- (2) In the case of an appeal submitted under subsection (a)(2), the statements made by the fund member under section 12.7(o) of this chapter are considered to be the final order.
- (3) In the case of a review initiated under subsection (b), the impairment determined under section 12.7(i) of this chapter is considered to be the final order.

(f) If the PERF board approves the director's initial determination, then the PERF board shall issue a final order adopting the initial determination. The local board and the chief of the police or fire department shall comply with the initial determination. If the PERF board does not approve the initial determination, the PERF board may receive additional evidence on the matter before issuing a final order.

(g) Appeals of the PERF board's final order may be made under IC 4-21.5.

(h) The transcripts, records, reports, and other materials compiled under this section must be retained in accordance with the procedures specified in section 12.7(p) of this chapter.

SECTION 20. IC 36-8-8-18, AS AMENDED BY P.L.148-2007, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 18. (a) Except as provided in subsection (b), if a unit becomes a participant in the 1977 fund, credit for prior service by police officers (including prior service as a full-time, fully paid town marshal or full-time, fully paid deputy town marshal by a police officer employed by a metropolitan board of police commissioners) or by firefighters before the date of participation may be given by the PERF board only if:

- (1) the unit contributes to the 1977 fund the amount necessary to amortize prior service liability over a period of not more than forty (40) years, the amount and period to be determined by the PERF board; and
- (2) the police officers or firefighters pay, either in a lump sum or in a series of payments determined by the PERF board, the amount that they would have contributed if they had been members of the 1977 fund during their prior service.

If the requirements of subdivisions (1) and (2) are not met, a fund member is entitled to credit only for years of service after the date of participation.

(b) If a unit becomes a participant in the 1977 fund under section 3(c) of this chapter, or if a firefighter becomes a member of the 1977 fund under section 7(g) of this chapter, credit for prior service before the date of participation or membership shall be given by the PERF board as follows:

(1) For a member who will accrue twenty (20) years of service credit in the 1977 fund by the time the member reaches the earliest retirement age under the fund at the time of the member's date of participation in the 1977 fund, the member will be given credit in the 1977 fund for one-third (1/3) of the member's years of participation in PERF as a police officer, a firefighter, or an emergency medical technician.

(2) For a member who will not accrue twenty (20) years of service credit in the 1977 fund by the time the member reaches the earliest retirement age under the fund at the time of the member's date of participation in the 1977 fund, such prior service shall be given only if:

(A) The unit contributes to the 1977 fund the amount necessary to fund prior service liability amortized over a period of not more than ten (10) years. The amount of contributions must be based on the actual salary earned by a first class firefighter at the time the unit becomes a participant in the 1977 fund, or the firefighter becomes a member of the 1977 fund, or if no such salary designation exists, the actual salary earned by the firefighter. The limit on credit for prior service does not apply if the firefighter was a member of the 1937 fund or 1977 fund whose participation was terminated due to the creation of a new fire protection district under IC 36-8-11-5 and who subsequently became a member of the 1977 fund. A firefighter who was a member of or reentered the 1937 fund or 1977 fund whose participation was terminated due to the creation of a new fire protection district under IC 36-8-11-5 is entitled to full credit for prior service in an amount equal to the firefighter's years of service before becoming a member of or reentering the 1977 fund. Service may only be credited for time as a full-time, fully paid firefighter or as an emergency medical technician under section 7(g) of this chapter.

(B) The amount the firefighter would have contributed if the

firefighter had been a member of the 1977 fund during the firefighter's prior service must be fully paid and must be based on the firefighter's actual salary earned during that period before service can be credited under this section.

(C) Any amortization schedule for contributions paid under clause (A) and contributions to be paid under clause (B) must include interest at a rate determined by the PERF board.

