(Under current law the threshold is \$10,000,000 for elementary and middle school buildings and \$20,000,000 for high school buildings.) Provides that in determining whether a local government capital project is a controlled project and whether the petition and remonstrance process or the referendum process apply to the capital project, the cost of the capital project does not include expenditures for the capital project that will be paid from donations or other gifts. 1 determines it is appropriate because the estimated cost of:

2 (1) a reassessment of one (1) or more groups of parcels under a

4 chapter; or

5 (2) making annual adjustments under section 4.5 of this chapter;
6 has changed:

7 ~~(e)~~ (c) The county assessor may petition the county fiscal body to

11 chapter;

12 (2) verification under 50 IAC 21-3-2 of sales disclosure forms
13 forwarded to the county assessor under IC 6-1.1-5.5-3; or

14 (3) processing annual adjustments under section 4.5 of this
15 chapter.

16 The assessor must document the needs and reasons for the increased
17 funding.

18 ~~(f)~~ (d) If the county fiscal body denies a petition under subsection

20 government finance. The department of local government finance shall:

21 (1) hear the appeal; and

22 (2) determine whether the additional levy is necessary.

23 SECTION 2. IC 6-1.1-17-16, AS AMENDED BY P.L.137-2012,
24 SECTION 26, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
25 JULY 1, 2013]: Sec. 16. (a) Subject to the limitations and requirements
26 prescribed in this section, the department of local government finance
27 may revise, reduce, or increase a political subdivision's budget by fund,
28 tax rate, or tax levy which the department reviews under section 8 or
29 10 of this chapter.

30 (b) Subject to the limitations and requirements prescribed in this
31 section, the department of local government finance may review,
32 revise, reduce, or increase the budget by fund, tax rate, or tax levy of
33 any of the political subdivisions whose tax rates compose the aggregate
34 tax rate within a political subdivision whose budget, tax rate, or tax
35 levy is the subject of an appeal initiated under this chapter.

36 (c) Except as provided in ~~subsections (f) and (k)~~; **section 16.1 of**
37 **this chapter, the department of local government finance is not**
38 **required to hold a public hearing** before the department of local
39 government finance reviews, revises, reduces, or increases a political
40 subdivision's budget by fund, tax rate, or tax levy under this section. ~~the~~
41 ~~department must hold a public hearing on the budget, tax rate, and tax~~

1 hearing in the county in which the political subdivision is located. The
2 department of local government finance may consider the budgets by
3 fund, tax rates, and tax levies of several political subdivisions at the
4 same public hearing. At least five (5) days before the date fixed for a
5 public hearing, the department of local government finance shall give
6 notice of the time and place of the hearing and of the budgets by fund,
7 levies, and tax rates to be considered at the hearing. The department of
8 local government finance shall publish the notice in two (2)
9 newspapers of general circulation published in the county. However,
10 if only one (1) newspaper of general circulation is published in the
11 county, the department of local government finance shall publish the
12 notice in that newspaper.

13 (d) Except as provided in subsection (i), IC 20-46, or IC 6-1.1-18.5,
14 the department of local government finance may not increase a political
15 subdivision's budget by fund, tax rate, or tax levy to an amount which
16 exceeds the amount originally fixed by the political subdivision.
17 However, if the department of local government finance determines
18 that IC 5-3-1-2.3(b) applies to the tax rate, tax levy, or budget of the
19 political subdivision, the maximum amount by which the department
20 may increase the tax rate, tax levy, or budget is the amount originally
21 fixed by the political subdivision, and not the amount that was
22 incorrectly published or omitted in the notice described in
23 IC 5-3-1-2.3(b). The department of local government finance shall give
24 the political subdivision notification electronically in the manner
25 prescribed by the department of local government finance specifying
26 any revision, reduction, or increase the department proposes in a
27 political subdivision's tax levy or tax rate. The political subdivision has
28 ten (10) calendar days from the date the political subdivision receives
29 the notice to provide a response electronically in the manner prescribed
30 by the department of local government finance. The response may
31 include budget reductions, reallocation of levies, a revision in the
32 amount of miscellaneous revenues, and further review of any other
33 item about which, in the view of the political subdivision, the
34 department is in error. The department of local government finance
35 shall consider the adjustments as specified in the political subdivision's
36 response if the response is provided as required by this subsection and
37 shall deliver a final decision to the political subdivision.

38 (e) The department of local government finance may not approve a
39 levy for lease payments by a city, town, county, library, or school
40 corporation if the lease payments are payable to a building corporation
41 for use by the building corporation for debt service on bonds and if:

- 42 (1) no bonds of the building corporation are outstanding; or

- 1 (2) the building corporation has enough legally available funds on
 2 hand to redeem all outstanding bonds payable from the particular
 3 lease rental levy requested.
- 4 (f) The department of local government finance shall certify its
 5 action to:
- 6 (1) the county auditor;
 7 (2) the political subdivision if the department acts pursuant to an
 8 appeal initiated by the political subdivision;
 9 (3) the taxpayer that initiated an appeal under section 13 of this
 10 chapter, or, if the appeal was initiated by multiple taxpayers, the
 11 first ten (10) taxpayers whose names appear on the statement filed
 12 to initiate the appeal; and
 13 (4) a taxpayer that owns property that represents at least ten
 14 percent (10%) of the taxable assessed valuation in the political
 15 subdivision.
- 16 (g) The following may petition for judicial review of the final
 17 determination of the department of local government finance under
 18 subsection (f):
- 19 (1) If the department acts under an appeal initiated by a political
 20 subdivision, the political subdivision.
 21 (2) If the department:
 22 (A) acts under an appeal initiated by one (1) or more taxpayers
 23 under section 13 of this chapter; or
 24 (B) fails to act on the appeal before the department certifies its
 25 action under subsection (f);
 26 a taxpayer who signed the statement filed to initiate the appeal.
 27 (3) If the department acts under an appeal initiated by the county
 28 auditor under section 14 of this chapter, the county auditor.
 29 (4) A taxpayer that owns property that represents at least ten
 30 percent (10%) of the taxable assessed valuation in the political
 31 subdivision.
- 32 The petition must be filed in the tax court not more than forty-five (45)
 33 days after the department certifies its action under subsection (f).
- 34 (h) The department of local government finance is expressly
 35 directed to complete the duties assigned to it under this section not later
 36 than February 15th 15 of each year for taxes to be collected during that
 37 year.
- 38 (i) Subject to the provisions of all applicable statutes, the
 39 department of local government finance may increase a political
 40 subdivision's tax levy to an amount that exceeds the amount originally
 41 fixed by the political subdivision if the increase is:
 42 (1) requested in writing by the officers of the political

1 subdivision;

2 (2) either:

3 (A) based on information first obtained by the political
4 subdivision after the public hearing under section 3 of this
5 chapter; or

6 (B) results from an inadvertent mathematical error made in
7 determining the levy; and

8 (3) published by the political subdivision according to a notice
9 provided by the department.

10 (j) The department of local government finance shall annually
11 review the budget by fund of each school corporation not later than
12 April 1. The department of local government finance shall give the
13 school corporation written notification specifying any revision,
14 reduction, or increase the department proposes in the school
15 corporation's budget by fund. A public hearing is not required in
16 connection with this review of the budget.

17 ~~(k) The department of local government finance may hold a hearing~~
18 ~~under subsection (e) only if the notice required in section 12 of this~~
19 ~~chapter is published at least ten (10) days before the date of the~~

- 1 (i) property taxes; or
 2 (ii) special benefits taxes;
 3 imposed by a political subdivision; and

 5 under this section.
- 6 (e) *For property tax rates imposed for property taxes first due and*
 7 *payable after December 31, 2012, 2013*, the new maximum rate under
 8 a statute listed in subsection (d) is the tax rate determined under STEP
 9 ~~SEVEN~~ EIGHT of the following STEPS:
- 10 STEP ONE: *Except as provided in subsection (g)*, determine the
 11 maximum rate for the political subdivision levying a property tax
 12 or special benefits tax under the statute for the **previous calendar**
 13 **year preceding the year in which the annual adjustment or**
 14 **general the reassessment under IC 6-1.1-4-4 or IC 6-1.1-4-4.2**
 15 **takes effect.**
- 16 STEP TWO: *Except as provided in subsection (g)*; Determine the
 17 actual percentage change (rounded to the nearest one-hundredth
 18 percent (0.01%)) in the assessed value (~~before the adjustment, if~~
 19 ~~any, under IC 6-1.1-4-4.5~~) of the taxable property from the
 20 **previous calendar year preceding the year the annual adjustment**

 22 **takes effect to the year that the annual adjustment or general the**
 23 **reassessment under IC 6-1.1-4-4 or IC 6-1.1-4-4.2 takes effect. in**
 24 **which the affected property taxes will be imposed.**
- 25 STEP THREE: Determine the three (3) calendar years that
 26 immediately precede the ~~ensuing calendar year and in which a~~
 27 ~~statewide general reassessment of real property under~~
 28 ~~IC 6-1.1-4-4 does not first take effect. year in which the affected~~
 29 **property taxes will be imposed.**
- 30 STEP FOUR: *Except as provided in subsection (g)*; Compute
 31 separately, for each of the calendar years determined in STEP
 32 THREE, the actual percentage change (rounded to the nearest
 33 one-hundredth percent (0.01%)) in the assessed value (before the
 34 adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property
 35 from the preceding year.
- 36 STEP FIVE: Divide the sum of the three (3) quotients computed
 37 in STEP FOUR by three (3).
- 38 *STEP SIX: Determine the greater of the following:*
 39 (A) Zero (0).
 40 (B) The STEP FIVE result.
- 41 ~~STEP SIX: SEVEN:~~ Determine the greater of the following:
 42 (A) Zero (0).

