4 involving the use of technology that:

- 5 (1) promotes clean energy, renewable energy, or energy
6 efficiency;
7 (2) reduces greenhouse gases or carbon emissions; or
8 (3) involves the invention, design, and application of chemical
9 products and processes to eliminate the use and generation of
10 hazardous substances.

11 Sec. 4. The green jobs training program is established to
12 support opportunities for eligible workers to receive job training
13 in green industry sectors and occupations. The department shall
14 administer the program.

15 Sec. 5. (a) The green jobs training fund is established.

16 (b) The fund consists of the following:

- 17 (1) Appropriations from the general assembly.
18 (2) Earnings on money in the fund.
19 (3) Money deposited in the fund from any other source.

20 (c) The expenses of administering the fund shall be paid from
21 money in the fund.

22 (d) The treasurer of state shall invest the money in the fund not
23 currently needed to meet the obligations of the fund in the same
24 manner as other public money may be invested. Earnings that
25 accrue from these investments shall be deposited in the fund.

26 (e) Money in the fund at the end of a state fiscal year does not
27 revert to the state general fund.

28 Sec. 6. (a) In carrying out the green jobs training program, the
29 department shall do the following:

- 30 (1) Identify and develop the framework, potential funding,
31 strategies, policies, partnerships, and opportunities necessary
32 to address the need for a highly skilled and well-trained
33 workforce to meet the needs of the green economy.
34 (2) Subject to the availability of appropriated funds, award
35 grants from the green jobs training fund to employers and
36 other persons for worker training grants that enable eligible
37 workers to develop the skills necessary for employment in
38 green jobs.

39 (b) The department shall adopt policies and procedures
40 concerning the following:

- 41 (1) The application procedure that is used in applying for
42 grants.