(3) If, at the time a unit entered the 1977 fund, the unit contributed the amount required by subdivision (2) so that a fund member received the maximum prior service credit allowed by subdivision (2) and, at a later date, the earliest retirement age was lowered, the unit may contribute to the 1977 fund on the fund member's behalf an additional amount that is determined in the same manner as under subdivision (2) with respect to the additional prior service, if any, available as a result of the lower retirement age. If the unit pays the additional amount described in this subdivision in accordance with the requirements of subdivision (2), the fund member shall receive the additional service credit necessary for the fund member to retire at the lower earliest retirement age.

(c) This subsection applies to a unit that:

- (1) becomes a participant in the 1977 fund under section 3(c) of this chapter; and
- (2) is a fire protection district created under IC 36-8-11 that includes a township or a municipality that had a 1937 fund.

A firefighter who continues uninterrupted service with a unit covered by this subsection and who participated in the township or municipality 1937 fund is entitled to receive service credit for such service in the 1977 fund. However, credit for such service is limited to the amount accrued by the firefighter in the 1937 fund or the amount necessary to allow the firefighter to accrue twenty (20) years of service credit in the 1977 fund by the time the firefighter becomes ~~fifty-five (55)~~ **fifty-two (52)** years of age, whichever is less.

(d) The unit shall contribute into the 1977 fund the amount necessary to fund the amount of past service determined in accordance with subsection (c), amortized over a period not to exceed ten (10) years with interest at a rate determined by the PERF board.

(e) If the township or municipality has accumulated money in its 1937 fund, any amount accumulated that exceeds the present value of all projected future benefits from the 1937 plan shall be paid by the township or municipality to the unit for the sole purpose of making the contributions determined in subsection (d).

- (2) An annuity contract or account described in Section 403(b) of the Internal Revenue Code.

(g) To the extent permitted by the Internal Revenue Code and the applicable regulations, the 1977 fund may accept, on behalf of a fund member who is purchasing permissive service credit under this chapter, a trustee to trustee transfer from any of the following:

- (1) An annuity contract or account described in Section 403(b) of the Internal Revenue Code.
- (2) An eligible deferred compensation plan under Section 457(b) of the Internal Revenue Code.

SECTION 21. IC 36-8-8-18.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]: Sec. 18.1. (a) As used in this section, "police officer" includes a former full-time, fully paid town marshal or full-time, fully paid deputy town marshal who is employed as a police officer by a metropolitan board of police commissioners.

(b) If a unit becomes a participant in the 1977 fund and the unit previously covered police officers, firefighters, or emergency medical technicians in PERF, or if the employees of the unit become members of the 1977 fund under section 7(g) of this chapter, the following provisions apply:

- (1) A minimum benefit applies to members electing to transfer or being transferred to the 1977 fund from PERF. The minimum benefit, payable at age ~~fifty-five (55)~~ **fifty-two (52)**, for such a member equals the actuarial equivalent of the vested retirement benefit payable to the member upon normal retirement under IC 5-10.2-4-1 as of the day before the transfer, based solely on:
  - (A) creditable service;
  - (B) the average of the annual compensation; and
  - (C) the amount credited to the annuity savings account; of the transferring member as of the day before the transfer under

IC 5-10.2 and IC 5-10.3.

(2) The PERF board shall transfer from PERF to the 1977 fund the amount credited to the annuity savings accounts and the present value of the retirement benefits payable at age sixty-five (65) attributable to the transferring members.

(3) The amount the unit and the member must contribute to the 1977 fund under section 18 of this chapter, if any service credit is to be given under that section, will be reduced by the amounts transferred to the 1977 fund by the PERF board under subdivision (2).

(4) Credit for prior service in PERF of a member as a police officer, a firefighter, or an emergency medical technician is waived in PERF. Any credit for that service under the 1977 fund shall only be given in accordance with section 18 of this chapter.

(5) Credit for prior service in PERF of a member, other than as a police officer, a firefighter, or an emergency medical technician, remains in PERF and may not be credited under the 1977 fund.

SECTION 22. P.L.33-2006, SECTION 4, IS REPEALED [EFFECTIVE UPON PASSAGE].