C
O
P
Y

- 1 (B) The result of the STEP TWO percentage minus the STEP
 2 ~~FIVE SIX~~ percentage.
- 3 STEP ~~SEVEN~~ EIGHT: Determine the quotient of the STEP ONE
 4 tax rate divided by the sum of one (1) plus the STEP ~~SIX SEVEN~~
 5 percentage. ~~increase~~.
- 6 (f) The department of local government finance shall compute the
 7 maximum rate allowed under subsection (e) and provide the rate to
 8 each political subdivision with authority to levy a tax under a statute
 9 listed in subsection (d).
- 10 (g) ~~This subsection applies to STEP TWO and STEP FOUR of~~
 11 ~~subsection (e) for taxes first due and payable after 2011. If the~~
 12 ~~assessed value change used in the STEPS was not an increase, the~~
 13 ~~STEPS are applied using instead:~~
- 14 (1) ~~the actual percentage decrease (rounded to the nearest~~
 15 ~~one-hundredth percent (0.01%)) in the assessed value (before the~~
 16 ~~adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property;~~
 17 ~~or~~
 18 (2) ~~zero (0) if the assessed value did not increase or decrease.~~
- 19 (g) ~~This subsection applies only when calculating the maximum rate~~
 20 ~~for taxes due and payable in calendar year 2013. The STEP ONE~~
 21 ~~result is the greater of the following:~~
- 22 (1) ~~The actual maximum rate established for property taxes first~~
 23 ~~due and payable in calendar year 2012.~~
- 24 (2) ~~The maximum rate that would have been established for~~
 25 ~~property taxes first due and payable in calendar year 2012 if the~~
 26 ~~maximum rate had been established under the formula under this~~
 27 ~~section, as amended in the 2012 session of the general assembly.~~

10 SECTION 6. IC 6-1.1-18.5-13, AS AMENDED BY P.L.112-2012,
 11 SECTION 38, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 12 JULY 1, 2013]: Sec. 13. (a) With respect to an appeal filed under
 13 section 12 of this chapter, the department may find that a civil taxing
 14 unit should receive any one (1) or more of the following types of relief:

15 (1) Permission to the civil taxing unit to increase its levy in excess
 16 of the limitations established under section 3 of this chapter, if in
 17 the judgment of the department the increase is reasonably
 18 necessary due to increased costs of the civil taxing unit resulting
 19 from annexation, consolidation, or other extensions of
 20 governmental services by the civil taxing unit to additional
 21 geographic areas or persons. With respect to annexation,
 22 consolidation, or other extensions of governmental services in a
 23 calendar year, if those increased costs are incurred by the civil
 24 taxing unit in that calendar year and more than one (1)
 25 immediately succeeding calendar year, the unit may appeal under
 26 section 12 of this chapter for permission to increase its levy under
 27 this subdivision based on those increased costs in any of the
 28 following:

- 29 (A) The first calendar year in which those costs are incurred.
- 30 (B) One (1) or more of the immediately succeeding four (4)
- 31 calendar years.

32 (2) A levy increase may not be granted under this subdivision for
 33 property taxes first due and payable after December 31, 2008.
 34 Permission to the civil taxing unit to increase its levy in excess of
 35 the limitations established under section 3 of this chapter, if the
 36 local government tax control board finds that the civil taxing unit
 37 needs the increase to meet the civil taxing unit's share of the costs
 38 of operating a court established by statute enacted after December
 39 31, 1973. Before recommending such an increase, the local
 40 government tax control board shall consider all other revenues
 41 available to the civil taxing unit that could be applied for that
 42 purpose. The maximum aggregate levy increases that the local

C

p
y

1 government tax control board may recommend for a particular
2 court equals the civil taxing unit's estimate of the unit's share of
3 the costs of operating a court for the first full calendar year in
4 which it is in existence. For purposes of this subdivision, costs of
5 operating a court include:

- 6 (A) the cost of personal services (including fringe benefits);
- 7 (B) the cost of supplies; and
- 8 (C) any other cost directly related to the operation of the court.

9 (3) Permission to the civil taxing unit to increase its levy in excess
10 of the limitations established under section 3 of this chapter, if the
11 department finds that the quotient determined under STEP SIX of
12 the following formula is equal to or greater than one and
13 two-hundredths (1.02):

14 STEP ONE: Determine the three (3) calendar years that most
15 immediately precede the ensuing calendar year and in which
16 a statewide general reassessment of real property under
17 IC 6-1.1-4-4 does not first become effective.

18 STEP TWO: Compute separately, for each of the calendar
19 years determined in STEP ONE, the quotient (rounded to the
20 nearest ten-thousandth (0.0001)) of the sum of the civil taxing
21 unit's total assessed value of all taxable property and:

22 (i) for a particular calendar year before 2007, the total
23 assessed value of property tax deductions in the unit under
24 IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar
25 year; or

26 (ii) for a particular calendar year after 2006, the total
27 assessed value of property tax deductions that applied in the
28 unit under IC 6-1.1-12-42 in 2006 plus for a particular
29 calendar year after 2009, the total assessed value of property
30 tax deductions that applied in the unit under
31 IC 6-1.1-12-37.5 in 2008;

32 divided by the sum determined under this STEP for the
33 calendar year immediately preceding the particular calendar
34 year.

35 STEP THREE: Divide the sum of the three (3) quotients
36 computed in STEP TWO by three (3).

37 STEP FOUR: Compute separately, for each of the calendar
38 years determined in STEP ONE, the quotient (rounded to the
39 nearest ten-thousandth (0.0001)) of the sum of the total
40 assessed value of all taxable property in all counties and:

41 (i) for a particular calendar year before 2007, the total
42 assessed value of property tax deductions in all counties

C

1 under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular
2 calendar year; or
3 (ii) for a particular calendar year after 2006, the total
4 assessed value of property tax deductions that applied in all
5 counties under IC 6-1.1-12-42 in 2006 plus for a particular
6 calendar year after 2009, the total assessed value of property
7 tax deductions that applied in the unit under
8 IC 6-1.1-12-37.5 in 2008;
9 divided by the sum determined under this STEP for the
10 calendar year immediately preceding the particular calendar
11 year.
12 STEP FIVE: Divide the sum of the three (3) quotients
13 computed in STEP FOUR by three (3).
14 STEP SIX: Divide the STEP THREE amount by the STEP
15 FIVE amount.
16 The civil taxing unit may increase its levy by a percentage not
17 greater than the percentage by which the STEP THREE amount
18 exceeds the percentage by which the civil taxing unit may
19 increase its levy under section 3 of this chapter based on the
20 assessed value growth quotient determined under section 2 of this
21 chapter.
22 (4) A levy increase may not be granted under this subdivision for
23 property taxes first due and payable after December 31, 2008.
24 Permission to the civil taxing unit to increase its levy in excess of
25 the limitations established under section 3 of this chapter, if the
26 local government tax control board finds that the civil taxing unit
27 needs the increase to pay the costs of furnishing fire protection for
28 the civil taxing unit through a volunteer fire department. For
29 purposes of determining a township's need for an increased levy,
30 the local government tax control board shall not consider the
31 amount of money borrowed under IC 36-6-6-14 during the
32 immediately preceding calendar year. However, any increase in
33 the amount of the civil taxing unit's levy recommended by the
34 local government tax control board under this subdivision for the
35 ensuing calendar year may not exceed the lesser of:
36 (A) ten thousand dollars (\$10,000); or
37 (B) twenty percent (20%) of:
38 (i) the amount authorized for operating expenses of a
39 volunteer fire department in the budget of the civil taxing
40 unit for the immediately preceding calendar year; plus
41 (ii) the amount of any additional appropriations authorized
42 during that calendar year for the civil taxing unit's use in

COPY

1 paying operating expenses of a volunteer fire department
2 under this chapter; minus
3 (iii) the amount of money borrowed under IC 36-6-6-14
4 during that calendar year for the civil taxing unit's use in
5 paying operating expenses of a volunteer fire department.
6 (5) A levy increase may not be granted under this subdivision for
7 property taxes first due and payable after December 31, 2008.
8 Permission to a civil taxing unit to increase its levy in excess of
9 the limitations established under section 3 of this chapter in order
10 to raise revenues for pension payments and contributions the civil
11 taxing unit is required to make under IC 36-8. The maximum
12 increase in a civil taxing unit's levy that may be recommended
13 under this subdivision for an ensuing calendar year equals the
14 amount, if any, by which the pension payments and contributions
15 the civil taxing unit is required to make under IC 36-8 during the
16 ensuing calendar year exceeds the product of one and one-tenth
17 (1.1) multiplied by the pension payments and contributions made
18 by the civil taxing unit under IC 36-8 during the calendar year that
19 immediately precedes the ensuing calendar year. For purposes of
20 this subdivision, "pension payments and contributions made by a
21 civil taxing unit" does not include that part of the payments or
22 contributions that are funded by distributions made to a civil
23 taxing unit by the state.
24 (6) A levy increase may not be granted under this subdivision for
25 property taxes first due and payable after December 31, 2008.
26 Permission to increase its levy in excess of the limitations
27 established under section 3 of this chapter if the local government
28 tax control board finds that:
29 (A) the township's township assistance ad valorem property
30 tax rate is less than one and sixty-seven hundredths cents
31 (\$0.0167) per one hundred dollars (\$100) of assessed
32 valuation; and
33 (B) the township needs the increase to meet the costs of
34 providing township assistance under IC 12-20 and IC 12-30-4.
35 The maximum increase that the board may recommend for a
36 township is the levy that would result from an increase in the
37 township's township assistance ad valorem property tax rate of
38 one and sixty-seven hundredths cents (\$0.0167) per one hundred
39 dollars (\$100) of assessed valuation minus the township's ad
40 valorem property tax rate per one hundred dollars (\$100) of
41 assessed valuation before the increase.
42 (7) A levy increase may not be granted under this subdivision for

