

**CONFERENCE COMMITTEE REPORT
DIGEST FOR ESB 177**

Citations Affected: IC 21-14-12.2.

Synopsis: Tuition rates for veterans. Conference committee report for ESB 177. Provides that qualified veterans are eligible for the resident tuition rate for undergraduate courses upon enrolling in a state educational institution not later than 12 months after discharge or separation from the United States armed forces or the Indiana National Guard. Requires a qualified veteran to provide to the state educational institution, not later than 12 months after enrolling in the state educational institution, certain information to show that the veteran resides in Indiana. Provides that if the qualified veteran does not provide the required proof of residency: (1) the qualified veteran is subject to the tuition policies established by the state educational institution; and (2) the qualified veteran must repay the state educational institution an amount that equals the difference between the nonresident tuition rate and the tuition rate charged to the qualified veteran during the first 12 months of the qualified veteran's enrollment at the state educational institution. Provides that a qualified veteran who enrolls later than 12 months after the qualified veteran's discharge or separation date is subject to the tuition policies determined by the state educational institution. Provides that qualified veterans who enroll in graduate degree programs are subject to the tuition policies determined by the state educational institution. **(This conference committee report: (1) removes provisions that: (A) require a state educational institution to provide a qualified veteran who served in a combat zone with a tuition and fee rate freeze; (B) provide that the child of a veteran who suffered a service connected death or disability and received a disability rating equal to zero percent or more may be eligible for tuition and fee exemption; and (C) repeal a provision relating to tuition and fee exemptions for veterans that limits the amount of reduction in educational costs, for an individual who is eligible to receive the reduction because the individual's father or mother received a service-related disability, to the parent's disability rating plus 20%; and (2) provides that the definition of a "qualified veteran" includes an individual who is currently serving in or has received an honorable discharge from the Indiana National Guard.)**
