If a defendant not requesting payment is a nonresident of Indiana, or if that defendant's name or residence is unknown, publication and proof of the notice and request for payment shall be made as provided in section 4 of this chapter.

(3) After a hearing held after notice of a written request made under this section, the court shall determine and order the payment by the circuit court clerk of the proportionate shares of the damages due to the defendants requesting payment. Any of the defendants may appeal an order under this subdivision within the same time and in the same manner as provided for allowable appeals from interlocutory orders in civil actions.

(4) If exceptions to the appraisers' report have been duly filed by the plaintiff or any defendant, the circuit court clerk may not make payment to any defendant of any part of the damages deposited with the clerk by the plaintiff until the defendants requesting payment have filed with the circuit court clerk a written undertaking, with surety approved by the court, for the repayment to the plaintiff of all sums received by those defendants in excess of the amount or amounts awarded as damages to those defendants by the judgment of the court upon trial held on the exceptions to the assessment of damages by the appraisers. However, the court may waive the requirement of separate surety as to any defendant who is a resident freeholder of the county in which the cause is pending and who is owner of real property in Indiana that is liable to execution, not included in the real property appropriated by the plaintiff, and equal in value to the amount by which the damages to be withdrawn exceed the amount offered to the defendants as stated in their request or the amount determined by the court if the plaintiff has disputed the statement of the offer. A surety or written undertaking may not be required for a defendant to withdraw those amounts previously offered by the plaintiff to the defendant if the plaintiff has previously notified the court in writing of the amounts so offered. The liability of any surety does not exceed the amount by which the damages to be withdrawn exceed the amount offered to the defendants with whom the surety joins in the written undertaking. Each written undertaking filed with the circuit court clerk shall be immediately recorded by the clerk in the order book and entered in the judgment docket, and from the date of the recording and entry the written undertaking is a lien upon all the real property in the county owned by the several obligors, and the undertaking is also a lien upon all the real property owned by the several

obligors in each county of Indiana in which the plaintiff causes a certified copy of the judgment docket entry to be recorded, from the date of the recording.

(5) The withdrawal and receipt from the circuit court clerk by any defendant of that defendant's proportionate share of the damages awarded by the appraisers, as determined by the court upon the written request and hearing, does not operate and is not considered as a waiver of any exceptions duly filed by that defendant to the assessment of damages by the appraisers.

(6) In any trial of exceptions, the court or jury shall compute and allow interest at an annual rate of eight percent (8%) on the amount of a defendant's damages from the date plaintiff takes possession of the property. Interest may not be allowed on any money paid by the plaintiff to the circuit court clerk:

- (A) after the money is withdrawn by the defendant; or
- (B) that is equal to the amount of damages previously offered by the plaintiff to any defendant and which amount can be withdrawn by the defendant without filing a written undertaking or surety with the court for the withdrawal of that amount.