C

1 property taxes first due and payable after December 31, 2008.
 2 Permission to a civil taxing unit to increase its levy in excess of
 3 the limitations established under section 3 of this chapter if:
 4 (A) the increase has been approved by the legislative body of
 5 the municipality with the largest population where the civil
 6 taxing unit provides public transportation services; and
 7 (B) the local government tax control board finds that the civil
 8 taxing unit needs the increase to provide adequate public
 9 transportation services.
 10 The local government tax control board shall consider tax rates
 11 and levies in civil taxing units of comparable population, and the
 12 effect (if any) of a loss of federal or other funds to the civil taxing
 13 unit that might have been used for public transportation purposes.
 14 However, the increase that the board may recommend under this
 15 subdivision for a civil taxing unit may not exceed the revenue that
 16 would be raised by the civil taxing unit based on a property tax
 17 rate of one cent (\$0.01) per one hundred dollars (\$100) of
 18 assessed valuation.
 19 (8) A levy increase may not be granted under this subdivision for
 20 property taxes first due and payable after December 31, 2008.
 21 Permission to a civil taxing unit to increase the unit's levy in
 22 excess of the limitations established under section 3 of this
 23 chapter if the local government tax control board finds that:
 24 (A) the civil taxing unit is:
 25 (i) a county having a population of more than one hundred
 26 seventy thousand (170,000) but less than one hundred
 27 seventy-five thousand (175,000);
 28 (ii) a city having a population of more than sixty-five
 29 thousand (65,000) but less than seventy thousand (70,000);
 30 (iii) a city having a population of more than twenty-nine
 31 thousand five hundred (29,500) but less than twenty-nine
 32 thousand six hundred (29,600);
 33 (iv) a city having a population of more than thirteen
 34 thousand four hundred fifty (13,450) but less than thirteen
 35 thousand five hundred (13,500); or
 36 (v) a city having a population of more than eight thousand
 37 seven hundred (8,700) but less than nine thousand (9,000);
 38 and
 39 (B) the increase is necessary to provide funding to undertake
 40 removal (as defined in IC 13-11-2-187) and remedial action
 41 (as defined in IC 13-11-2-185) relating to hazardous
 42 substances (as defined in IC 13-11-2-98) in solid waste

1 disposal facilities or industrial sites in the civil taxing unit that
 2 have become a menace to the public health and welfare.
 3 The maximum increase that the local government tax control
 4 board may recommend for such a civil taxing unit is the levy that
 5 would result from a property tax rate of six and sixty-seven
 6 hundredths cents (\$0.0667) for each one hundred dollars (\$100)
 7 of assessed valuation. For purposes of computing the ad valorem
 8 property tax levy limit imposed on a civil taxing unit under
 9 section 3 of this chapter, the civil taxing unit's ad valorem
 10 property tax levy for a particular year does not include that part of
 11 the levy imposed under this subdivision. In addition, a property
 12 tax increase permitted under this subdivision may be imposed for
 13 only two (2) calendar years.
 14 (9) A levy increase may not be granted under this subdivision for
 15 property taxes first due and payable after December 31, 2008.
 16 Permission for a county:
 17 (A) having a population of more than eighty thousand (80,000)
 18 but less than ninety thousand (90,000) to increase the county's
 19 levy in excess of the limitations established under section 3 of
 20 this chapter, if the local government tax control board finds
 21 that the county needs the increase to meet the county's share of
 22 the costs of operating a jail or juvenile detention center,
 23 including expansion of the facility, if the jail or juvenile
 24 detention center is opened after December 31, 1991;
 25 (B) that operates a county jail or juvenile detention center that
 26 is subject to an order that:
 27 (i) was issued by a federal district court; and
 28 (ii) has not been terminated;
 29 (C) that operates a county jail that fails to meet:
 30 (i) American Correctional Association Jail Construction
 31 Standards; and
 32 (ii) Indiana jail operation standards adopted by the
 33 department of correction; or
 34 (D) that operates a juvenile detention center that fails to meet
 35 standards equivalent to the standards described in clause (C)
 36 for the operation of juvenile detention centers.
 37 Before recommending an increase, the local government tax
 38 control board shall consider all other revenues available to the
 39 county that could be applied for that purpose. An appeal for
 40 operating funds for a jail or a juvenile detention center shall be
 41 considered individually, if a jail and juvenile detention center are
 42 both opened in one (1) county. The maximum aggregate levy

increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

~~(11) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.~~

~~(12) (11) Permission to a city having a population of more than thirty-one thousand five hundred (31,500) but less than thirty-one~~

1 thousand seven hundred twenty-five (31,725) to increase its levy
2 in excess of the limitations established under section 3 of this
3 chapter if:

4 (A) an appeal was granted to the city under this section to
5 reallocate property tax replacement credits under IC 6-3.5-1.1
6 in 1998, 1999, and 2000; and

7 (B) the increase has been approved by the legislative body of
8 the city, and the legislative body of the city has by resolution
9 determined that the increase is necessary to pay normal
10 operating expenses.

11 The maximum amount of the increase is equal to the amount of
12 property tax replacement credits under IC 6-3.5-1.1 that the city
13 petitioned under this section to have reallocated in 2001 for a
14 purpose other than property tax relief.

15 ~~(13)~~ **(12)** A levy increase may be granted under this subdivision
16 only for property taxes first due and payable after December 31,
17 2008. Permission to a civil taxing unit to increase its levy in
18 excess of the limitations established under section 3 of this
19 chapter if the civil taxing unit cannot carry out its governmental
20 functions for an ensuing calendar year under the levy limitations
21 imposed by section 3 of this chapter due to a natural disaster, an
22 accident, or another unanticipated emergency.

23 ~~(14)~~ **(13)** Permission to Jefferson County to increase its levy in
24 excess of the limitations established under section 3 of this
25 chapter if the department finds that the county experienced a
26 property tax revenue shortfall that resulted from an erroneous
27 estimate of the effect of the supplemental deduction under
28 IC 6-1.1-12-37.5 on the county's assessed valuation. An appeal for
29 a levy increase under this subdivision may not be denied because
30 of the amount of cash balances in county funds. The maximum
31 increase in the county's levy that may be approved under this
32 subdivision is three hundred thousand dollars (\$300,000).

33 (b) The department of local government finance shall increase the
34 maximum permissible ad valorem property tax levy under section 3 of
35 this chapter for the city of Goshen for 2012 and thereafter by an
36 amount equal to the greater of zero (0) or the result of:

37 (1) the city's total pension costs in 2009 for the 1925 police
38 pension fund (IC 36-8-6) and the 1937 firefighters' pension fund
39 (IC 36-8-7); minus

40 (2) the sum of:
41 (A) the total amount of state funds received in 2009 by the city
42 and used to pay benefits to members of the 1925 police

C

1 pension fund (IC 36-8-6) or the 1937 firefighters' pension fund
 2 (IC 36-8-7); plus
 3 (B) any previous permanent increases to the city's levy that
 4 were authorized to account for the transfer to the state of the
 5 responsibility to pay benefits to members of the 1925 police
 6 pension fund (IC 36-8-6) and the 1937 firefighters' pension
 7 fund (IC 36-8-7).

