DIGEST FOR ESB 590**

Citations Affected: IC 25-13; IC 25-14; IC 35-51-25-1.

Synopsis: Dental matters. Conference committee report for ESB 590. Establishes a limited voluntary charitable permit for dental hygienists and dentists. Adds "R.D.H." to the titles to be used for a dental hygienist. Adds a \$20 compliance fee that a dental hygienist must pay at license renewal. Repeals provisions requiring that continuing education courses for dental hygienists and dentists be made available in all Indiana geographic regions. Requires the attorney general and the Indiana professional licensing agency to enter into a memorandum of understanding concerning investigations of dental hygienists and dentists. Sets forth requirements for dental applicants who have graduated from an unaccredited dental college located outside the United States. Establishes discontinuation of dental practice procedures. Provides that a person who intentionally prevents a dentist from complying with the discontinuation requirements commits a Class A misdemeanor and allows for the office of the attorney general to bring a civil action suit against the person to enjoin a violation. Removes a provision that dentures may be marked with a patient's Social Security number. Requires the health finance commission to study, during the 2013 legislative interim, issues concerning the delivery of dental practices and options and procedures concerning consumer protections for dental care services. **(This conference committee report: (1) clarifies language concerning oral imaging related to the fabrication of a final restoration, impression, or cast; (2) adds language specifying actions a court may take in a civil action suit brought against a person who prevents a dentist from complying with notification requirements when retiring, discontinuing practice, moving, or leaving a community; (3) removes language concerning establishing an interim committee to study issues concerning health and dental care service consumer protection issues; and (4) adds language requiring a study by the health finance commission during the 2013 legislative interim concerning the delivery of dental practices by persons other than dentists and current options in Indiana and other states concerning consumer protections for dental care services.)**

Effective: July 1, 2013.
