The bill provides that this prohibition does not prohibit a contract employee or contractor of a tax official from serving as a tax representative unless the contract employee or contractor personally and substantially participated in the assessment of the property.

The bill also specifies that an individual who is a former assessor or a former employee, contract employee, or contractor of an assessor may not represent or assist another person in an assessment appeal before the Indiana board or a county board if, while the individual was an assessor or an employee, contract employee, or contractor of an assessor, the individual personally and substantially participated in the assessment of the property.