8 **(c) In calendar year 2013, the department of local government**
 9 **finance shall allow a township to increase its maximum permissible**
 10 **ad valorem property tax levy in excess of the limitations**
 11 **established under section 3 of this chapter, if the township:**

- 12 **(1) petitions the department for the levy increase on a form**
- 13 **prescribed by the department; and**
- 14 **(2) submits proof of the amount borrowed in calendar year**
- 15 **2012 or 2013, but not both, under IC 36-6-6-14 to furnish fire**
- 16 **protection for the township or a part of the township.**

17 **The maximum increase in a township's levy that may be allowed**
 18 **under this subsection is the amount borrowed by the township**
 19 **under IC 36-6-6-14 in the year for which proof was submitted**
 20 **under subdivision (2). An increase allowed under this subsection**
 21 **applies to property taxes first due and payable after December 31,**
 22 **2013.**

 - 31 (ii) an existing facility that has not been used for at least
 - 32 three (3) years and that is being reopened to provide
 - 33 additional classroom space;
 - 34 the estimated costs the school corporation expects to incur
 - 35 annually to operate the facility.
 - 36 (G) A statement of whether the school corporation expects to
 - 37 appeal for a new facility adjustment (as defined in
 - 38 IC 20-45-1-16 (repealed) before January 1, 2009) for an

1 debt service levy and rate that will result if the political
2 subdivision issues the bonds or enters into the lease.
3 (4) After notice is given, a petition requesting the application of
4 a petition and remonstrance process may be filed by the lesser of:
5 (A) one hundred (100) persons who are either owners of
6 property within the political subdivision or registered voters
7 residing within the political subdivision; or
8 (B) five percent (5%) of the registered voters residing within
9 the political subdivision.
10 (5) The state board of accounts shall design and, upon request by
11 the county voter registration office, deliver to the county voter
12 registration office or the county voter registration office's
13 designated printer the petition forms to be used solely in the
14 petition process described in this section. The county voter
15 registration office shall issue to an owner or owners of property
16 within the political subdivision or a registered voter residing
17 within the political subdivision the number of petition forms
18 requested by the owner or owners or the registered voter. Each
19 form must be accompanied by instructions detailing the
20 requirements that:
21 (A) the carrier and signers must be owners of property or
22 registered voters;
23 (B) the carrier must be a signatory on at least one (1) petition;
24 (C) after the signatures have been collected, the carrier must
25 swear or affirm before a notary public that the carrier
26 witnessed each signature; and
27 (D) govern the closing date for the petition period.
28 Persons requesting forms may be required to identify themselves
29 as owners of property or registered voters and may be allowed to
30 pick up additional copies to distribute to other owners of property
31 or registered voters. Each person signing a petition must indicate
32 whether the person is signing the petition as a registered voter
33 within the political subdivision or is signing the petition as the
34 owner of property within the political subdivision. A person who
35 signs a petition as a registered voter must indicate the address at
36 which the person is registered to vote. A person who signs a
37 petition as an owner of property must indicate the address of the
38 property owned by the person in the political subdivision.
39 (6) Each petition must be verified under oath by at least one (1)
40 qualified petitioner in a manner prescribed by the state board of
41 accounts before the petition is filed with the county voter
42 registration office under subdivision (7).

1 (7) Each petition must be filed with the county voter registration
 2 office not more than thirty (30) days after publication under
 3 subdivision (2) of the notice of the preliminary determination.
 4 (8) The county voter registration office shall determine whether
 5 each person who signed the petition is a registered voter. The
 6 county voter registration office shall, not more than fifteen (15)
 7 business days after receiving a petition, forward a copy of the
 8 petition to the county auditor. Not more than ten (10) business
 9 days after receiving the copy of the petition, the county auditor
 10 shall provide to the county voter registration office a statement
 11 verifying:
 12 (A) whether a person who signed the petition as a registered
 13 voter but is not a registered voter, as determined by the county
 14 voter registration office, is the owner of property in the
 15 political subdivision; and
 16 (B) whether a person who signed the petition as an owner of
 17 property within the political subdivision does in fact own
 18 property within the political subdivision.
 19 (9) The county voter registration office shall, not more than ten
 20 (10) business days after receiving the statement from the county
 21 auditor under subdivision (8), make the final determination of the
 22 number of petitioners that are registered voters in the political
 23 subdivision and, based on the statement provided by the county
 24 auditor, the number of petitioners that own property within the
 25 political subdivision. Whenever the name of an individual who
 26 signs a petition form as a registered voter contains a minor
 27 variation from the name of the registered voter as set forth in the
 28 records of the county voter registration office, the signature is
 29 presumed to be valid, and there is a presumption that the
 30 individual is entitled to sign the petition under this section. Except
 31 as otherwise provided in this chapter, in determining whether an
 32 individual is a registered voter, the county voter registration office
 33 shall apply the requirements and procedures used under IC 3 to
 34 determine whether a person is a registered voter for purposes of
 35 voting in an election governed by IC 3. However, an individual is
 36 not required to comply with the provisions concerning providing
 37 proof of identification to be considered a registered voter for
 38 purposes of this chapter. A person is entitled to sign a petition
 39 only one (1) time in a particular petition and remonstrance
 40 process under this chapter, regardless of whether the person owns
 41 more than one (1) parcel of real property, mobile home assessed
 42 as personal property, or manufactured home assessed as personal

1 property, or a combination of those types of property within the
 2 subdivision and regardless of whether the person is both a
 3 registered voter in the political subdivision and the owner of
 4 property within the political subdivision. Notwithstanding any
 5 other provision of this section, if a petition is presented to the
 6 county voter registration office within forty-five (45) days before
 7 an election, the county voter registration office may defer acting
 8 on the petition, and the time requirements under this section for
 9 action by the county voter registration office do not begin to run
 10 until five (5) days after the date of the election.

11 (10) The county voter registration office must file a certificate and
 12 each petition with:

13 (A) the township trustee, if the political subdivision is a
 14 township, who shall present the petition or petitions to the
 15 township board; or

16 (B) the body that has the authority to authorize the issuance of
 17 the bonds or the execution of a lease, if the political
 18 subdivision is not a township;

19 within thirty-five (35) business days of the filing of the petition
 20 requesting a petition and remonstrance process. The certificate
 21 must state the number of petitioners that are owners of property
 22 within the political subdivision and the number of petitioners who
 23 are registered voters residing within the political subdivision.

24 If a sufficient petition requesting a petition and remonstrance process
 25 is not filed by owners of property or registered voters as set forth in this
 26 section, the political subdivision may issue bonds or enter into a lease
 27 by following the provisions of law relating to the bonds to be issued or
 28 lease to be entered into.

29 (c) This subsection applies only to a political subdivision that, after
 30 April 30, 2011, adopts an ordinance or a resolution making a
 31 preliminary determination to issue bonds or enter into a lease subject
 32 to this section and section 3.2 of this chapter. A political subdivision
 33 may not artificially divide a capital project into multiple capital
 34 projects in order to avoid the requirements of this section and section
 35 3.2 of this chapter.

~~(C)~~ **(B)** Any other controlled project that:

(2) The proper officers of the political subdivision make a preliminary determination after June 30, 2008, in the manner described in subsection (b) to issue bonds or enter into a lease for the controlled project.

(b) A political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

- (1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to the circuit court clerk and to any organization that delivers to the officers, before January 1 of that year, an annual written request for notices of any meeting to consider the adoption of an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease and shall conduct a public hearing on the preliminary determination before adoption of the ordinance or resolution. The political subdivision must make the following information available to the public at the public hearing

- 1 on the preliminary determination, in addition to any other
- 2 information required by law:
- 3 (A) The result of the political subdivision's current and
- 4 projected annual debt service payments divided by the net
- 5 assessed value of taxable property within the political
- 6 subdivision.
- 7 (B) The result of:
- 8 (i) the sum of the political subdivision's outstanding long
- 9 term debt plus the outstanding long term debt of other taxing
- 10 units that include any of the territory of the political
- 11 subdivision; divided by
- 12 (ii) the net assessed value of taxable property within the
- 13 political subdivision.
- 14 (C) The information specified in subdivision (3)(A) through
- 15 (3)(G).
- 16 (2) If the proper officers of a political subdivision make a
- 17 preliminary determination to issue bonds or enter into a lease, the
- 18 officers shall give notice of the preliminary determination by:
- 19 (A) publication in accordance with IC 5-3-1; and
- 20 (B) first class mail to the circuit court clerk and to the
- 21 organizations described in subdivision (1).
- 22 (3) A notice under subdivision (2) of the preliminary
- 23 determination of the political subdivision to issue bonds or enter
- 24 into a lease must include the following information:
- 25 (A) The maximum term of the bonds or lease.
- 26 (B) The maximum principal amount of the bonds or the
- 27 maximum lease rental for the lease.
- 28 (C) The estimated interest rates that will be paid and the total
- 29 interest costs associated with the bonds or lease.
- 30 (D) The purpose of the bonds or lease.
- 31 (E) A statement that the proposed debt service or lease
- 32 payments must be approved in an election on a local public
- 33 question held under section 3.6 of this chapter.
- 34 (F) With respect to bonds issued or a lease entered into to
- 35 open:
- 36 (i) a new school facility; or
- 37 (ii) an existing facility that has not been used for at least
- 38 three (3) years and that is being reopened to provide
- 39 additional classroom space;
- 40 the estimated costs the school corporation expects to annually

1 rate and the estimated increase to the political subdivision's
 2 debt service levy and rate that will result if the political
 3 subdivision issues the bonds or enters into the lease.
 4 (H) The information specified in subdivision (1)(A) through
 5 (1)(B).
 6 (4) After notice is given, a petition requesting the application of
 7 the local public question process under section 3.6 of this chapter
 8 may be filed by the lesser of:
 9 (A) one hundred (100) persons who are either owners of
 10 property within the political subdivision or registered voters
 11 residing within the political subdivision; or
 12 (B) five percent (5%) of the registered voters residing within
 13 the political subdivision.
 14 (5) The state board of accounts shall design and, upon request by
 15 the county voter registration office, deliver to the county voter
 16 registration office or the county voter registration office's
 17 designated printer the petition forms to be used solely in the
 18 petition process described in this section. The county voter
 19 registration office shall issue to an owner or owners of property
 20 within the political subdivision or a registered voter residing
 21 within the political subdivision the number of petition forms
 22 requested by the owner or owners or the registered voter. Each
 23 form must be accompanied by instructions detailing the
 24 requirements that:
 25 (A) the carrier and signers must be owners of property or
 26 registered voters;
 27 (B) the carrier must be a signatory on at least one (1) petition;
 28 (C) after the signatures have been collected, the carrier must
 29 swear or affirm before a notary public that the carrier
 30 witnessed each signature; and
 31 (D) govern the closing date for the petition period.
 32 Persons requesting forms may be required to identify themselves
 33 as owners of property or registered voters and may be allowed to
 34 pick up additional copies to distribute to other owners of property
 35 or registered voters. Each person signing a petition must indicate
 36 whether the person is signing the petition as a registered voter
 37 within the political subdivision or is signing the petition as the
 38 owner of property within the political subdivision. A person who
 39 signs a petition as a registered voter must indicate the address at
 40 which the person is registered to vote. A person who signs a
 41 petition as an owner of property must indicate the address of the
 42 property owned by the person in the political subdivision.

