(d) ~~Twenty (20)~~ **Forty-five (45)** days after the **date the circuit court clerk mails the report under subsection (a),** ~~filing of the report of the appraisers~~ and if the plaintiff has paid the amount of damages assessed to the circuit court clerk, any one (1) or more of the defendants may file a written request for payment of each defendant's proportionate share of the damages held by the circuit court clerk. The defendants making a request for payment must also file sufficient copies of the request for service upon the plaintiff and all other defendants not joining in the request. The defendants making the request may withdraw and receive each defendant's proportionate share of the damages upon the following terms and conditions:

- (1) Each written request must:
 - (A) be verified under oath; and
 - (B) state:
 - (i) the amount of the proportionate share of the damages to which each of the defendants joining in the request is entitled;
 - (ii) the interest of each defendant joining in the request; and
 - (iii) the highest offer made by the plaintiff to each of the defendants for each defendant's respective interests in or damages sustained in respect to the property that has been acquired by the plaintiff.
- (2) Upon the filing of a written request for withdrawal and payment of damages to any of the defendants, the circuit court clerk shall immediately issue a notice to the plaintiff and all defendants of record in the cause who have not joined in the request for payment. The notice must contain the following:
 - (A) The names of the parties.
 - (B) The number of the cause.
 - (C) A statement that a request for payment has been filed.
 - (D) A notice to appear on a day, to be fixed by the court, and show cause, if any, why the amounts requested should not be withdrawn and paid over by the circuit court clerk to those defendants requesting the amounts to be paid.
 - (E) A copy of the request for payment.

If a defendant not requesting payment is a nonresident of Indiana, or if that defendant's name or residence is unknown, publication and proof of the notice and request for payment shall be made as provided in section 4 of this chapter.

under this section, the court shall determine and order the payment by the circuit court clerk of the proportionate shares of the damages due to the defendants requesting payment. Any of the defendants may appeal an order under this subdivision within the same time and in the same manner as provided for allowable appeals from interlocutory orders in civil actions.

(4) If exceptions to the appraisers' report have been duly filed by the plaintiff or any defendant, the circuit court clerk may not make payment to any defendant of any part of the damages deposited with the clerk by the plaintiff until the defendants requesting payment have filed with the circuit court clerk a written undertaking, with surety approved by the court, for the repayment to the plaintiff of all sums received by those defendants in excess of the amount or amounts awarded as damages to those defendants by the judgment of the court upon trial held on the exceptions to the assessment of damages by the appraisers. However, the court may waive the requirement of separate surety as to any defendant who is a resident freeholder of the county in which the cause is pending and who is owner of real property in Indiana that is liable to execution, not included in the real property appropriated by the plaintiff, and equal in value to the amount by which the damages to be withdrawn exceed the amount offered to the defendants as stated in their request or the amount determined by the court if the plaintiff has disputed the statement of the offer. A surety or written undertaking may not be required for a defendant to withdraw those amounts previously offered by the plaintiff to the defendant if the plaintiff has previously notified the court in writing of the amounts so offered. The liability of any surety does not exceed the amount by which the damages to be withdrawn exceed the amount offered to the defendants with whom the surety joins in the written undertaking. Each written undertaking filed with the circuit court clerk shall be immediately recorded by the clerk in the order book and entered in the judgment docket, and from the date of the recording and entry the written undertaking is a lien upon all the real property in the county owned by the several obligors, and the undertaking is also a lien upon all the real property owned by the several obligors in each county of Indiana in which the plaintiff causes a certified copy of the judgment docket entry to be recorded, from the date of the recording.

(5) The withdrawal and receipt from the circuit court clerk by any defendant of that defendant's proportionate share of the damages

awarded by the appraisers, as determined by the court upon the written request and hearing, does not operate and is not considered as a waiver of any exceptions duly filed by that defendant to the assessment of damages by the appraisers.

(6) In any trial of exceptions, the court or jury shall compute and allow interest at an annual rate of eight percent (8%) on the amount of a defendant's damages from the date plaintiff takes possession of the property. Interest may not be allowed on any money paid by the plaintiff to the circuit court clerk:

- (A) after the money is withdrawn by the defendant; or
- (B) that is equal to the amount of damages previously offered by the plaintiff to any defendant and which amount can be withdrawn by the defendant without filing a written undertaking or surety with the court for the withdrawal of that amount.
