

2011 SURVEY RESULTS

117TH
GENERAL ASSEMBLY

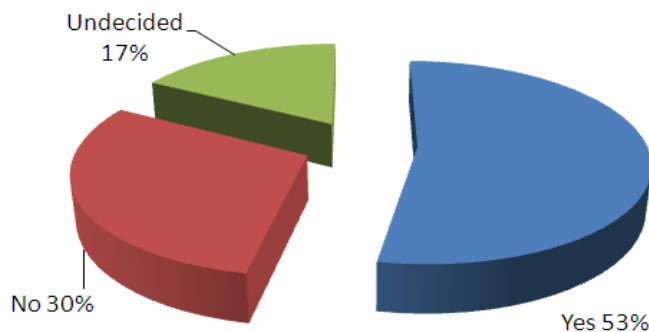

Question 1: Do you think that a student's improvement should be one factor in a teacher's pay?

2. Do you believe that our education system is doing an adequate job preparing our students for college?

3. Currently, each school negotiates their own health insurance plan but at vastly different rates. Should the schools be required to join the state insurance plan unless they can negotiate a low rate?