- 1 (6) Each petition must be verified under oath by at least one (1)
 2 qualified petitioner in a manner prescribed by the state board of
 3 accounts before the petition is filed with the county voter
 4 registration office under subdivision (7).
- 5 (7) Each petition must be filed with the county voter registration
 6 office not more than thirty (30) days after publication under
 7 subdivision (2) of the notice of the preliminary determination.
- 8 (8) The county voter registration office shall determine whether
 9 each person who signed the petition is a registered voter.
 10 However, after the county voter registration office has determined
 11 that at least one hundred twenty-five (125) persons who signed
 12 the petition are registered voters within the political subdivision,
 13 the county voter registration office is not required to verify
 14 whether the remaining persons who signed the petition are
 15 registered voters. If the county voter registration office does not
 16 determine that at least one hundred twenty-five (125) persons who
 17 signed the petition are registered voters, the county voter
 18 registration office, not more than fifteen (15) business days after
 19 receiving a petition, shall forward a copy of the petition to the
 20 county auditor. Not more than ten (10) business days after
 21 receiving the copy of the petition, the county auditor shall provide
 22 to the county voter registration office a statement verifying:
- 23 (A) whether a person who signed the petition as a registered
 24 voter but is not a registered voter, as determined by the county
 25 voter registration office, is the owner of property in the
 26 political subdivision; and
- 27 (B) whether a person who signed the petition as an owner of
 28 property within the political subdivision does in fact own
 29 property within the political subdivision.
- 30 (9) The county voter registration office, not more than ten (10)
 31 business days after determining that at least one hundred
 32 twenty-five (125) persons who signed the petition are registered
 33 voters or after receiving the statement from the county auditor
 34 under subdivision (8) (as applicable), shall make the final
 35 determination of whether a sufficient number of persons have
 36 signed the petition. Whenever the name of an individual who
 37 signs a petition form as a registered voter contains a minor
 38 variation from the name of the registered voter as set forth in the
 39 records of the county voter registration office, the signature is
 40 presumed to be valid, and there is a presumption that the
 41 individual is entitled to sign the petition under this section. Except
 42 as otherwise provided in this chapter, in determining whether an

1 individual is a registered voter, the county voter registration office
 2 shall apply the requirements and procedures used under IC 3 to
 3 determine whether a person is a registered voter for purposes of
 4 voting in an election governed by IC 3. However, an individual is
 5 not required to comply with the provisions concerning providing
 6 proof of identification to be considered a registered voter for
 7 purposes of this chapter. A person is entitled to sign a petition
 8 only one (1) time in a particular referendum process under this
 9 chapter, regardless of whether the person owns more than one (1)
 10 parcel of real property, mobile home assessed as personal
 11 property, or manufactured home assessed as personal property or
 12 a combination of those types of property within the political
 13 subdivision and regardless of whether the person is both a
 14 registered voter in the political subdivision and the owner of
 15 property within the political subdivision. Notwithstanding any
 16 other provision of this section, if a petition is presented to the
 17 county voter registration office within forty-five (45) days before
 18 an election, the county voter registration office may defer acting
 19 on the petition, and the time requirements under this section for
 20 action by the county voter registration office do not begin to run
 21 until five (5) days after the date of the election.

22 (10) The county voter registration office must file a certificate and
 23 each petition with:

24 (A) the township trustee, if the political subdivision is a
 25 township, who shall present the petition or petitions to the
 26 township board; or

27 (B) the body that has the authority to authorize the issuance of
 28 the bonds or the execution of a lease, if the political
 29 subdivision is not a township;

30 within thirty-five (35) business days of the filing of the petition
 31 requesting the referendum process. The certificate must state the
 32 number of petitioners who are owners of property within the
 33 political subdivision and the number of petitioners who are
 34 registered voters residing within the political subdivision.

35 (11) If a sufficient petition requesting the local public question
 36 process is not filed by owners of property or registered voters as
 37 set forth in this section, the political subdivision may issue bonds
 38 or enter into a lease by following the provisions of law relating to
 39 the bonds to be issued or lease to be entered into.

40 (c) If the proper officers of a political subdivision make a
 41 preliminary determination to issue bonds or enter into a lease, the
 42 officers shall provide to the county auditor:

- 1 (1) a copy of the notice required by subsection (b)(2); and
- 2 (2) any other information the county auditor requires to fulfill the
- 3 county auditor's duties under section 3.6 of this chapter.

4 SECTION 10. IC 6-1.1-20.6-9.5, AS AMENDED BY P.L.172-2011,
 5 SECTION 41, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 6 JULY 1, 2013]: Sec. 9.5. (a) This section applies only to credits under
 7 this chapter against property taxes first due and payable after December
 8 31, 2006.

9 (b) The application of the credit under this chapter results in a
 10 reduction of the property tax collections of each political subdivision
 11 in which the credit is applied. Except as provided in IC 20-46-1, a
 12 political subdivision may not increase its property tax levy to make up
 13 for that reduction.

14 ~~(c) The county auditor shall in each calendar year notify each~~
 15 ~~political subdivision in which the credit under this chapter is applied~~
 16 ~~of the reduction of property tax collections referred to in subsection (b)~~
 17 ~~for the political subdivision for that year.~~

18 ~~(c)~~ (c) A political subdivision may not borrow money to compensate
 19 the political subdivision or any other political subdivision for the
 20 reduction of property tax collections referred to in subsection (b).

21 SECTION 11. IC 6-1.1-22-9, AS AMENDED BY P.L.87-2009,
 22 SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 23 JULY 1, 2013]: Sec. 9. (a) Except as provided in subsection (b), the
 24 property taxes assessed for a year under this article are due in two (2)
 25 equal installments on May 10 and November 10 of the following year.

26 (b) Subsection (a) does not apply if any of the following apply to the
 27 property taxes assessed for the year under this article:

- 28 (1) Subsection (c).
- 29 (2) Subsection (d).
- 30 (3) IC 6-1.1-7-7.
- 31 (4) Section 9.5 of this chapter.
- 32 (5) Section 9.7 of this chapter.

33 **(6) Section 9.9 of this chapter.**

34 (c) A county council may adopt an ordinance to require a person to
 35 pay the person's property tax liability in one (1) installment, if the tax
 36 liability for a particular year is less than twenty-five dollars (\$25). If the
 37 county council has adopted such an ordinance, then whenever a tax
 38 statement mailed under section 8.1 of this chapter shows that the
 39 person's property tax liability for a year is less than twenty-five dollars
 40 (\$25) for the property covered by that statement, the tax liability for
 41 that year is due in one (1) installment on May 10 of that year.

42 (d) If the county treasurer receives a copy of an appeal petition

C

1 under IC 6-1.1-18.5-12(d) before the county treasurer mails or
2 transmits statements under section 8.1 of this chapter, the county
3 treasurer may:

4 (1) mail or transmit the statements without regard to the pendency
5 of the appeal and, if the resolution of the appeal by the department
6 of local government finance results in changes in levies, mail or
7 transmit reconciling statements under subsection (e); or

8 (2) delay the mailing or transmission of statements under section
9 8.1 of this chapter so that:

10 (A) the due date of the first installment that would otherwise
11 be due under subsection (a) is delayed by not more than sixty
12 (60) days; and

13 (B) all statements reflect any changes in levies that result from
14 the resolution of the appeal by the department of local
15 government finance.

16 (e) A reconciling statement under subsection (d)(1) must indicate:

17 (1) the total amount due for the year;

18 (2) the total amount of the installments paid that did not reflect
19 the resolution of the appeal under IC 6-1.1-18.5-12(d) by the
20 department of local government finance;

21 (3) if the amount under subdivision (1) exceeds the amount under
22 subdivision (2), the adjusted amount that is payable by the
23 taxpayer:

24 (A) as a final reconciliation of all amounts due for the year;
25 and

26 (B) not later than:

27 (i) November 10; or

28 (ii) the date or dates established under section 9.5 of this
29 chapter; and

30 (4) if the amount under subdivision (2) exceeds the amount under
31 subdivision (1), that the taxpayer may claim a refund of the excess
32 under IC 6-1.1-26.

33 (f) If property taxes are not paid on or before the due date, the
34 penalties prescribed in IC 6-1.1-37-10 shall be added to the delinquent
35 taxes.

