
SENATE BILL No. 48

DIGEST OF INTRODUCED BILL

Citations Affected: IC 8-23-2-19.

Synopsis: State highway closings. Provides that the Indiana department of transportation, before letting a contract for a proposed project that would construct or improve a state highway and require the closure of the state highway for at least five consecutive days, is required to provide notice of the proposed project to governmental bodies serving the area affected by the proposed highway closure. Authorizes a governmental body, within 30 days after being notified, to submit written objections to the proposed project to the department. Requires the department, if it receives written objections, to respond to the written objections at a regularly scheduled meeting of a governmental body serving the area affected by the proposed highway closure.

Effective: July 1, 2011.

proposed highway closure in the case of a closure occurring in an unincorporated area.

- (3) The appropriate recipient, if any, among the following:
 - (A) The executive of a township providing fire protection services to the area affected by the proposed highway closure.
 - (B) The board of fire trustees of a fire protection district providing fire protection services to the area affected by the proposed highway closure.
 - (C) The executive of the provider unit of a fire protection territory providing fire protection services to the area affected by the proposed highway closure.
 - (4) The director of any local emergency management organization serving the area affected by the proposed highway closure.

(c) A governmental body that receives notice of a proposed project under subsection (b) may object to the proposed highway closure by submitting the reasons for the governmental body's objections to the department in writing within thirty (30) days after receiving the notice.

(d) The department shall respond to an objection received under subsection (c) at a regularly scheduled meeting of one (1) of the following:

- (1) The board of commissioners of the county in which the proposed highway closure is located.
- (2) The fiscal body of the county in which the proposed highway closure is located.
- (3) The fiscal body of the appropriate municipality described in subsection (b)(2).

(e) The department may alter a proposed project described in subsection (a) to mitigate the effects of the proposed highway closure. However, the department's decisions under this section:

- (1) are final; and
- (2) are not subject to judicial review.
