
Introduced Version

**HOUSE
RESOLUTION No. ____**

Introduced by: Crouch

A RESOLUTION urging the legislative council to assign to the water resources study committee the topic of water quality.

Whereas, Water makes life possible and is the single most vital resource in the world;

Whereas, Our water quality is fragile, and the responsibility lies with us to protect and restore our precious water resources;

Whereas, Water quality impacts every aspect of our lives and is critical to our health and public safety;

20101938

Whereas, Clean water is important to retain the environmental integrity and economic and aesthetic values of Indiana lakes, streams, wetlands, and ground water;

Whereas, Issues related to water quality are being raised by public figures, which are helping to raise the public's awareness of this important issue;

Whereas, Protecting our water resources and improving our quality of life is essential for future generations; and

Whereas, Water plays a critical role in securing a healthy and vibrant Indiana society, and clean water must be available for all Hoosiers to enjoy: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

1 SECTION 1. That the legislative council is urged to assign to the
2 water resources study committee the topic of water quality. The
3 committee should include in its study the presence of pharmaceuticals,
4 animal and industrial waste, and hormones in the water supply.
