

PRINTING CODE. Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in **this style type**, and deletions will appear in ~~this style type~~.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in **this style type**. Also, the word **NEW** will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in *this style type* or ~~this style type~~ reconciles conflicts between statutes enacted by the 2010 Regular Session of the General Assembly.

SENATE ENROLLED ACT No. 484

AN ACT to amend the Indiana Code concerning health.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 16-41-18.5 IS ADDED TO THE INDIANA CODE AS A **NEW** CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]:

Chapter 18.5. Lupus Education

Sec. 1. The state department may work with a national lupus organization in educating the public about the following concerning lupus:

- (1) The symptoms and nature of lupus.**
- (2) Personal risk factors.**
- (3) Options for diagnosing and treating lupus.**
- (4) Populations with elevated risk for lupus, including women and communities of color.**

Sec. 2. (a) The state department may promote a national lupus organization's initiatives to educate and train physicians, other health care providers, and human services providers on the most current and accurate scientific and medical information regarding the following concerning lupus:

- (1) Diagnosis.**
- (2) Treatment.**
- (3) Risks and benefits of medications.**
- (4) Research advances.**

(5) Therapeutic decision making, including medical best practices for diagnosing and treatment.

(b) The state department may distribute medically sound health information on the state department's Internet web site for review by the following:

- (1) Local health departments.
- (2) Schools.
- (3) The division of aging.
- (4) Employer wellness programs.
- (5) Physicians and other health care providers.
- (6) Hospitals.

Sec. 3. The state department may participate in identifying the appropriate partners to aid in the education components of this chapter, including the following:

- (1) Local health departments.
- (2) Schools.
- (3) Division of aging.
- (4) Area agencies on aging.
- (5) Employer wellness programs.
- (6) Physicians and other health care providers.
- (7) Accident and sickness insurance companies and health maintenance organizations.
- (8) Hospitals.
- (9) Women's health organizations.
- (10) Nonprofit entities.
- (11) Community organizations.

Sec. 4. The state department may accept grants, services, and property from the federal government, public entities, and private entities for the purpose of participating in national education programs. The state department may seek any federal waiver needed to maximize federal funds to educate the public about lupus.

SECTION 2. IC 16-41-18.6 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2011]:

Chapter 18.6. Parkinson's Disease Education

Sec. 1. The state department may work with a national Parkinson's disease organization in educating the public about the following concerning Parkinson's disease:

- (1) The symptoms and nature of Parkinson's disease.
- (2) Personal risk factors.
- (3) Options for diagnosing and treating Parkinson's disease.
