicant may request and receive a  
 27 refund of an approval application fee paid by the applicant, and the  
 28 commissioner shall:

- 29 (1) continue to review the application;  
 30 (2) approve or deny the application as soon as practicable; and  
 31 (3) refund the applicant's application fee not later than twenty-five  
 32 (25) working days after the receipt of the applicant's request.

33 (c) The commissioner may suspend the processing of an application  
 34 and the ninety (90) day period described under this section if the  
 35 department determines within thirty (30) days after the department  
 36 receives the application that the application is incomplete and has  
 37 mailed a notice of deficiency to the applicant that specifies the parts of  
 38 the application that:

- 39 (1) do not contain adequate information for the department to  
 40 process the application; or  
 41 (2) are not consistent with applicable law.

(1) shall make a determination on an application not later than ninety (90) days after the date the department receives the completed application, including all required supplemental information, unless the department and the applicant agree to a longer time; and

(2) may conduct any inquiry or investigation, consistent with the department's duties under this chapter, the department considers necessary before making a determination.

(b) If the department fails to make a determination on an application not later than ninety (90) days after the date the department receives the completed application, the applicant may request and receive a refund of an approval application fee paid by the applicant, and the commissioner shall:

- (1) continue to review the application;
- (2) approve or deny the application as soon as practicable; and
- (3) refund the applicant's application fee not later than twenty-five (25) working days after the receipt of the applicant's request.

(c) The commissioner may suspend the processing of an application and the ninety (90) day period described under this section if the department determines within thirty (30) days after the department receives the application that the application is incomplete and has

mailed a notice of deficiency to the applicant that specifies the parts of the application that:

- (1) do not contain adequate information for the department to process the application; or
- (2) are not consistent with applicable law.

(d) The department may establish requirements in an approval regarding that part of the confined feeding operation **or the CAFO** that concerns manure handling and application to assure compliance with:

- (1) this chapter;
- (2) rules adopted under this chapter;
- (3) the water pollution control laws;
- (4) rules adopted under the water pollution control laws; and
- (5) policies and statements adopted under IC 13-14-1-11.5 relative to confined feeding operations **or CAFOs**.

**(e) Subject to subsections (f) and (g), the commissioner may deny an application or require the person to apply for an individual permit under section 2.4 of this chapter upon making either of the following findings:**

- (1) A responsible party intentionally misrepresented or concealed any material fact in:**
  - (A) a disclosure statement; or**
  - (B) other information;****required by section 1.5 of this chapter.**
- (2) An enforcement action was resolved against a responsible party as described in section 1.5(c)(4) of this chapter.**

**(f) The commissioner may not deny a permit under this section or require the person to apply for an individual permit under section 2.4 of this chapter based solely on pending actions disclosed under section 1.5(c)(3) of this chapter.**

**(g) Before making a determination to approve or deny an application or to require the person to apply for an individual permit under section 2.4 of this chapter, the commissioner must consider the following factors:**

- (1) The nature and details of the acts attributed to the applicant or responsible party.**
- (2) The degree of culpability of the responsible party.**
- (3) The responsible party's cooperation with the state or federal agencies involved in the investigation of the activities involved in actions referred to in section 1.5(c)(4) of this chapter.**
- (4) The responsible party's dissociation from any other persons or entities convicted in a criminal enforcement action**

referred to in section 1.5(c)(4) of this chapter.

(5) Prior or subsequent self-policing or internal education programs established by the responsible party to prevent acts, omissions, or violations referred to in section 1.5(c)(4) of this chapter.

(6) Whether the best interests of the public will be served by denial of the permit or by requiring the person to apply for an individual permit under section 2.4 of this chapter.

(7) Any demonstration of good citizenship by the person or responsible party.

(h) Except as provided in subsection (i), in taking action under subsection (e), the commissioner must make separately stated findings of fact to support the action taken. The findings of fact must:

- (1) include a statement of ultimate fact; and
- (2) be accompanied by a concise statement of the underlying basic facts of record to support the findings.

(i) If the commissioner denies an application under subsection (e) or requires a person to apply for an individual permit under section 2.4 of this chapter, the commissioner is not required to explain the extent to which any of the factors set forth in subsection (g) influenced the denial.

(j) The department may amend an approval of an application or revoke an approval of an application:

- (1) for failure to comply with:
  - (A) this chapter;
  - (B) rules adopted under this chapter;
  - (C) the water pollution control laws; or
  - (D) rules adopted under the water pollution control laws; and
- (2) as needed to prevent discharges of manure into the environment that pollute or threaten to pollute the waters of the state.

SECTION 10. IC 13-18-10-2.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 2.2. (a) If an applicant receives an approval under this chapter and completes construction, not more than thirty (30) days after the date the applicant completes the construction the applicant shall execute and send to the department an affidavit that affirms under penalties of perjury that the confined feeding operation or CAFO:
