Changes the timeframe that a provider has to repay an overpayment from 60 days to 300 days. Extends: (1) the collection of a nursing facility quality assessment fee with changes to the amount collected and the amount and to whom the dollars are dispersed; and (2) a moratorium on the certification of new or converted comprehensive care beds for participation in the state Medicaid program; until June 30, 2014. Creates a certificate of need for a comprehensive care bed license that allows the state department of health to grant a license for a bed only if the county in which the beds are to be located has an occupancy rate of at least 90%.
