

As we prepare for the 2011 Legislative Session, we wanted to take a moment to ask for your input on the topic of Education Reform. We want you to have the opportunity to provide us with your thoughts on this important topic.

Please express your feelings and thoughts on the questions below by providing constructive and professional feedback.

We would like to request feedback on the following education based initiatives:

1. Does Indiana need education reform? If so, how?
2. List 5 ways teachers/administrators should be evaluated?
3. Should there be Merit Pay for teachers?
4. Do you support allowing students who complete high school diploma requirements by the end of 11th grade to pursue a post-secondary education using state average daily membership funds (ADM) set aside for the 12th grade year?
5. Should local school leaders have the flexibility to drive increased student achievement and be held accountable for the results?
6. Do you support holding schools accountable for achieving results?
7. Do you support allowing student's flexibility to attend the school of their choice?
8. Do you support Charter Schools? Why?
9. Other thoughts on this topic?

Thank you for taking the time to respond to these questions. We ask that you submit your responses to all of us electronically using the email addresses below. Please remember that it is our job to listen to your feelings and thoughts and then make decisions that are in the best interest of the children of the State of Indiana.

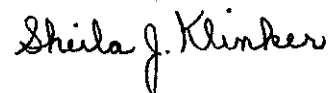

Sincerely,