36 (g) Notwithstanding any other law, a property tax liability of less
37 than five dollars (\$5) is increased to five dollars (\$5). The difference
38 between the actual liability and the five dollar (\$5) amount that appears
39 on the statement is a statement processing charge. The statement
40 processing charge is considered a part of the tax liability.

41 (h) This subsection applies only if a statement for payment of
42 property taxes and special assessments by electronic mail is transmitted

C

1 to a person under section 8.1(h) of this chapter. If a response to the
 2 transmission of electronic mail to a person indicates that the electronic
 3 mail was not received, the county treasurer shall mail to the person a
 4 hard copy of the statement in the manner required by section 8.1(a) of
 5 this chapter for persons who do not opt to receive statements by
 6 electronic mail. The due date for the property taxes and special
 7 assessments under a statement mailed to a person under this subsection
 8 is the due date indicated in the statement transmitted to the person by
 9 electronic mail.

10 (i) In a county in which an authorizing ordinance is adopted under
 11 section 8.1(h) of this chapter, a person may direct the county treasurer
 12 to transmit a reconciling statement under subsection (d)(1) by
 13 electronic mail under section 8.1(h) of this chapter.

 24 SECTION 715, IS AMENDED TO READ AS FOLLOWS
 25 [EFFECTIVE JULY 1, 2013]: Sec. 14. (a) At any special meeting, if
 26 two (2) or more members give their consent, the legislative body may
 27 determine whether there is a need for fire and emergency services or
 28 other emergency requiring the expenditure of money not included in
 29 the township's budget estimates and levy.

30 (b) Subject to section 14.5 of this chapter, if the legislative body
 31 finds that a need for fire and emergency services or other emergency
 32 exists, it may issue a special order, entered and signed on the record,
 33 authorizing the executive to borrow a specified amount of money

not to exceed one-half (1/2) of the amount borrowed under this section for the immediately preceding year.

(2) The legislative body may not authorize the executive to borrow money under this section after 2016.

(c) Notwithstanding IC 36-8-13-4(a), the legislative body may authorize the executive to borrow a specified sum from a township fund other than the township firefighting fund if the legislative body finds that the emergency requiring the expenditure of money is related to paying the operating expenses of a township fire department or a volunteer fire department. At its next annual session, the legislative body shall cover the debt created by making a levy to the credit of the fund for which the amount was borrowed under this subsection.

(d) In determining whether a fire and emergency services need exists requiring the expenditure of money not included in the township's budget estimates and levy, the legislative body and any reviewing authority considering the approval of the additional borrowing shall consider the following factors:

- (1) The current and projected certified and noncertified public safety payroll needs of the township.
- (2) The current and projected need for fire and emergency services within the jurisdiction served by the township.
- (3) Any applicable national standards or recommendations for the provision of fire protection and emergency services.
- (4) Current and projected growth in the number of residents and other citizens served by the township, emergency service runs, certified and noncertified personnel, and other appropriate measures of public safety needs in the jurisdiction served by the township.
- (5) Salary comparisons for certified and noncertified public safety personnel in the township and other surrounding or comparable jurisdictions.
- (6) Prior annual expenditures for fire and emergency services, including all amounts budgeted under this chapter.
- (7) Current and projected growth in the assessed value of property requiring protection in the jurisdiction served by the township.
- (8) Other factors directly related to the provision of public safety within the jurisdiction served by the township.

(e) In the event the township received additional funds under this chapter in the immediately preceding budget year for an approved expenditure, any reviewing authority shall take into consideration the use of the funds in the immediately preceding budget year and the continued need for funding the services and operations to be funded

IC 6-1.1-18.5-13, AS AMENDED BY P.L. 112-2012, SECTION 38, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2013]: Sec. 13. (a) With respect to an appeal filed under section 12 of this chapter, the department may find that a civil taxing unit should receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the department the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons. With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

(A) The first calendar year in which those costs are incurred.

(B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) A levy increase may not be granted under this subdivision for

C
o

property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:

- (A) the cost of personal services (including fringe benefits);
 - (B) the cost of supplies; and
 - (C) any other cost directly related to the operation of the court.
- (3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the department finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property under IC 6-1.1-4-4 does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and:

- (i) for a particular calendar year before 2007, the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year; or
- (ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the

C
O
P
Y

calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and:

- (i) for a particular calendar year before 2007, the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year; or
- (ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in all counties under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.

(4) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in

C
o
p
y

the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(5) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(6) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the township's township assistance ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

C
O
P
Y

(B) the township needs the increase to meet the costs of providing township assistance under IC 12-20 and IC 12-30-4. The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's township assistance ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(7) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(8) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred seventy thousand (170,000) but less than one hundred seventy-five thousand (175,000);

(ii) a city having a population of more than sixty-five thousand (65,000) but less than seventy thousand (70,000);

(iii) a city having a population of more than twenty-nine thousand five hundred (29,500) but less than twenty-nine thousand six hundred (29,600);

C
o
p
y

- (iv) a city having a population of more than thirteen thousand four hundred fifty (13,450) but less than thirteen thousand five hundred (13,500); or
- (v) a city having a population of more than eight thousand seven hundred (8,700) but less than nine thousand (9,000); and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(9) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

- (i) was issued by a federal district court; and
- (ii) has not been terminated;

(C) that operates a county jail that fails to meet:

- (i) American Correctional Association Jail Construction Standards; and
- (ii) Indiana jail operation standards adopted by the

department of correction; or
 (D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

~~(11) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the~~

township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

~~(12)~~ **(11)** Permission to a city having a population of more than thirty-one thousand five hundred (31,500) but less than thirty-one thousand seven hundred twenty-five (31,725) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under this section to reallocate property tax replacement credits under IC 6-3.5-1.1 in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned under this section to have reallocated in 2001 for a purpose other than property tax relief.

~~(13)~~ **(12)** A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter due to a natural disaster, an accident, or another unanticipated emergency.

~~(14)~~ **(13)** Permission to Jefferson County to increase its levy in excess of the limitations established under section 3 of this chapter if the department finds that the county experienced a property tax revenue shortfall that resulted from an erroneous estimate of the effect of the supplemental deduction under IC 6-1.1-12-37.5 on the county's assessed valuation. An appeal for a levy increase under this subdivision may not be denied because of the amount of cash balances in county funds. The maximum increase in the county's levy that may be approved under this subdivision is three hundred thousand dollars (\$300,000).

(b) The department of local government finance shall increase the maximum permissible ad valorem property tax levy under section 3 of this chapter for the city of Goshen for 2012 and thereafter by an amount equal to the greater of zero (0) or the result of:

(1) the city's total pension costs in 2009 for the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7); minus

(2) the sum of:

(A) the total amount of state funds received in 2009 by the city and used to pay benefits to members of the 1925 police pension fund (IC 36-8-6) or the 1937 firefighters' pension fund (IC 36-8-7); plus

(B) any previous permanent increases to the city's levy that were authorized to account for the transfer to the state of the responsibility to pay benefits to members of the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7).

(c) In calendar year 2013, the department of local government finance shall allow a township to increase its maximum permissible ad valorem property tax levy in excess of the limitations established under section 3 of this chapter, if the township:

(1) petitions the department for the levy increase on a form prescribed by the department; and

(2) submits proof of the amount borrowed in calendar year 2012 under IC 36-6-6-14 to furnish fire protection for the township or a part of the township.

The maximum increase in a township's levy that may be allowed under this subsection is the amount borrowed by the township under IC 36-6-6-14 in 2012. An increase allowed under this subsection applies to property taxes first due and payable after December 31, 2013."

(H) The political subdivision's current debt service levy and rate and the estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.

(4) After notice is given, a petition requesting the application of a petition and remonstrance process may be filed by the lesser of:

- (A) one hundred (100) persons who are either owners of

C

property within the political subdivision or registered voters residing within the political subdivision; or

(B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of property or registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of property or registered voters and may be allowed to pick up additional copies to distribute to other owners of property or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as an owner of property must indicate the address of the property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. The

C

county voter registration office shall, not more than fifteen (15) business days after receiving a petition, forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the political subdivision; and

(B) whether a person who signed the petition as an owner of property within the political subdivision does in fact own property within the political subdivision.

(9) The county voter registration office shall, not more than ten (10) business days after receiving the statement from the county auditor under subdivision (8), make the final determination of the number of petitioners that are registered voters in the political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property, or a combination of those types of property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the

county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) This subsection applies only to a political subdivision that, after April 30, 2011, adopts an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease subject to this section and section 3.2 of this chapter. A political subdivision may not artificially divide a capital project into multiple capital projects in order to avoid the requirements of this section and section 3.2 of this chapter.

(1) The controlled project is described in one (1) of the following categories:

(A) An elementary school building, middle school building, **high school building**, or other school building for academic instruction that:

(i) will be used for any combination of kindergarten through grade 8; **12; and**

(iii) (ii) will cost more than ~~ten~~ **fifteen** million dollars (\$10,000,000): **(\$15,000,000)**.

(~~B~~) A high school building or other school building for academic instruction that:

(i) will be used for any combination of grade 9 through grade 12;

(iii) will cost more than twenty million dollars (\$20,000,000).

