BILL AMENDED:

FIRST AUTHOR: Rep. Day

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: **GENERAL**
 DEDICATED
 FEDERAL

IMPACT: State & Local

Summary of Legislation: The bill requires the owner of real property containing a rental unit to notify the tenants if a judgment of foreclosure is entered concerning the property, and permits a tenant to terminate a rental agreement if a judgment of foreclosure is entered against the owner. The bill authorizes a tenant to bring a civil action if the owner does not comply with the notice provisions, and provides that a tenant who terminates a rental agreement early in compliance with the statute does not forfeit the damage deposit. The bill makes other changes and conforming amendments.

Effective Date: July 1, 2009.

Explanation of State Expenditures:

Explanation of State Revenues: *Court Fee Revenue:* Without the proper notification specified above, a tenant would be able to pursue civil action against their land owner. If additional civil actions occur and court fees are collected, revenue to the state General Fund may increase. A civil costs fee of \$100 would be assessed when a civil case is filed, 70% of which would be deposited in the state General Fund if the case is filed in a court of record or 55% if the case is filed in a city or town court. In addition, some or all of the document storage fee (\$2), automated record keeping fee (\$7), judicial salaries fee (\$18), public defense administration fee (\$3), court administration fee (\$5), and the judicial insurance adjustment fee (\$1) are deposited into the state General Fund. Additional fees may be collected at the discretion of the judge and depending upon the particular type of case.

Explanation of Local Expenditures:

Explanation of Local Revenues: *Court Fee Revenue:* If additional civil actions occur, local governments would receive revenue from the following sources. The county general fund would receive 27% of the \$100 civil costs fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. If the case is filed in a city or town court, 20% of the court fee would be deposited in the county general fund and 25% would be deposited in the city or town general fund. Additional fees may be collected at the discretion of the judge and depending upon the particular type of case.