(~~C~~) (B) Any other controlled project that:

(i) is not a controlled project described in clause (A); ~~or (B)~~; and

(ii) will cost the political subdivision more than the lesser of twelve million dollars (\$12,000,000) or an amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date (if that amount is at least one million dollars (\$1,000,000)).

(2) The proper officers of the political subdivision make a preliminary determination after June 30, 2008, in the manner described in subsection (b) to issue bonds or enter into a lease for the controlled project.

(b) A political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

The political subdivision must make the following information available to the public at the public hearing on the preliminary determination, in addition to any other information required by law:

subdivision.

(B) The result of:

(i) the sum of the political subdivision's outstanding long term debt plus the outstanding long term debt of other taxing units that include any of the territory of the political subdivision; divided by

(ii) the net assessed value of taxable property within the political subdivision.

(C) The information specified in subdivision (3)(A) through (3)(G).

(2) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall give notice of the preliminary determination by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the circuit court clerk and to the organizations described in subdivision (1).

(3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease must include the following information:

(A) The maximum term of the bonds or lease.

(B) The maximum principal amount of the bonds or the maximum lease rental for the lease.

(C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.

(D) The purpose of the bonds or lease.

(E) A statement that the proposed debt service or lease payments must be approved in an election on a local public question held under section 3.6 of this chapter.

(ii) an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space;

the estimated costs the school corporation expects to annually incur to operate the facility.

(G) The political subdivision's current debt service levy and rate and the estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.

(H) The information specified in subdivision (1)(A) through (1)(B).

(4) After notice is given, a petition requesting the application of the local public question process under section 3.6 of this chapter may be filed by the lesser of:

(A) one hundred (100) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision; or

(B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of property or registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of property or registered voters and may be allowed to pick up additional copies to distribute to other owners of property or registered voters. office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. However, after the county voter registration office has determined that at least one hundred twenty-five (125) persons who signed the petition are registered voters within the political subdivision, the county voter registration office is not required to verify whether the remaining persons who signed the petition are registered voters. If the county voter registration office does not determine that at least one hundred twenty-five (125) persons who signed the petition are registered voters, the county voter registration office, not more than fifteen (15) business days after receiving a petition, shall forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the political subdivision; and

(B) whether a person who signed the petition as an owner of property within the political subdivision does in fact own property within the political subdivision.

(9) The county voter registration office, not more than ten (10) business days after determining that at least one hundred twenty-five (125) persons who signed the petition are registered voters or after receiving the statement from the county auditor under subdivision (8) (as applicable), shall make the final determination of whether a sufficient number of persons have signed the petition. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing

proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular referendum process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property or a combination of those types of property within the political subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting the referendum process. The certificate must state the number of petitioners who are owners of property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(11) If a sufficient petition requesting the local public question process is not filed by owners of property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall provide to the county auditor:

"SECTION 17. IC 36-7-14-39, AS AMENDED BY P.L.112-2012, SECTION 55, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2013]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

C

Y

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 39.3 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after

the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

C

P
Y

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by

C

P
Y

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; times

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

(i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this

C

subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.

(ii) Make any reimbursements required under this subdivision.

(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

The allocation fund may not be used for operating expenses of the commission.

(4) Except as provided in subsection (g), before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3), plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3) or lessors under section 25.3 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the

C

allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax

C
O
P

proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment of real property in an area under IC 6-1.1-4-4 and after each reassessment in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection:

- (1) may not include the effect of **phasing in assessed value due to property tax abatements under IC 6-1.1-12.1;**
- (2) ~~and these adjustments~~ may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the general reassessment, the reassessment under the reassessment plan, or the annual adjustment had not occurred; **and**
- (3) **may decrease base assessed value only to the extent that assessed values in the allocation area have been decreased due to annual adjustments or the reassessment under the reassessment plan.**

Assessed value increases attributable to the application of an abatement schedule under IC 6-1.1-12.1 may not be included in the base assessed value of an allocation area. The department of local government finance may prescribe procedures for county and township

officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
- (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
 - (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
 - (B) specifically designates a particular date as the final allocation deadline."

"SECTION 3. IC 6-1.1-17-3.5, AS AMENDED BY P.L.137-2012, SECTION 24, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2013]: Sec. 3.5. (a) This section does not apply to taxing units located in a county in which a county board of tax adjustment reviews budgets, tax rates, and tax levies. This section does not apply to a taxing unit that has its proposed budget and proposed property tax levy approved under section 20 or 20.3 of this chapter or IC 36-3-6-9.

(b) This section applies to a taxing unit other than a county. If a taxing unit will impose property taxes due and payable in the ensuing calendar year, the taxing unit shall file the following information in the manner prescribed by the department of local government finance with the fiscal body of the county in which the taxing unit is located:

C

(1) A statement of the proposed or estimated tax rate and tax levy for the taxing unit for the ensuing budget year.

(2) In the case of a taxing unit other than a school corporation, a copy of the taxing unit's proposed budget for the ensuing budget year.

(c) In the case of a taxing unit located in more than one (1) county, the taxing unit shall file the information under subsection (b) with the fiscal body of the county in which the greatest part of the taxing unit's net assessed valuation is located.

(d) A taxing unit must file the information under subsection (b) before September 2 of a year.

(e) A county fiscal body shall complete the following in a manner prescribed by the department of local government finance before October 2 of a year:

(1) Review any proposed or estimated tax rate or tax levy filed by a taxing unit with the county fiscal body under this section.

(2) In the case of a taxing unit other than a school corporation, review any proposed or estimated budget filed by a taxing unit with the county fiscal body under this section.

(3) In the case of a taxing unit other than a school corporation, issue a nonbinding recommendation to a taxing unit regarding the taxing unit's proposed or estimated tax rate or tax levy or proposed budget.

(f) The recommendation under subsection (e) must include a comparison of any increase in the taxing unit's budget or tax levy to:

(1) the average increase in Indiana nonfarm personal income for the preceding six (6) calendar years and the average increase in nonfarm personal income for the county for the preceding six (6) calendar years; and

(2) increases in the budgets and tax levies of other taxing units in the county.

(g) The department of local government finance must provide each county fiscal body with the most recent available information concerning increases in Indiana nonfarm personal income and increases in county nonfarm personal income.

(h) If a taxing unit fails to file the information required by subsection (b) with the fiscal body of the county in which the taxing unit is located by the time prescribed in subsection (d), the most recent annual appropriations and annual tax levy of that taxing unit are continued for the ensuing budget year.

(i) If a county fiscal body fails to complete the requirements of subsection (e) before the deadline in subsection (e) for any taxing unit

subject to this section, the most recent annual appropriations and annual tax levy of the county are continued for the ensuing budget year."

"SECTION 6. IC 6-1.1-17-20, AS AMENDED BY P.L.137-2012, SECTION 27, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2013]: Sec. 20. (a) This section applies to each governing body of a taxing unit that is not comprised of a majority of officials who are elected to serve on the governing body. For purposes of this section, an individual who qualifies to be appointed to a governing body or serves on a governing body because of the individual's status as an elected official of another taxing unit shall be treated as an official who was not elected to serve on the governing body.

(b) As used in this section, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, except that the term does not include a public library or an entity whose tax levies are subject to review and modification by a city-county legislative body under IC 36-3-6-9.

(c) If:

- (1) the assessed valuation of a taxing unit is entirely contained within a city or town; or
- (2) the assessed valuation of a taxing unit is not entirely contained within a city or town but the taxing unit was originally established by the city or town;

the governing body shall submit its proposed budget and property tax levy to the city or town fiscal body. The proposed budget and levy shall be submitted to the city or town fiscal body in the manner prescribed by the department of local government finance before September 2 of a year. However, in the case of a public library that is subject to this section and is described in subdivision (2), the public library shall submit its proposed budget and property tax levy to the county fiscal body in the manner provided in subsection (d), rather than to the city or town fiscal body, if more than fifty percent (50%) of the parcels of real property within the jurisdiction of the public library are located outside the city or town.

(d) If subsection (c) does not apply, the governing body of the taxing unit shall submit its proposed budget and property tax levy to the county fiscal body in the county where the taxing unit has the most assessed valuation. The proposed budget and levy shall be submitted to the county fiscal body in the manner prescribed by the department of local government finance before September 2 of a year.

(e) The fiscal body of the city, town, or county (whichever applies)

C
O
P

shall review each budget and proposed tax levy and adopt a final budget and tax levy for the taxing unit. The fiscal body may reduce or modify but not increase the proposed budget or tax levy.

(f) If a taxing unit fails to file the information required in subsection (c) or (d), whichever applies, with the appropriate fiscal body by the time prescribed by this section, the most recent annual appropriations and annual tax levy of that taxing unit are continued for the ensuing budget year.

(g) If the appropriate fiscal body fails to complete the requirements of subsection (e) before the adoption deadline in section 5 of this chapter for any taxing unit subject to this section, the most recent annual appropriations and annual tax levy of the city, town, or county, whichever applies, are continued for the ensuing budget year.

SECTION 7. IC 6-1.1-17-20.3 IS REPEALED [EFFECTIVE JULY 1, 2013]. Sec. 20.3: (a) This section applies only to the governing body of a public library that:

(1) is not comprised of a majority of officials who are elected to serve on the governing body; and

(2) has a percentage increase in the proposed budget for the taxing unit for the ensuing calendar year that is more than the result of:

(A) the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the ensuing calendar year; minus

(B) one (1).

For purposes of this section, an individual who qualifies to be appointed to a governing body or serves on a governing body because of the individual's status as an elected official of another taxing unit shall be treated as an official who was not elected to serve on the governing body.

(b) This section does not apply to an entity whose tax levies are subject to review and modification by a city-county legislative body under IC 36-3-6-9.

(c) If:

(1) the assessed valuation of a public library is entirely contained within a city or town; or

(2) the assessed valuation of a public library is not entirely contained within a city or town but the public library was originally established by the city or town;

the governing body shall submit its proposed budget and property tax levy to the city or town fiscal body in the manner prescribed by the department of local government finance before September 2 of a year. However, the governing body shall submit its proposed budget and

C

P
Y

property tax levy to the county fiscal body in the manner provided in subsection (d); rather than to the city or town fiscal body, if more than fifty percent (50%) of the parcels of real property within the jurisdiction of the public library are located outside the city or town.

(d) If subsection (c) does not apply, the governing body of the public library shall submit its proposed budget and property tax levy to the county fiscal body in the county where the public library has the most assessed valuation. The proposed budget and levy shall be submitted to the county fiscal body in the manner prescribed by the department of local government finance before September 2 of a year.

(e) The fiscal body of the city, town, or county (whichever applies) shall review each budget and proposed tax levy and adopt a final budget and tax levy for the public library. The fiscal body may reduce or modify but not increase the proposed budget or tax levy.

(f) If a public library fails to file the information required in subsection (c) or (d), whichever applies, with the appropriate fiscal body by the time prescribed by this section, the most recent annual appropriations and annual tax levy of that public library are continued for the ensuing budget year.

(g) If the appropriate fiscal body fails to complete the requirements of subsection (e) before the adoption deadline in section 5 of this chapter for any public library subject to this section, the most recent annual appropriations and annual tax levy of the city, town, or county, whichever applies, are continued for the ensuing budget year.

SECTION 8. IC 6-1.1-18-5, AS AMENDED BY P.L.137-2012, SECTION 29, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2013]: Sec. 5. (a) If the proper officers of a political subdivision desire to appropriate more money for a particular year than the amount prescribed in the budget for that year as finally determined under this article, they shall give notice of their proposed additional appropriation. The notice shall state the time and place at which a public hearing will be held on the proposal. The notice shall be given once in accordance with IC 5-3-1-2(b).

(b) If the additional appropriation by the political subdivision is made from a fund that receives:

- (1) distributions from the motor vehicle highway account established under IC 8-14-1-1 or the local road and street account established under IC 8-14-2-4; or

- (2) revenue from property taxes levied under IC 6-1.1;

the political subdivision must report the additional appropriation to the department of local government finance. If the additional appropriation is made from a fund described under this subsection, subsections (f),

C
o
p

(g), (h), and (i) apply to the political subdivision.

(c) However, if the additional appropriation is not made from a fund described under subsection (b), subsections (f), (g), (h), and (i) do not apply to the political subdivision. Subsections (f), (g), (h), and (i) do not apply to an additional appropriation made from the cumulative bridge fund if the appropriation meets the requirements under IC 8-16-3-3(c).

(d) A political subdivision may make an additional appropriation without approval of the department of local government finance if the additional appropriation is made from a fund that is not described under subsection (b). However, the fiscal officer of the political subdivision shall report the additional appropriation to the department of local government finance.

(e) After the public hearing, the proper officers of the political subdivision shall file a certified copy of their final proposal and any other relevant information to the department of local government finance.

(f) When the department of local government finance receives a certified copy of a proposal for an additional appropriation under subsection (e), the department shall determine whether sufficient funds are available or will be available for the proposal. The determination shall be made in writing and sent to the political subdivision not more than fifteen (15) days after the department of local government finance receives the proposal.

(g) In making the determination under subsection (f), the department of local government finance shall limit the amount of the additional appropriation to revenues available, or to be made available, which have not been previously appropriated.

(h) If the department of local government finance disapproves an additional appropriation under subsection (f), the department shall specify the reason for its disapproval on the determination sent to the political subdivision.

(i) A political subdivision may request a reconsideration of a determination of the department of local government finance under this section by filing a written request for reconsideration. A request for reconsideration must:

- (1) be filed with the department of local government finance within fifteen (15) days of the receipt of the determination by the political subdivision; and
- (2) state with reasonable specificity the reason for the request.

The department of local government finance must act on a request for reconsideration within fifteen (15) days of receiving the request.

(j) This subsection applies to an additional appropriation by a political subdivision that must have the political subdivision's annual appropriations and annual tax levy adopted by a city, town, or county fiscal body under IC 6-1.1-17-20 or by a legislative or fiscal body under IC 36-3-6-9. The fiscal or legislative body of the city, town, or county that adopted the political subdivision's annual appropriation and annual tax levy must adopt the additional appropriation by ordinance before the department of local government finance may approve the additional appropriation.

(k) This subsection applies to a public library that:

- (1) is required to submit the public library's budgets, tax rates, and tax levies for nonbinding review under IC 6-1.1-17-3.5; and
- (2) is not required to submit the public library's budgets, tax rates, and tax levies for binding review and approval under IC 6-1.1-17-20.

If a public library subject to this subsection proposes to make an additional appropriation for a year, and the additional appropriation would result in the budget for the library for that year increasing (as compared to the previous year) by a percentage that is greater than the result of the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the calendar year minus one (1), the additional appropriation must first be approved by the city, town, or county fiscal body described in IC 6-1.1-17-20.3(c) or IC 6-1.1-17-20(d), as appropriate."

If a township is allowed an increase in its maximum permissible ad valorem property tax levy under section 13(c) of this chapter for property taxes first due and payable in 2014, this section and not section 8 of this chapter applies for purposes of permitting the township to impose an ad valorem property tax levy above the limits imposed under section 3 of this chapter to pay back an emergency loan incurred under IC 36-6-6-14. The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a township under IC 36-6-6-14, limited to the following:**

- (1) For 2014, three-fourths (3/4) of the amount borrowed under IC 36-6-6-14 during 2013.
- (2) For 2015, one-third (1/3) of the amount borrowed under

IC 36-6-6-14 during 2014.

(3) For 2016, one-third (1/3) of the amount borrowed under IC 36-6-6-14 during 2015.

For purposes of computing the ad valorem property tax levy limit imposed on such a township under section 3 of this chapter, the township's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed under IC 36-6-6-14."

(a) Except as provided in subsection (b), the property taxes assessed for a year under this article are due in two (2) equal installments on May 10 and November 10 of the following year.

If the county council has adopted such an ordinance, then whenever a tax statement mailed under section 8.1 of this chapter shows that the person's property tax liability for a year is less than twenty-five dollars (\$25) for the property covered by that statement, the tax liability for that year is due in one (1) installment on May 10 of that year.

under IC 6-1.1-18.5-12(d) before the county treasurer mails or transmits statements under section 8.1 of this chapter, the county treasurer may:

- (1) mail or transmit the statements without regard to the pendency of the appeal and, if the resolution of the appeal by the department of local government finance results in changes in levies, mail or transmit reconciling statements under subsection (e); or
- (2) delay the mailing or transmission of statements under section 8.1 of this chapter so that:
 - (A) the due date of the first installment that would otherwise be due under subsection (a) is delayed by not more than sixty (60) days; and
 - (B) all statements reflect any changes in levies that result from the resolution of the appeal by the department of local government finance.
- (e) A reconciling statement under subsection (d)(1) must indicate:
 - (1) the total amount due for the year;
 - (2) the total amount of the installments paid that did not reflect the resolution of the appeal under IC 6-1.1-18.5-12(d) by the department of local government finance;
 - (3) if the amount under subdivision (1) exceeds the amount under subdivision (2), the adjusted amount that is payable by the taxpayer:

 - (B) not later than:
 - (i) November 10; or
 - (ii) the date or dates established under section 9.5 of this chapter; and
 - (4) if the amount under subdivision (2) exceeds the amount under subdivision (1), that the taxpayer may claim a refund of the excess under IC 6-1.1-26.
 - (f) If property taxes are not paid on or before the due date, the penalties prescribed in IC 6-1.1-37-10 shall be added to the delinquent taxes.
 - (g) Notwithstanding any other law, a property tax liability of less than five dollars (\$5) is increased to five dollars (\$5). The difference between the actual liability and the five dollar (\$5) amount that appears on the statement is a statement processing charge. The statement processing charge is considered a part of the tax liability.
 - (h) This subsection applies only if a statement for payment of property taxes and special assessments by electronic mail is transmitted

to a person under section 8.1(h) of this chapter. If a response to the transmission of electronic mail to a person indicates that the electronic mail was not received, the county treasurer shall mail to the person a hard copy of the statement in the manner required by section 8.1(a) of this chapter for persons who do not opt to receive statements by electronic mail. The due date for the property taxes and special assessments under a statement mailed to a person under this subsection is the due date indicated in the statement transmitted to the person by electronic mail.

(i) In a county in which an authorizing ordinance is adopted under section 8.1(h) of this chapter, a person may direct the county treasurer to transmit a reconciling statement under subsection (d)(1) by electronic mail under section 8.1(h) of this chapter.
